Together
Waltrip stands united

Friendship

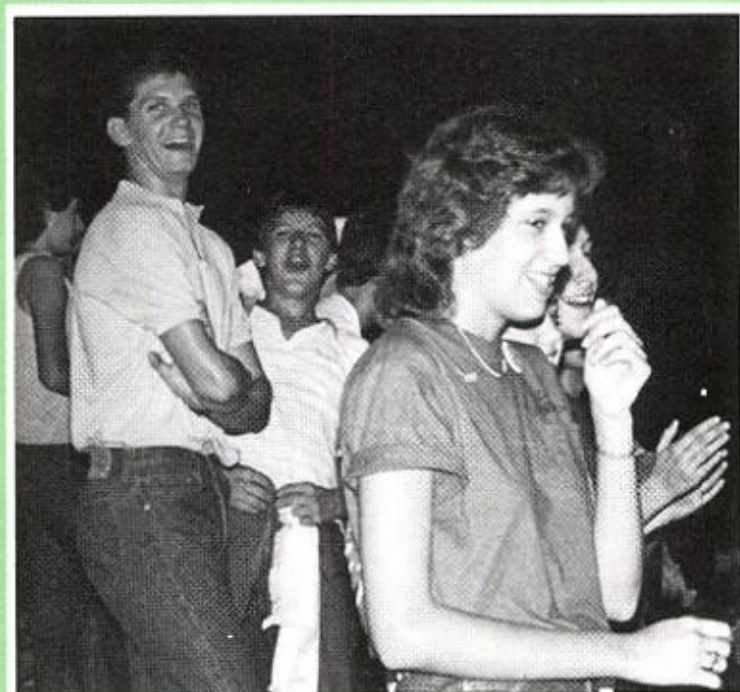

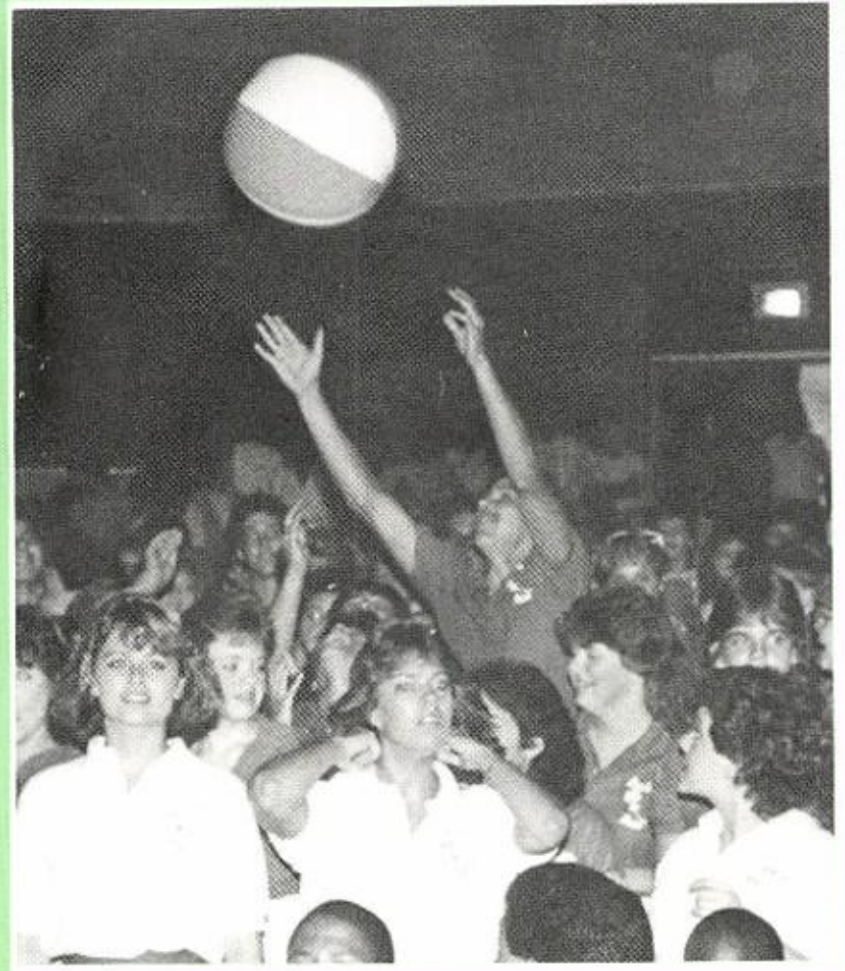

A strong foundation of Waltrip

Perhaps the main reason students attend Waltrip High School is to acquire an education that will profit them in later years. However, there are numerous other reasons why Rams love school. These include finding new, lasting friendships, having good times, discovering high-

reaching goals, gaining a sense of discipline, and growing in a friendly atmosphere. Waltrip provides all of these for its students.

Rams are sure to make an ample amount of friends while attending Waltrip. There certainly is a wide variety of people to choose from.

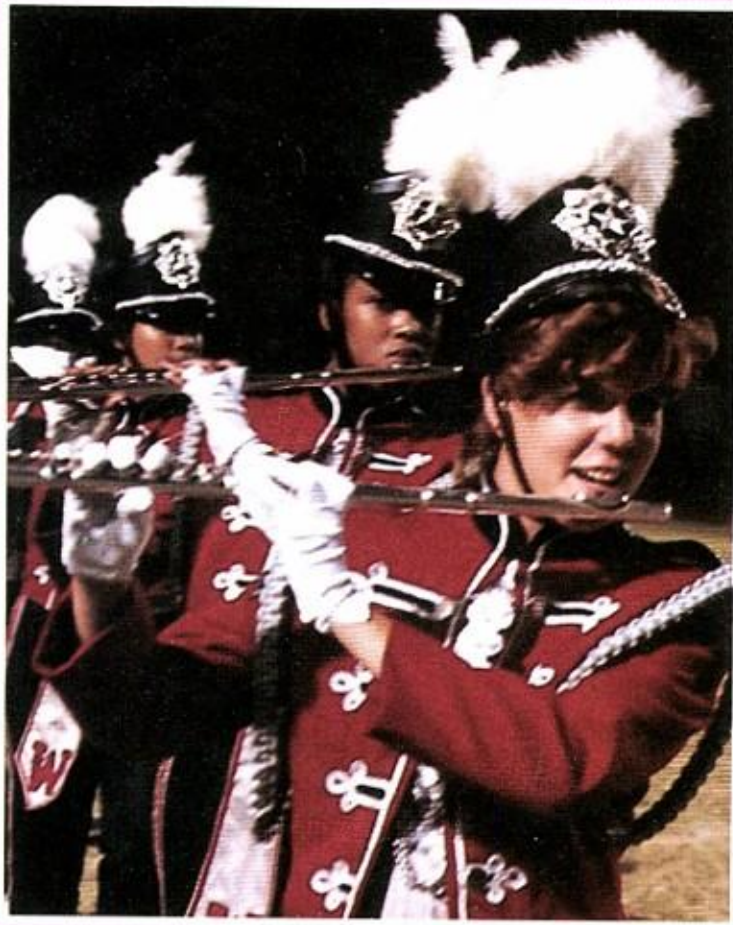

Groups

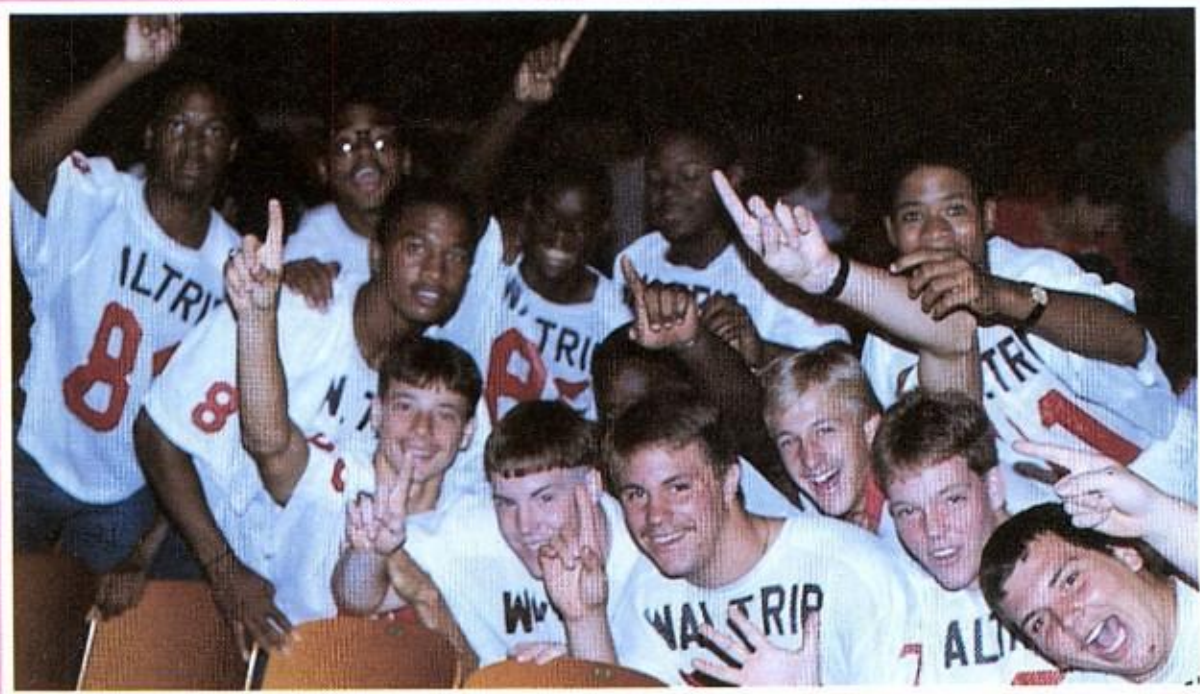

All are different, but the same

We have kickers, punkers, new wavers, rock-n-rollers, and all sorts of other characters running around. Although they may dress differently (sometimes strangely), inside them grows a great personality which is shared with everyone. Students at Waltrip have the chance to discover friendships that will last for the remainder of their lives.

Considering how uniquely different everyone is, it doesn't seem to be difficult to find a clique to belong to.

We had several interesting groups of people parading around our halls this year. Of course, our oldest and most popular groups, the Cosmic Cows and the Grapevines, continued to uphold their ranks this year. There were also some new cliques showing up. These included the Waltrip Rammers, the Slashers, the "Original" Gopher Girls, and many others. Many groups showed up later in the year also.

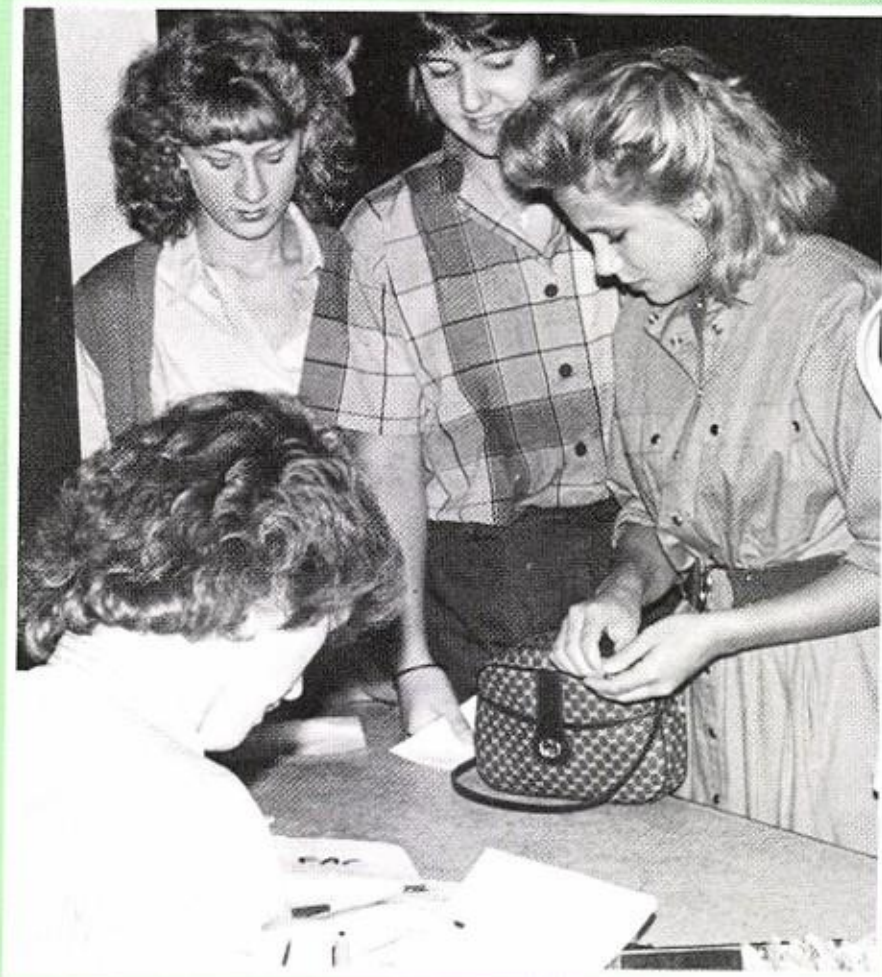

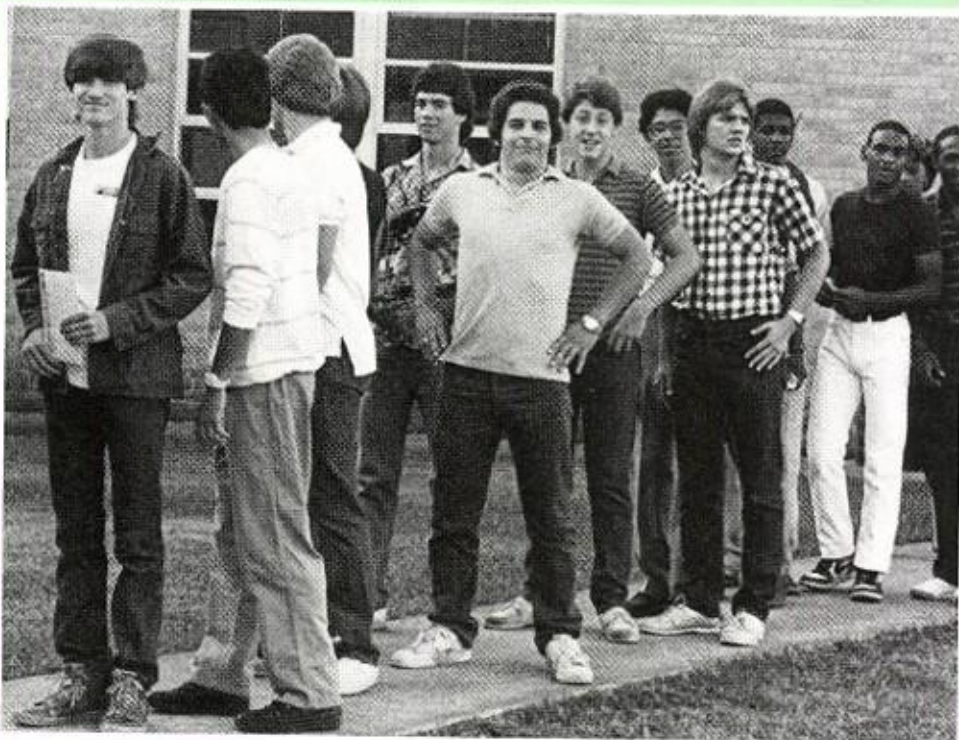

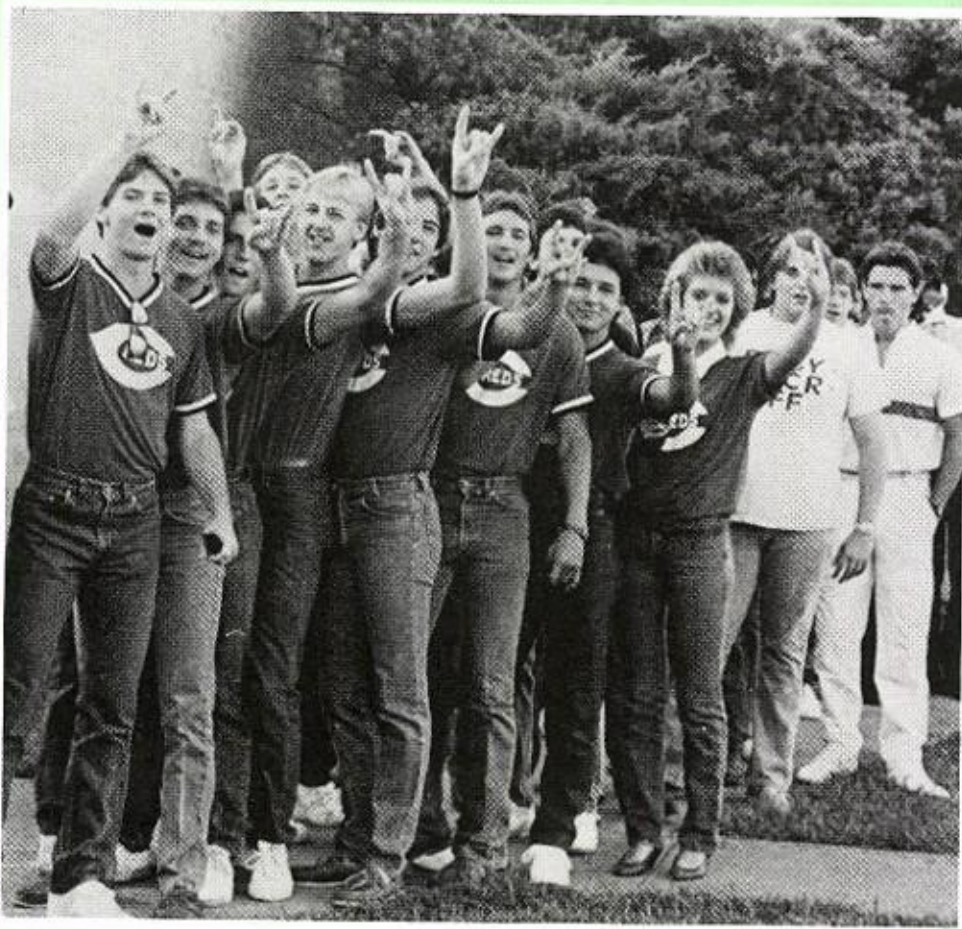

Students

Each keep Ram spirit alive

All of these coteries aided in giving imaginative students a chance to portray creative costumes and to take part in some wild and exciting activities. They really helped to keep our pep rallies live!

STUDENT LIFE

Students at Waltrip High have the special ability to unite with each other. Despite the differences in personality, or the cliques, or the individuals who choose to go their own way, Rams continue to support one another. We know that unity is essential to Waltrip's success!

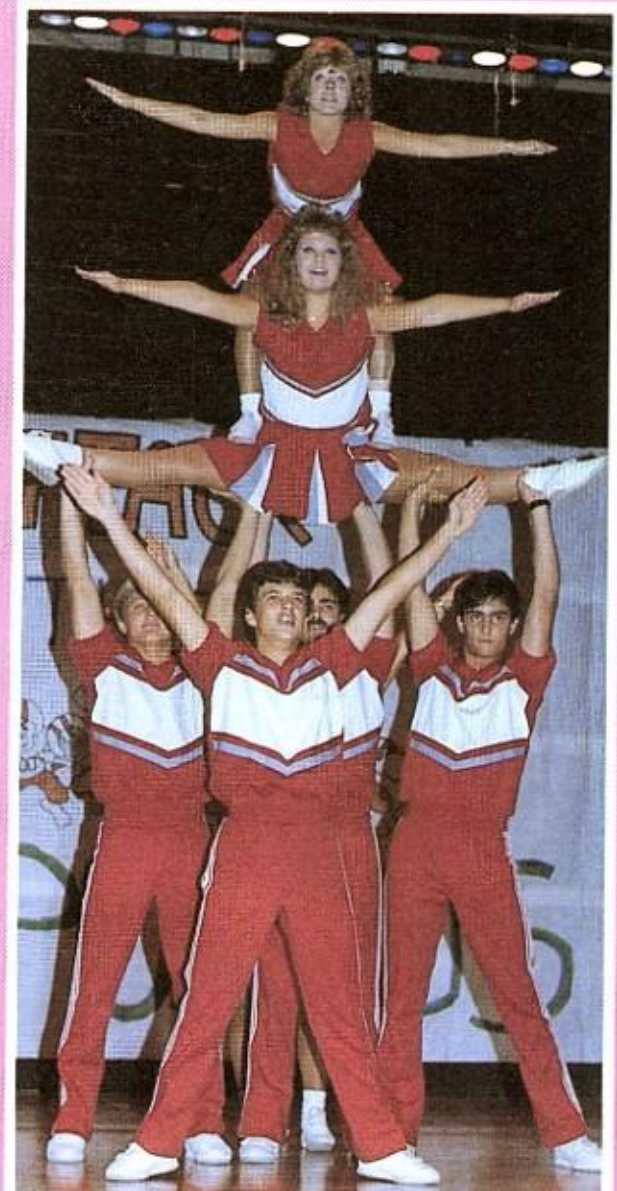

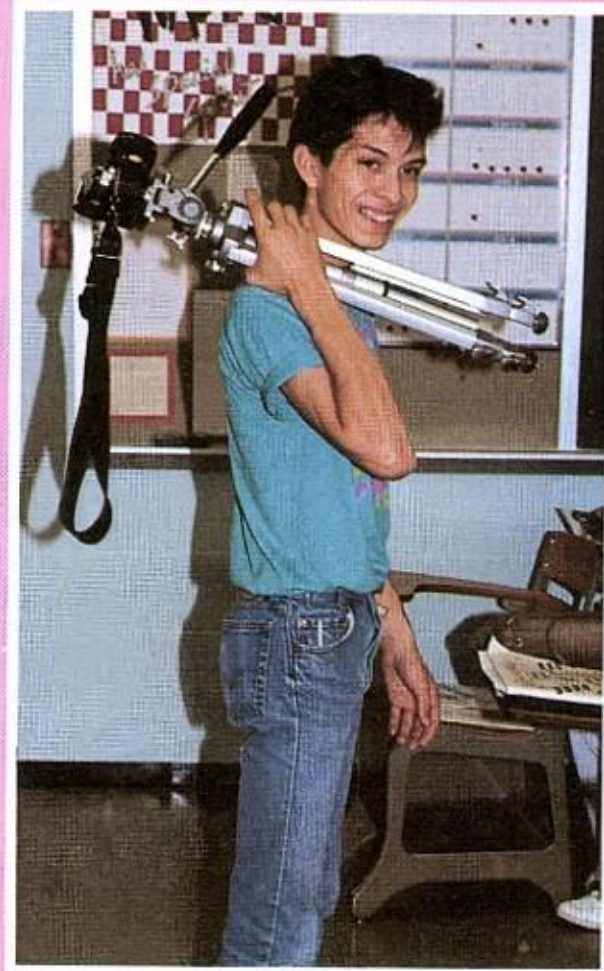

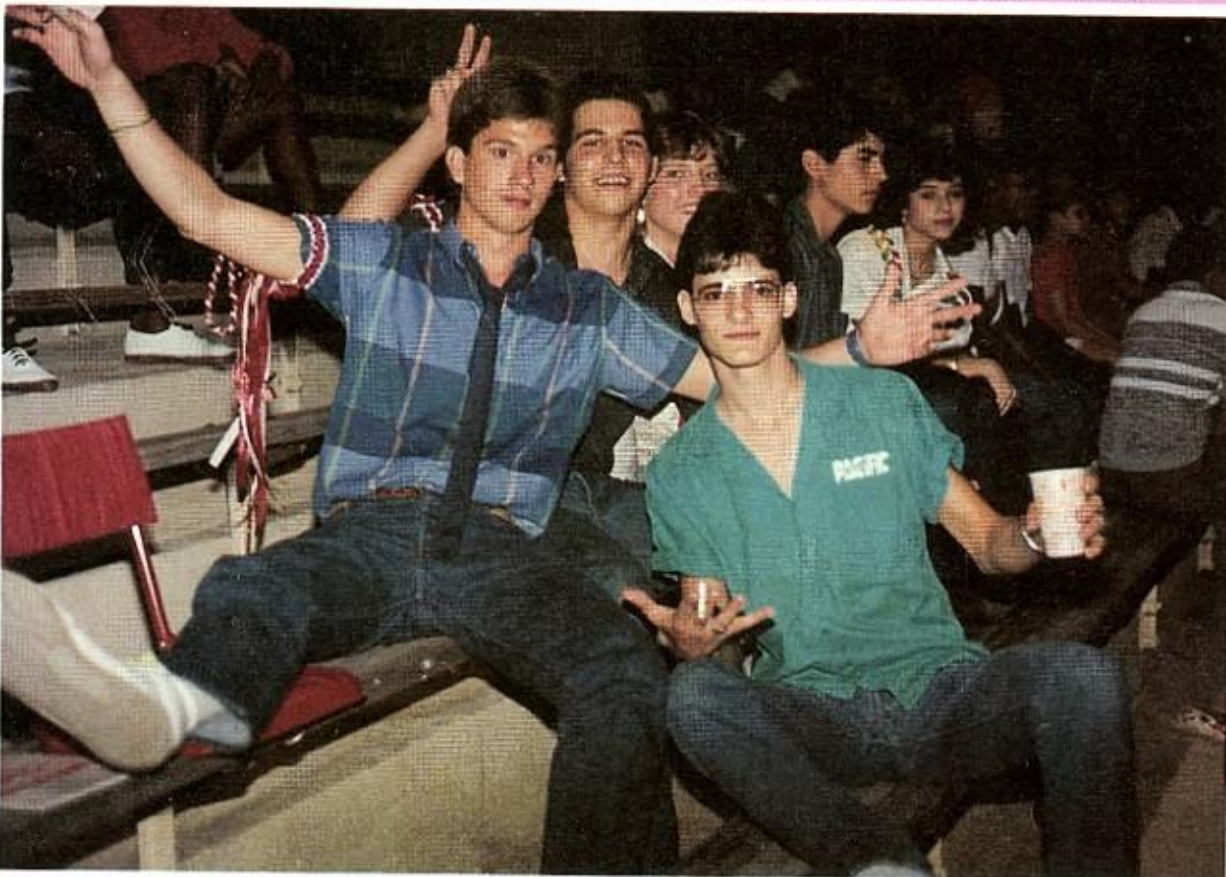

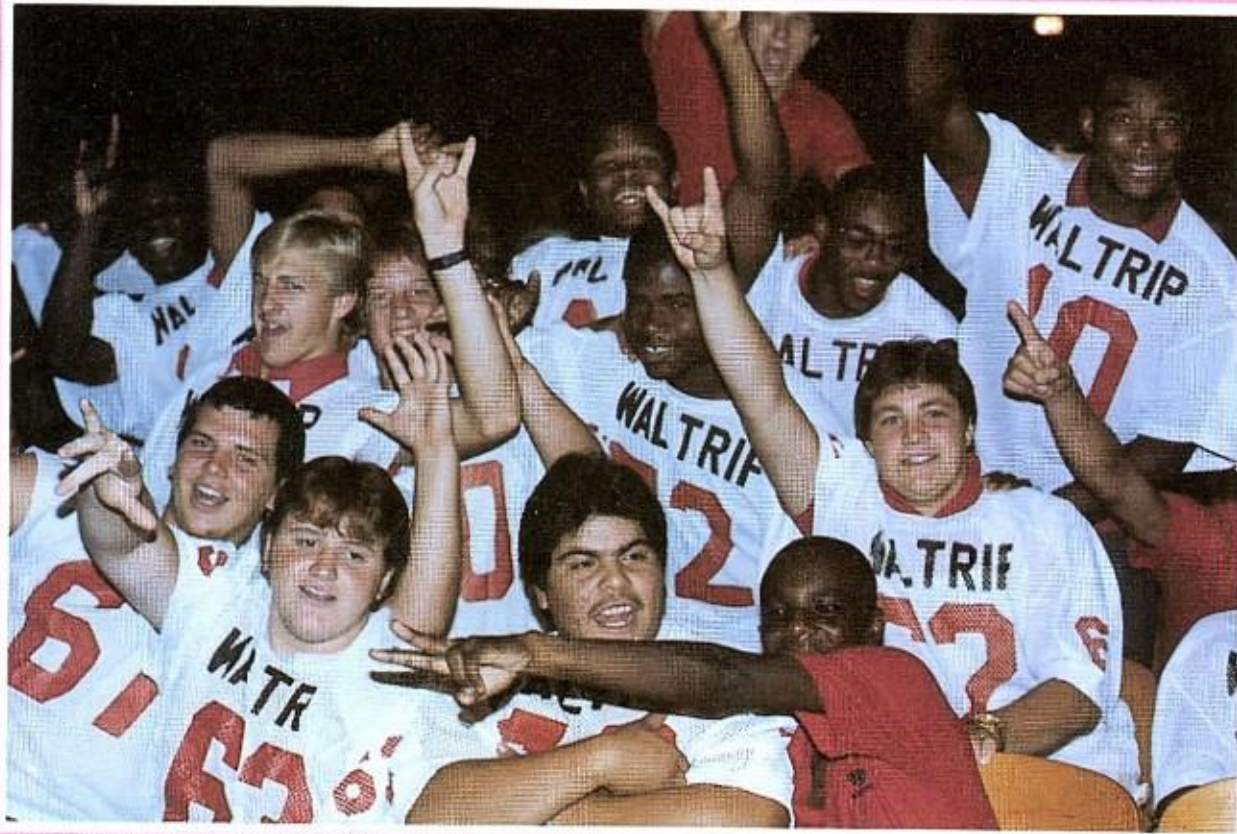

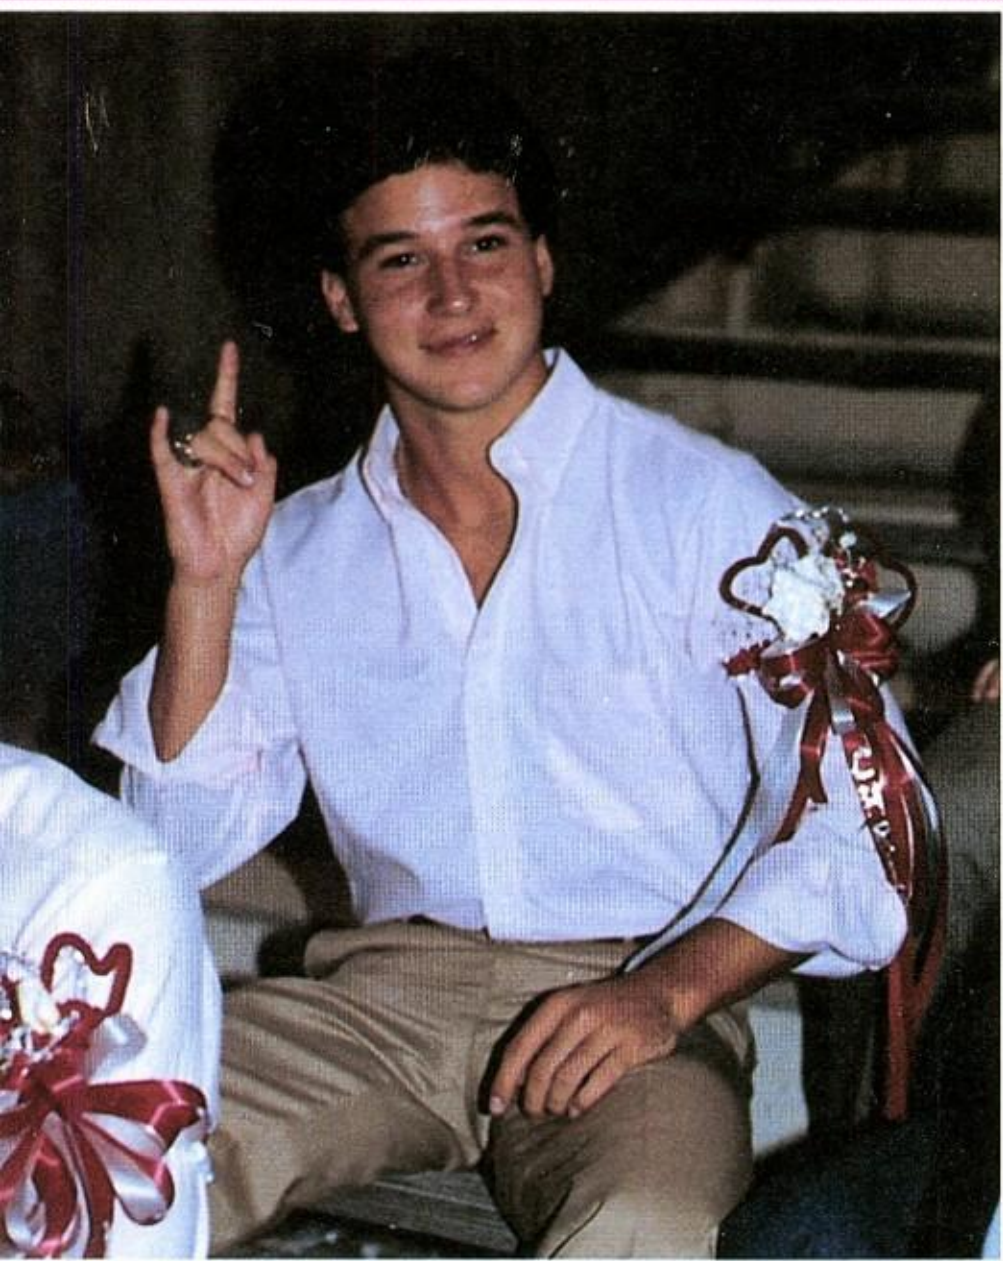

Spirit

Ram fans know how to show it

Spirit has always been one of Waltrip's best characteristics. Whether it is at a football game, a pep rally, or in the halls, the Waltrip Rams can be found cheering their hearts out. Embellished in red and gray, Ram fans carry their teams to victory by way of cheers, screams, and ear-ringing applause.

Every Ram wants to participate in keeping Waltrip Spirit alive. If a Ram does not belong to the famous Football Team, Rambling Roses, Flag Corps, or Band, he dons the school colors and supports his team in other ways. Not a single Waltrip student is left out. The fact is students will forever keep Waltrip Spirit ALIVE!

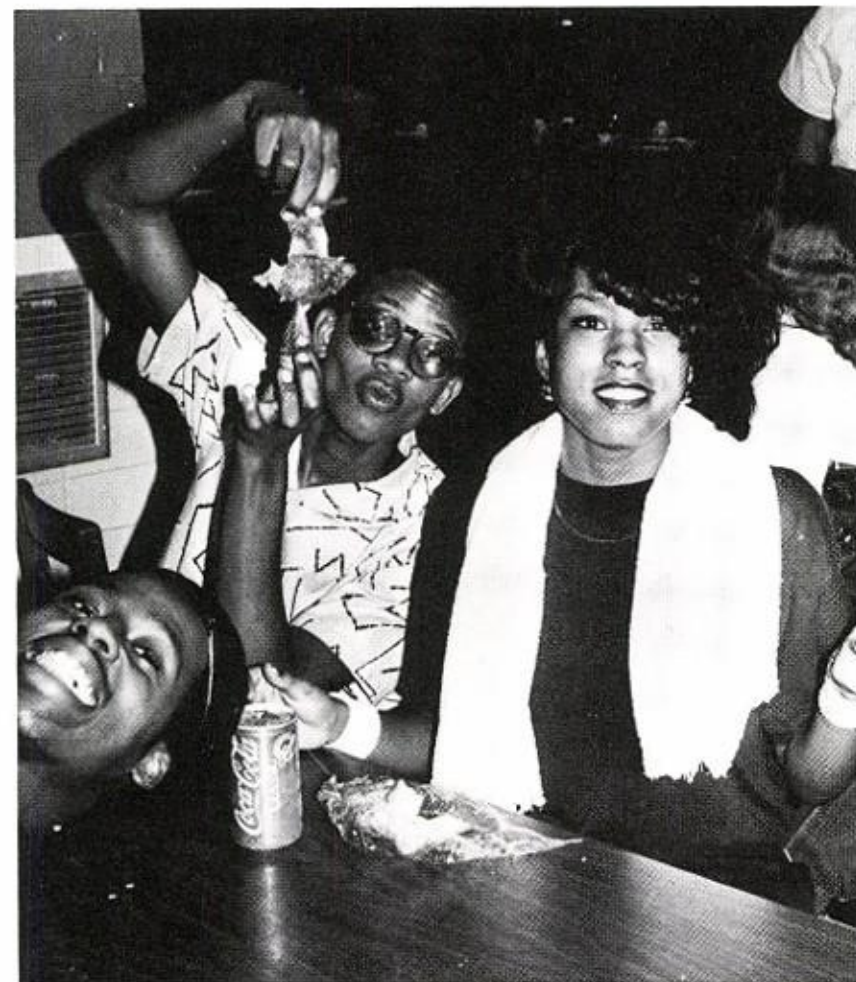

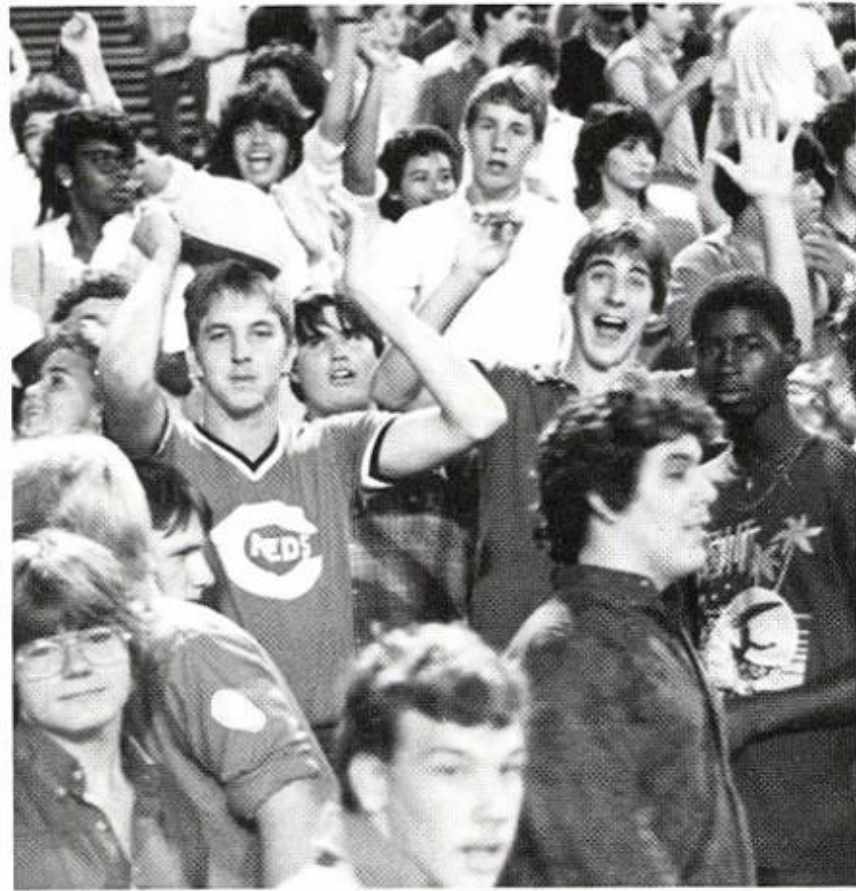

Individuals

Add the spice of life to Waltrip

Individuals are extremely important to Waltrip's development. No student has to belong to a clique in order to be a wonderful person. Each student has his or her own unique personality and way of doing things. It takes an individual to pass an algebra test, to score the winning run, or to win a debate in the school tournament. We are proud of all of our students because everyone represents Waltrip in an honorable way.

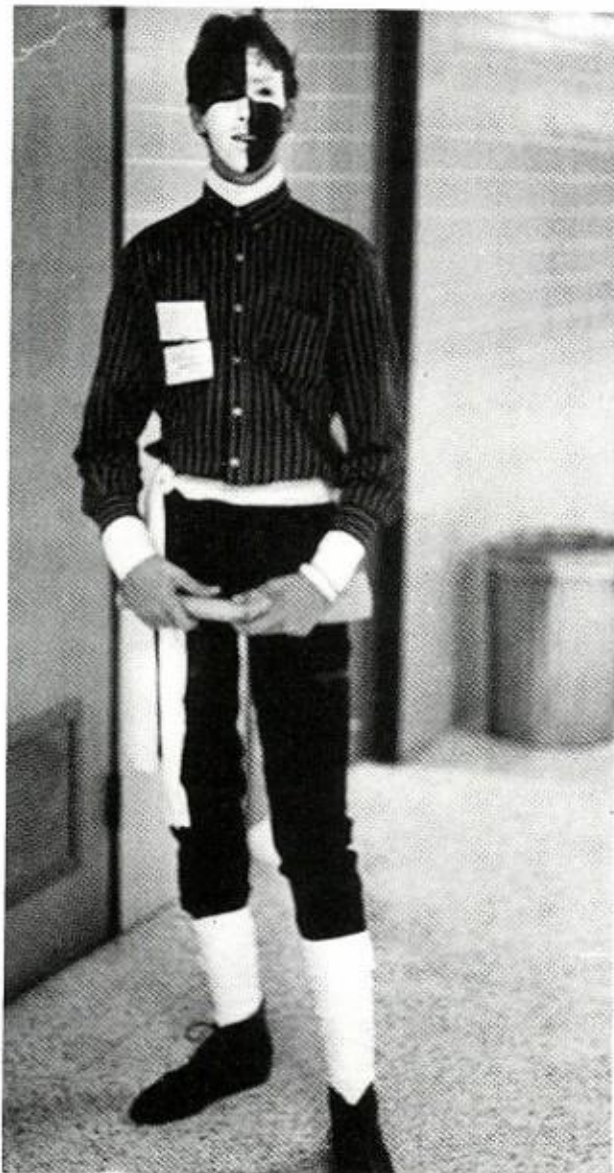

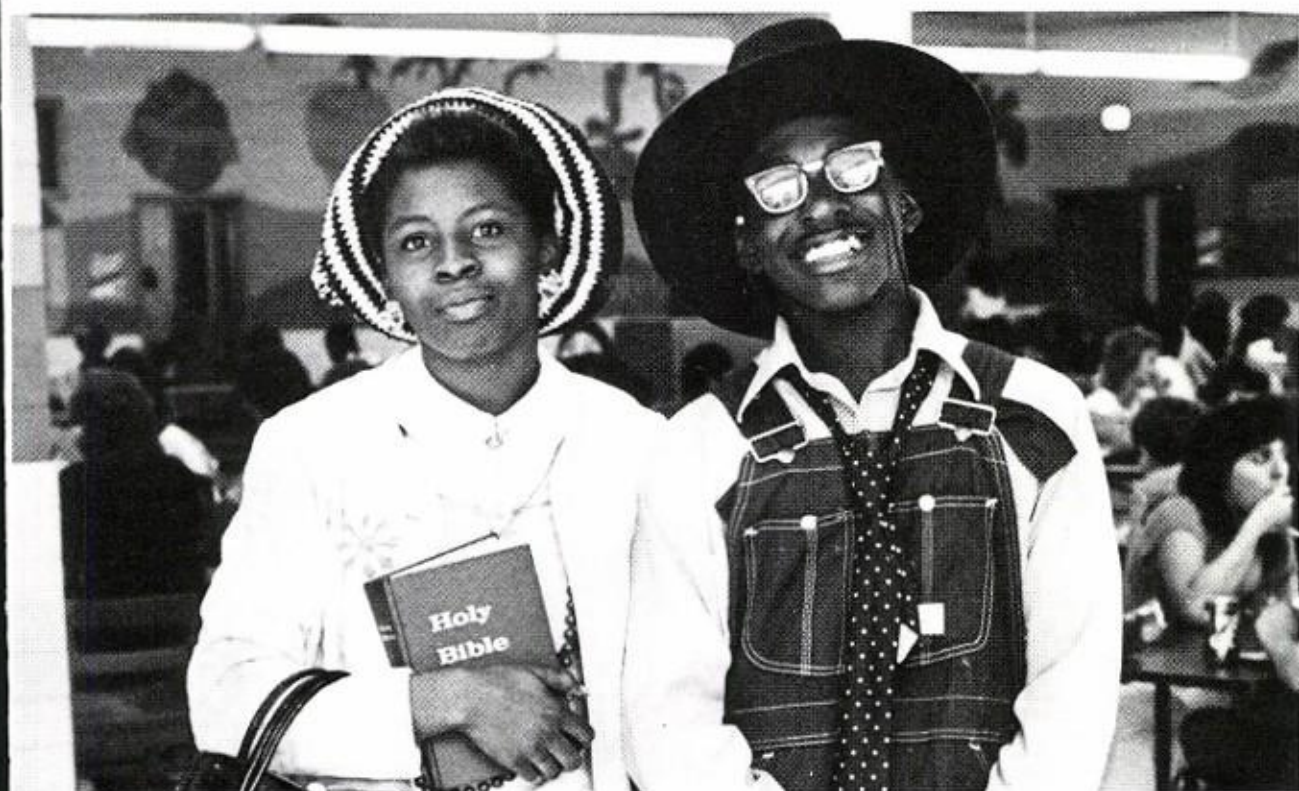

Spirit

Waltrip shows its true color

The Homecoming Game is always preceded by spirit week. Spirit week is a time when all students of Waltrip get a chance to either be themselves or do a little pretending. This year, the Freshmen dressed as babies and nerds. The Sophomores dressed as tourists and cowboys. The Juniors had Fantasy Day and Career Day. The Seniors had New Wave and Old Lady and Old Man Day. Friday was Red and Gray Day for all.

Weeks before the game, the band, flag corps, rambling roses, and football team prepared for our homecoming game. With anticipation, the entire school looked forward to the game with Scarborough.

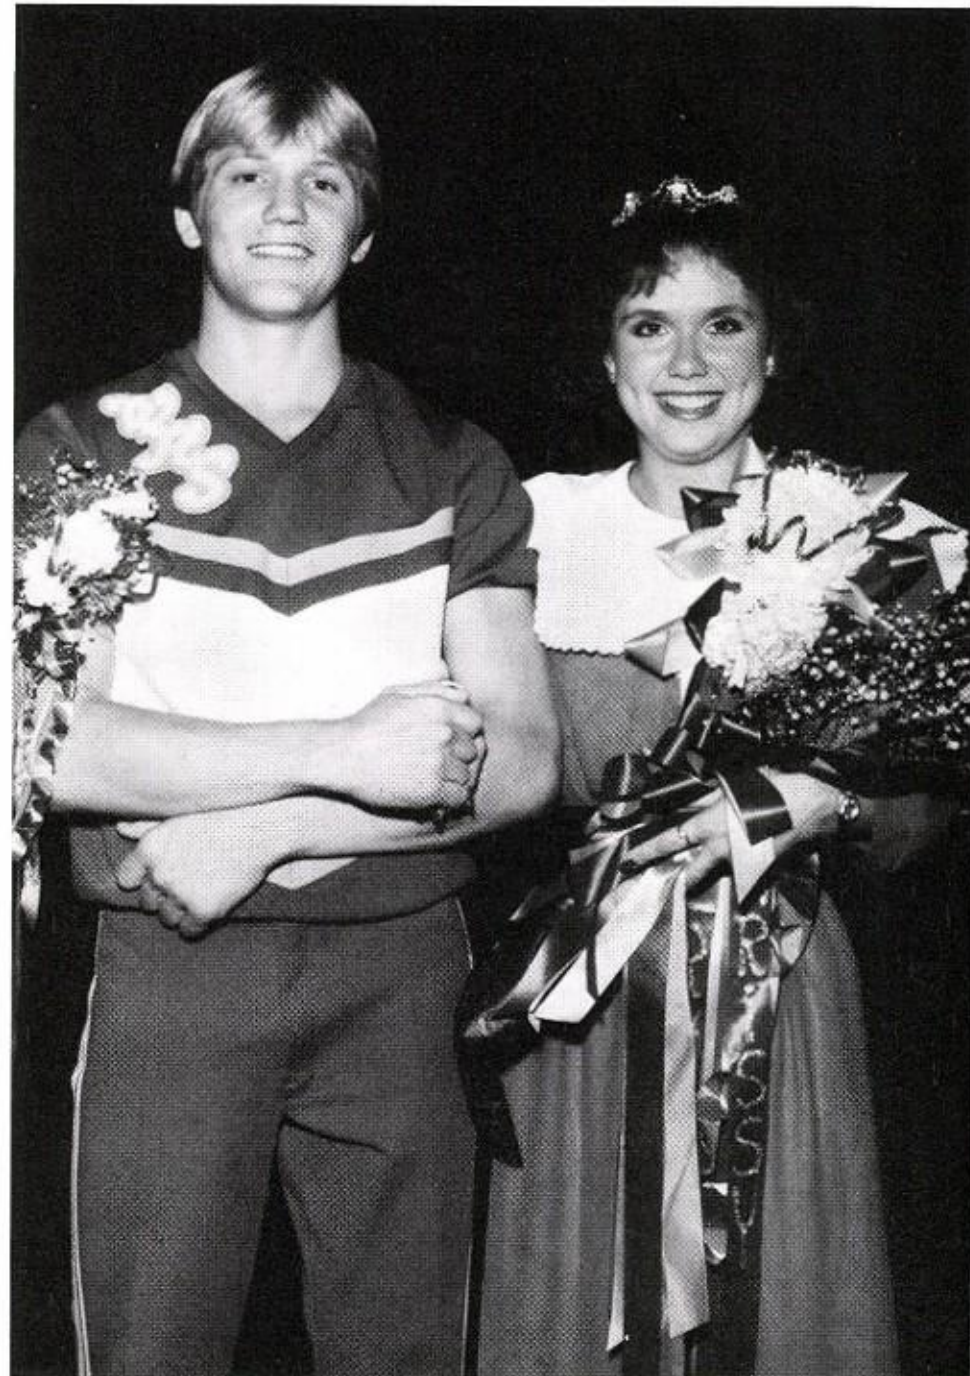

Homecoming Queen

Christine Bilnoski is crowned Queen

Waltrip's Homecoming Court turned out to be as attractive this year as it has always been. Although the competition consisted of many Senior beauties, the student body managed to choose some outstanding girls to represent Waltrip in our Homecoming festivities. We were all happy to see Christine Bilnoski crowned as the 1985 Homecoming Queen.

Enthusiasm

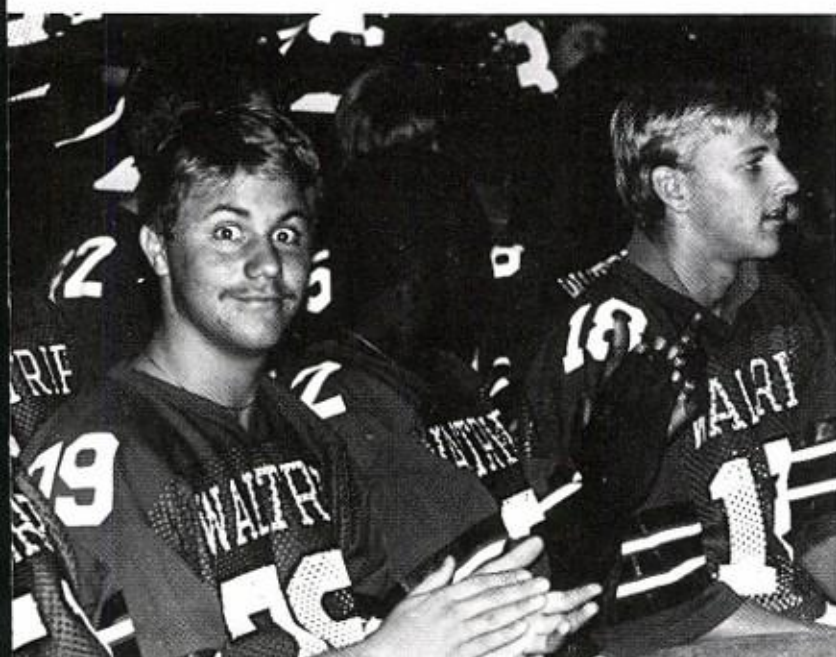

Waltrip students cheer on the Rams.

This year, Pep Rallies sparked spirit in everyone. Rowdy students were usually louder than the cheerleaders! Everyone shouted, clapped, sang, and chanted during every pep rally. Even when students were forced to sit one person to a seat, they still cheered loudly. Nothing gets in the

way of Waltrip Spirit!

Outside, with the freedom to sit or stand wherever they wished, Rams watched as the cheerleaders bravely danced and cheered on top of the roof. With help from the Silks and the Roses, the Cheerleaders kept the spirit ALIVE!!!

Waltrip Band

First annual Spaghetti Dinner held.

This year the Waltrip Band sponsored their first annual Spaghetti Dinner. The spaghetti was great — no one could get enough! During the evening, the audience was entertained by performances from the Band and the Silks. The Hamilton Middle School and Clifton Middle School bands also played. Mr. O'field led a successful auction which was fun for everyone. We're looking forward to another banquet next year.

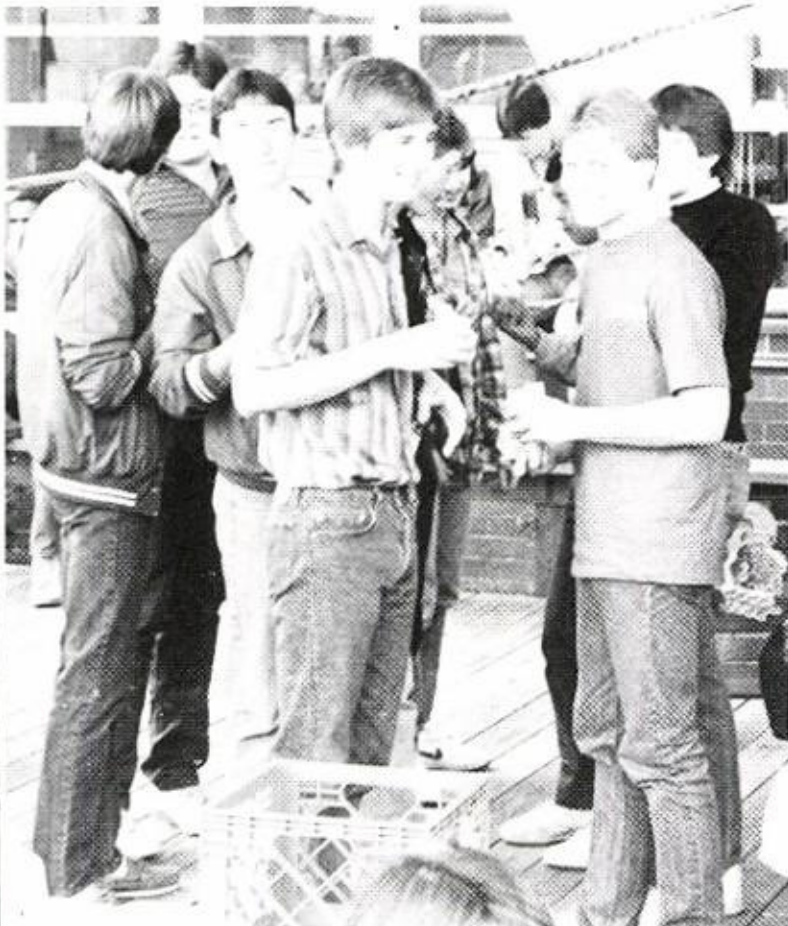

Honor Society

Students gain recognition
for good grades

Every six weeks, the Honor Society sponsors a breakfast for students with honorable grades. This year the breakfasts were held on the patio. They are held to show appreciation

to the students for doing well in their classes. Students must have all A's with no more than two B's to be eligible. We are all proud of the accomplishments of these students.

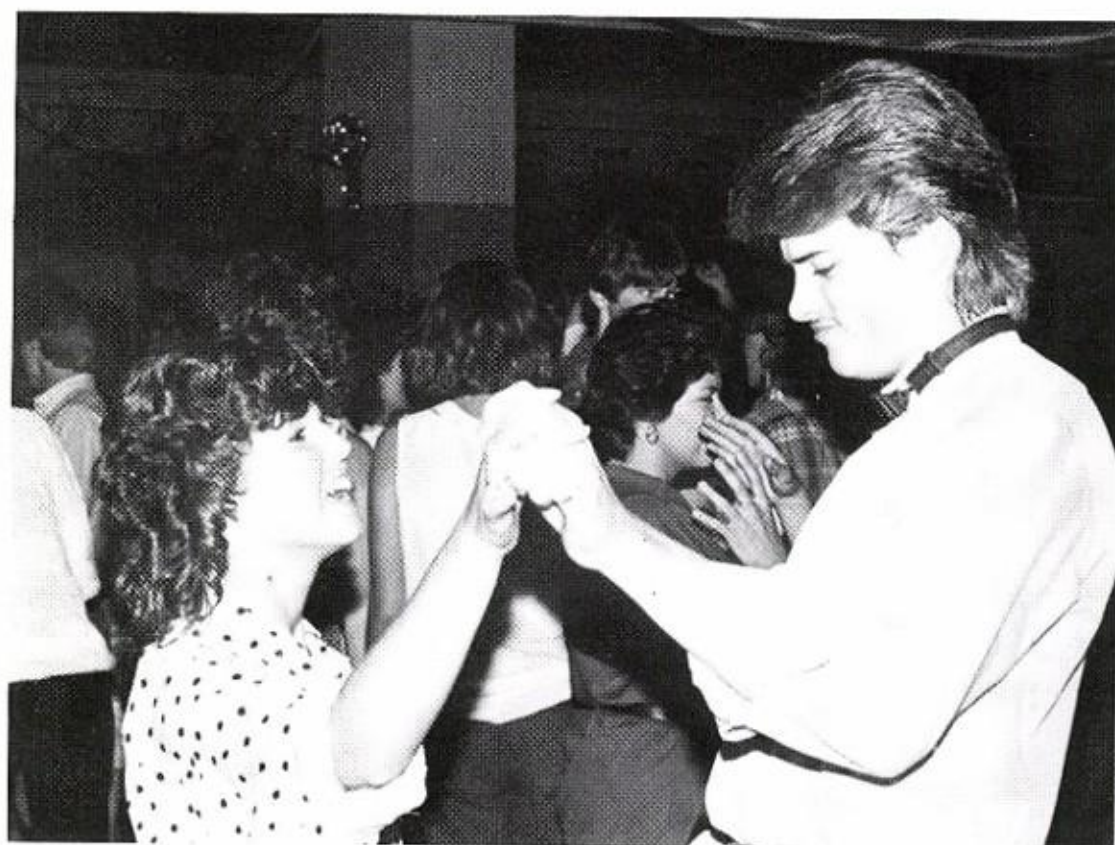

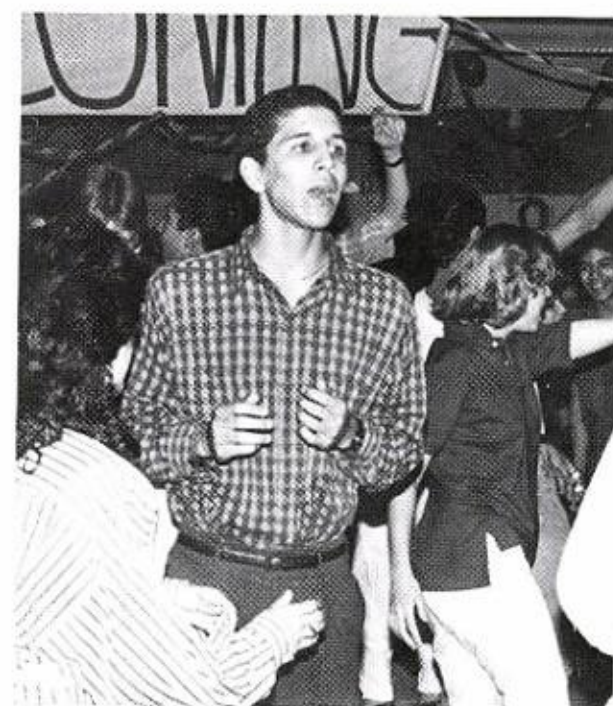

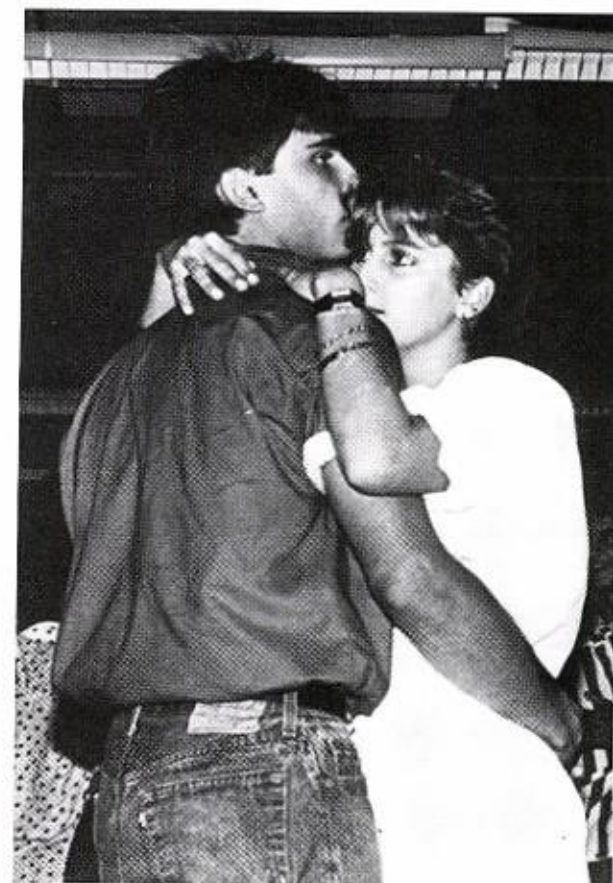

Homecoming Dance

Seniors host first dance

Waltrip's Senior Class kicked off Homecoming Week with a Dance on October 19. This event was a great turnout. The dance started at 7:30 and lasted till midnight. The seniors

decorated the cafeteria with colorful posters, balloons, and streamers. The D.J. selected played a great variety of music displayed with music videos.

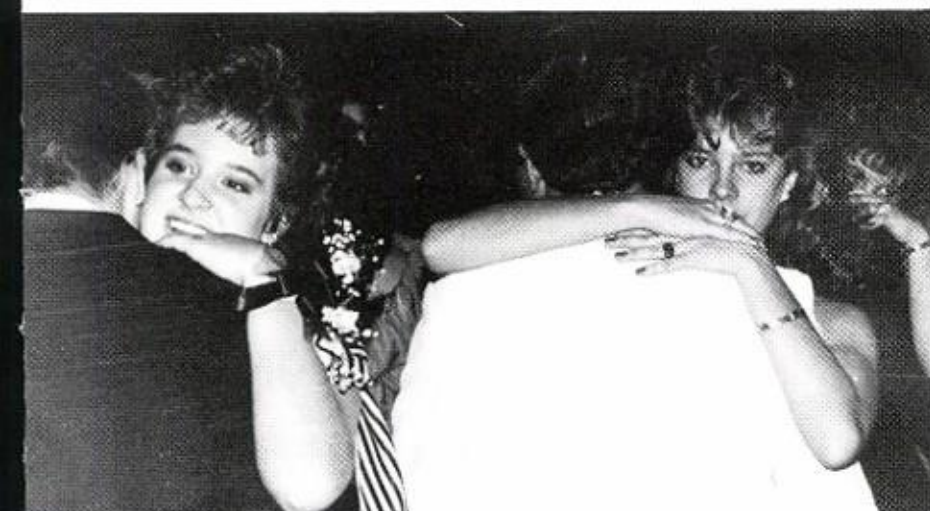

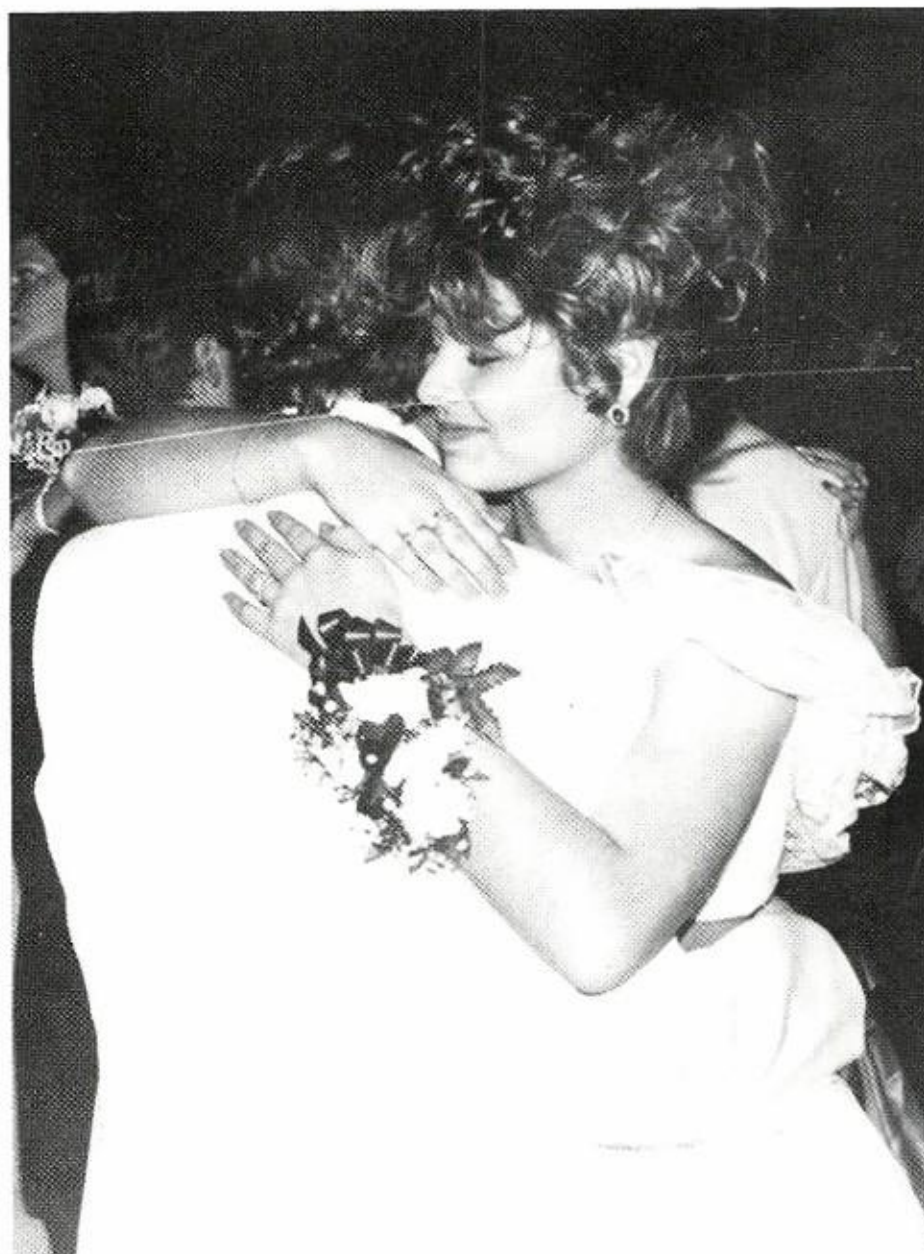

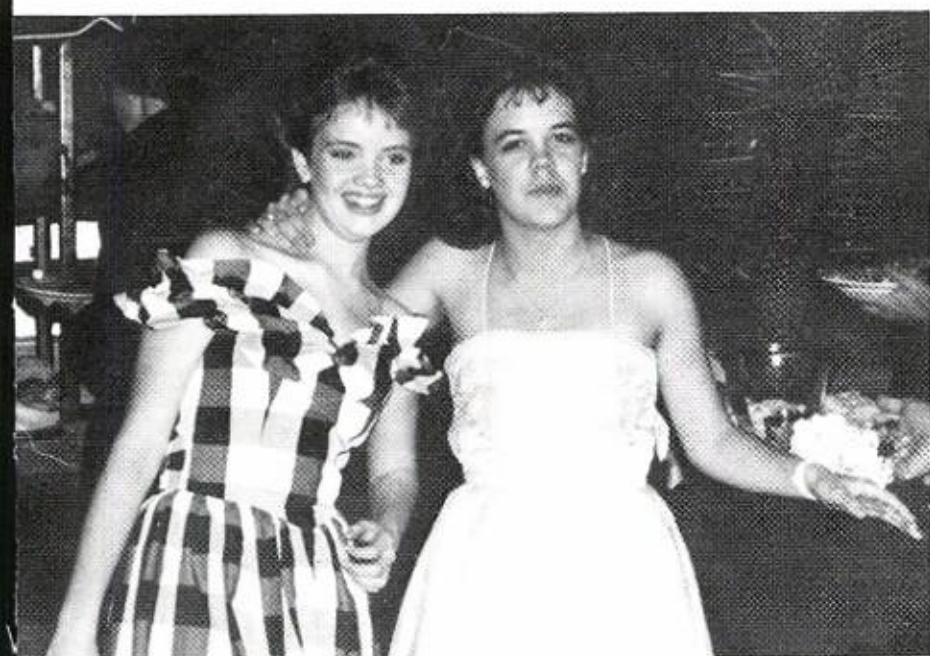

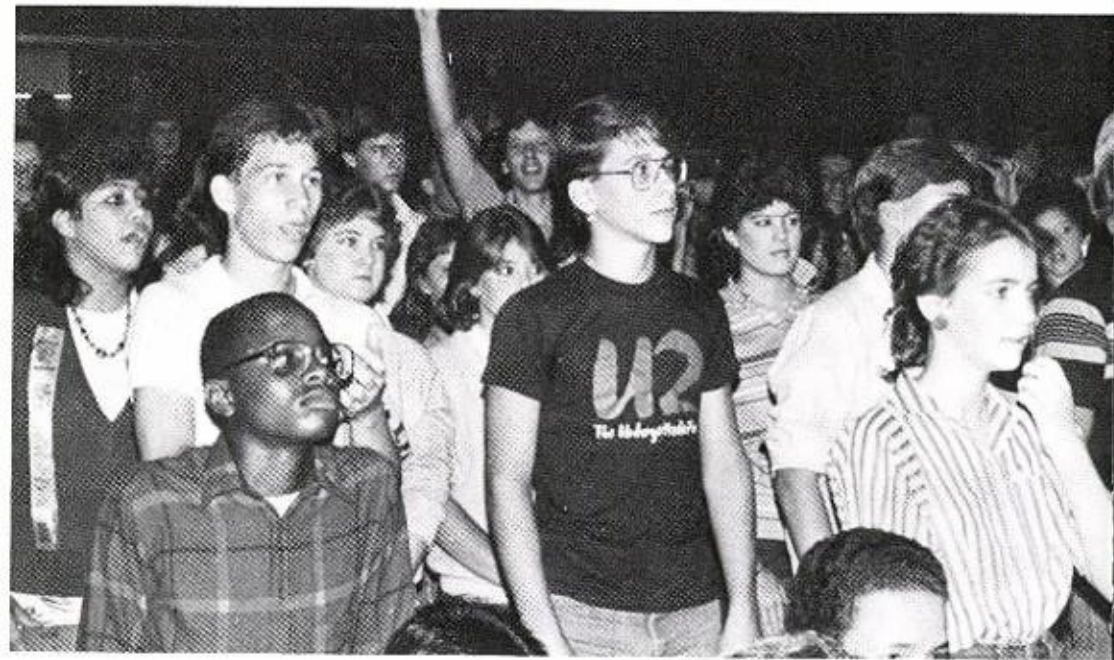

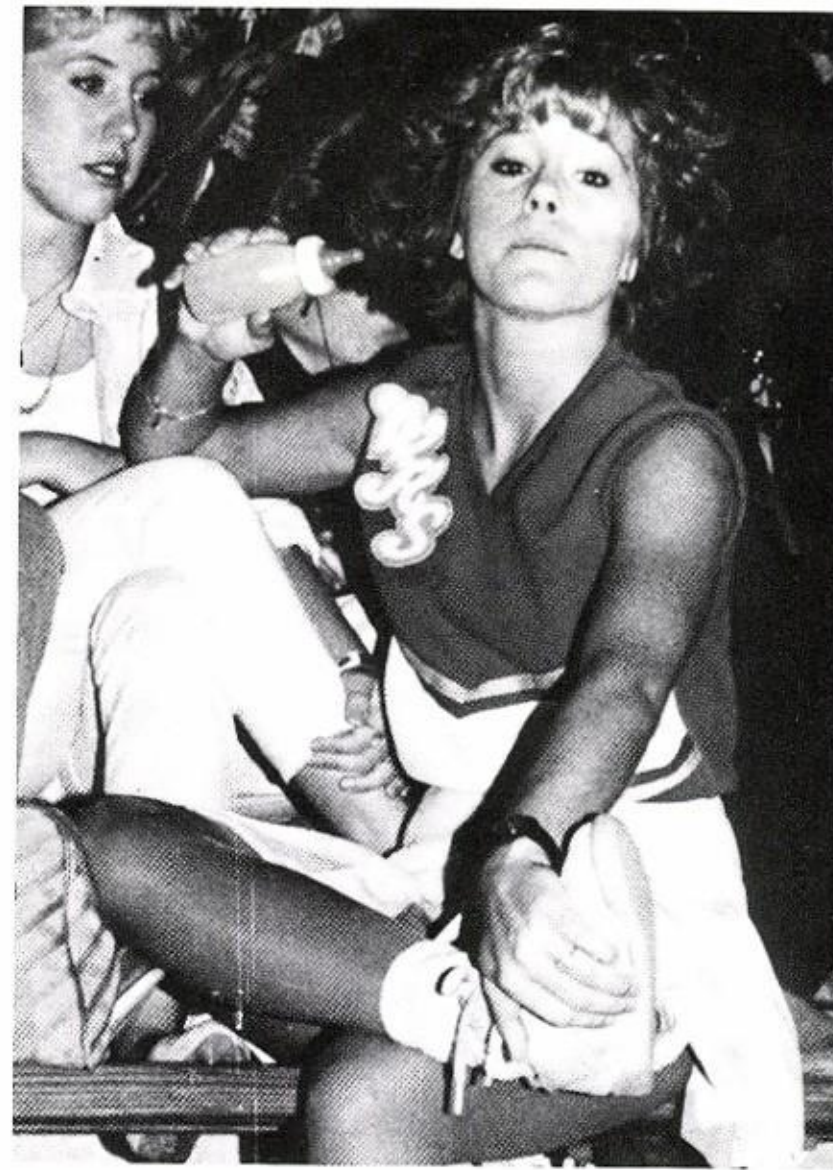

Rambling Roses

The Annual Celestial Ball was held

The Rambling Roses annual Celestial Ball was held on December 5, 1985 at the Hyatt Regency downtown. It was exciting for all the Roses because it was a time in which

they could relax after a long busy football season. It was a fun-filled night of eating and dancing for all who attended.

Memories

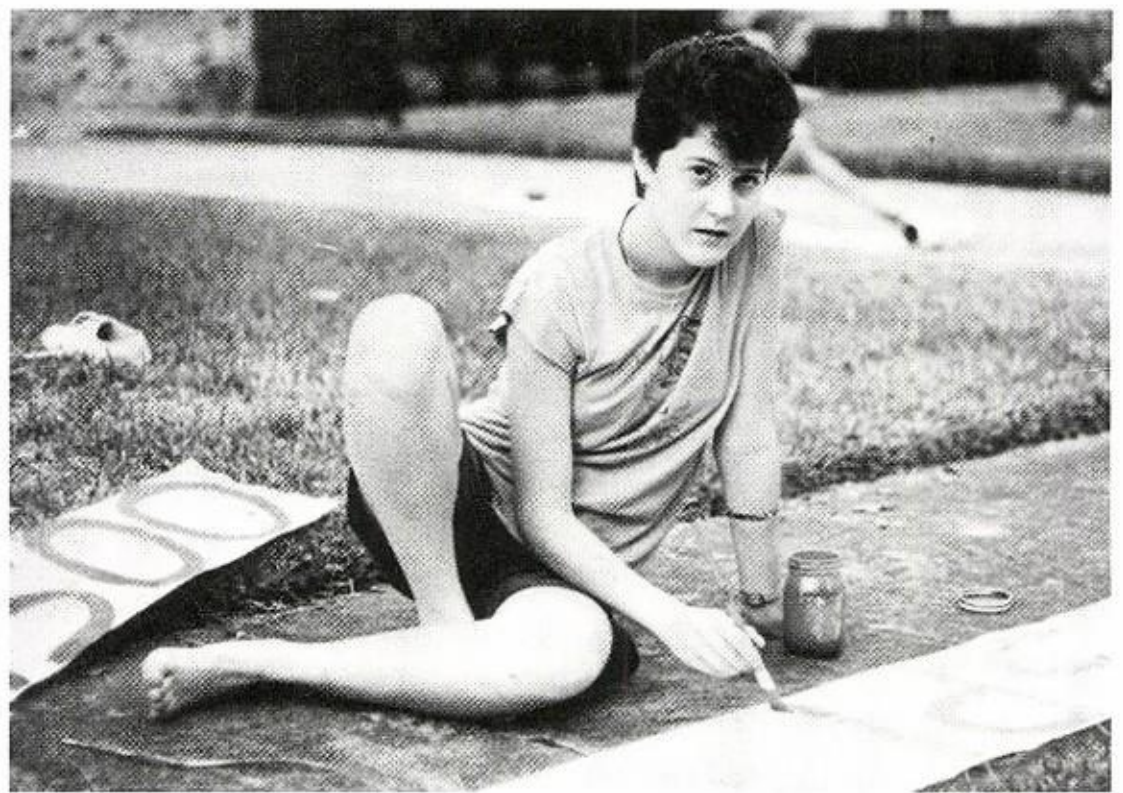

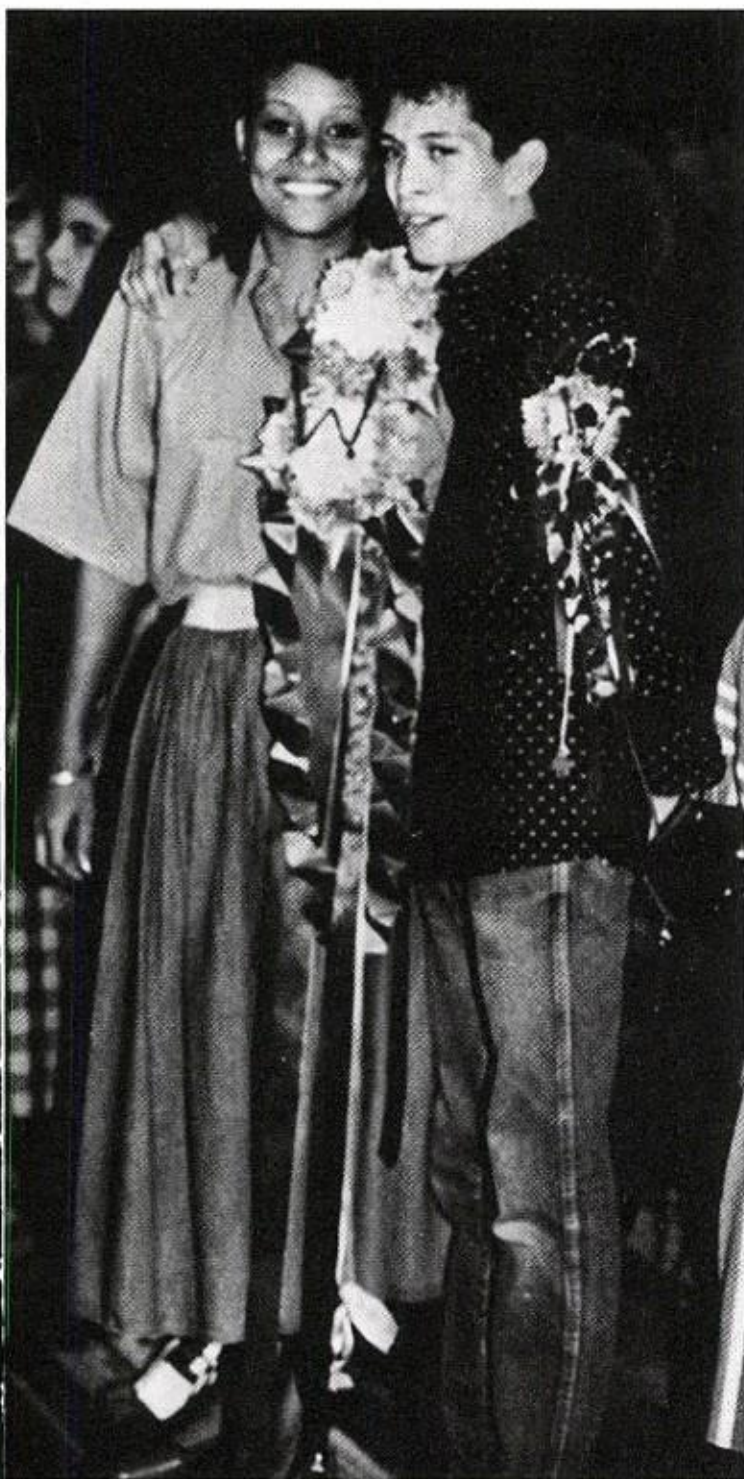

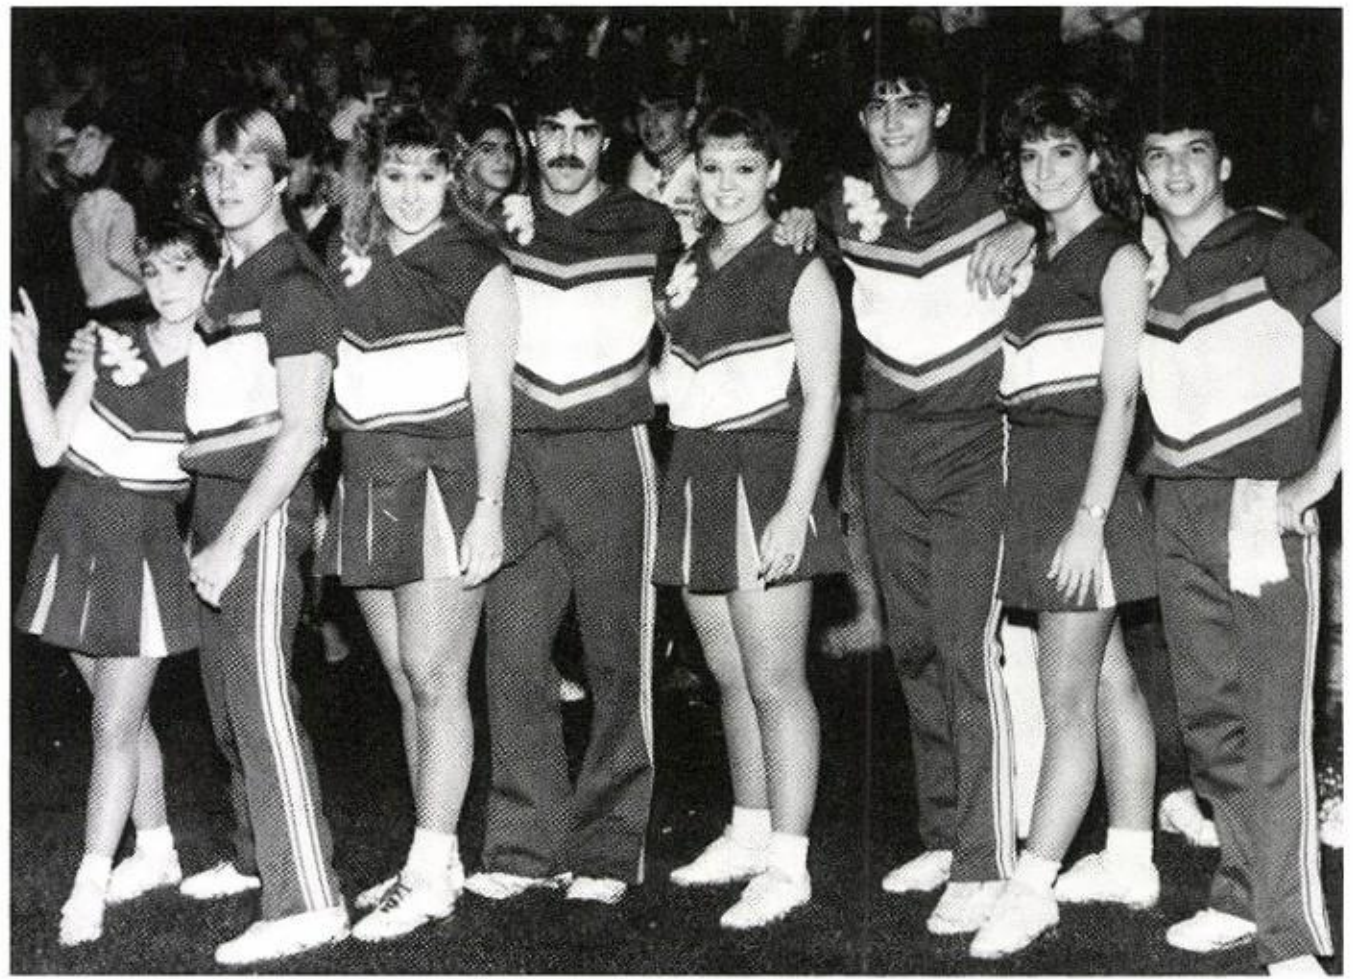

Looking back on "The Best Years of Life"

High school is commonly labeled as "the best years of your life." At Waltrip, this is true. So many memories are created and so many

friends are made, that it makes life at Waltrip High School completely unforgettable. Regardless of how much a student desires to finally graduate,

he will miss Waltrip tremendously. It is guaranteed that Rams will look back on Waltrip with a SMILE!

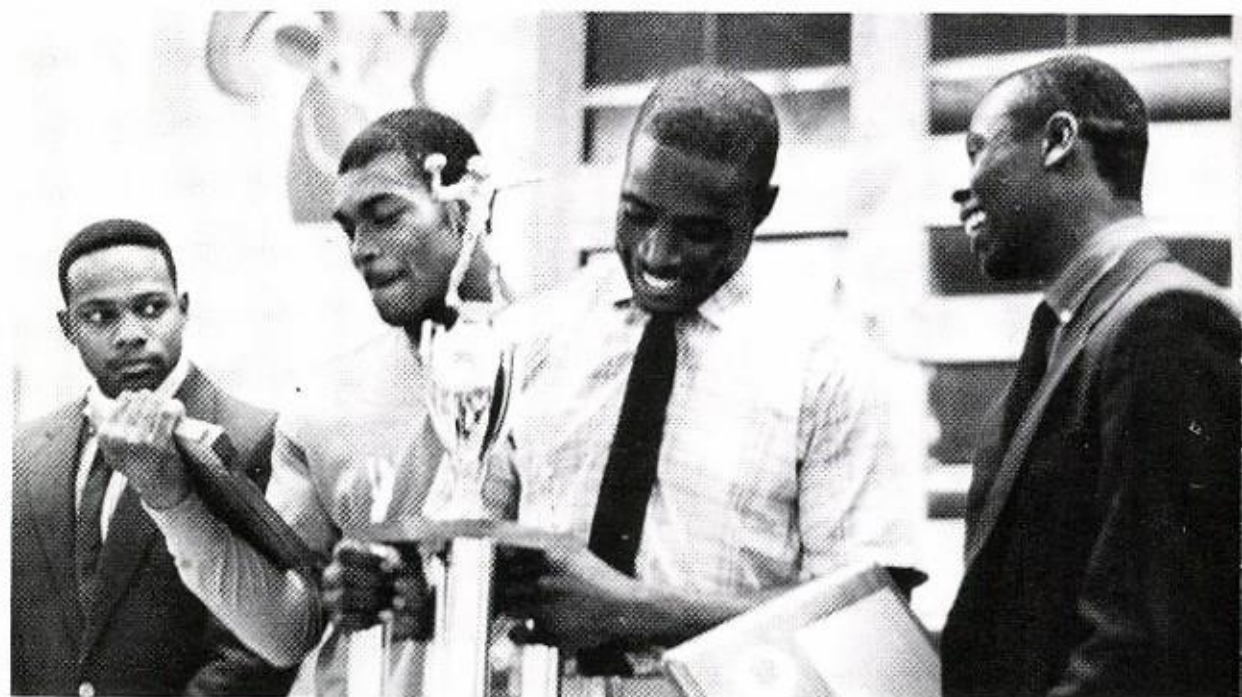

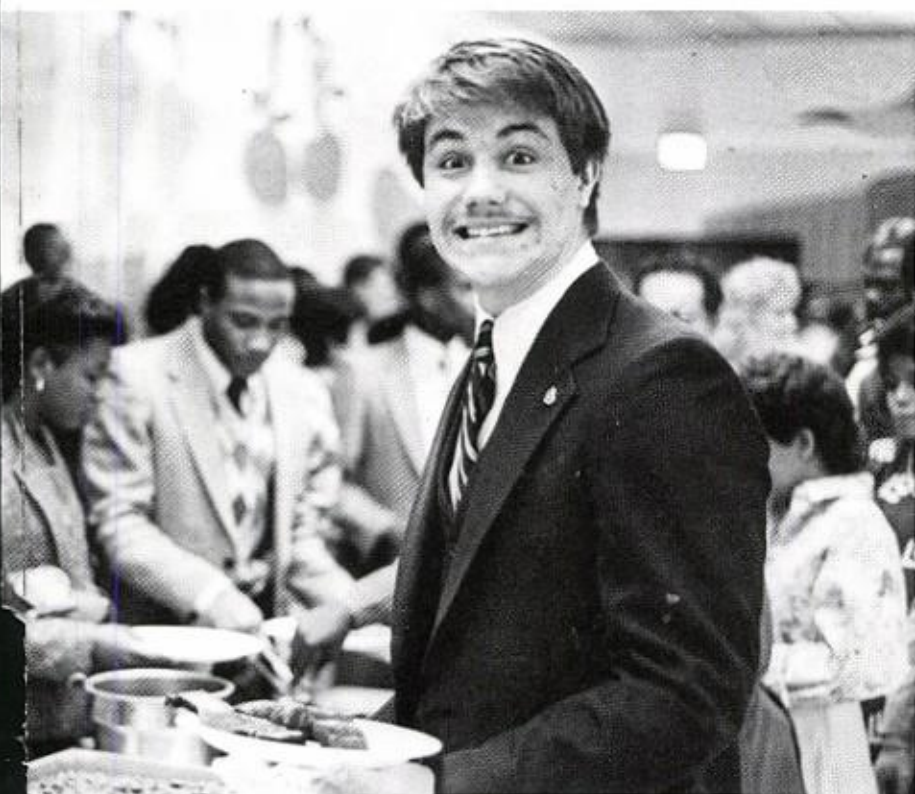

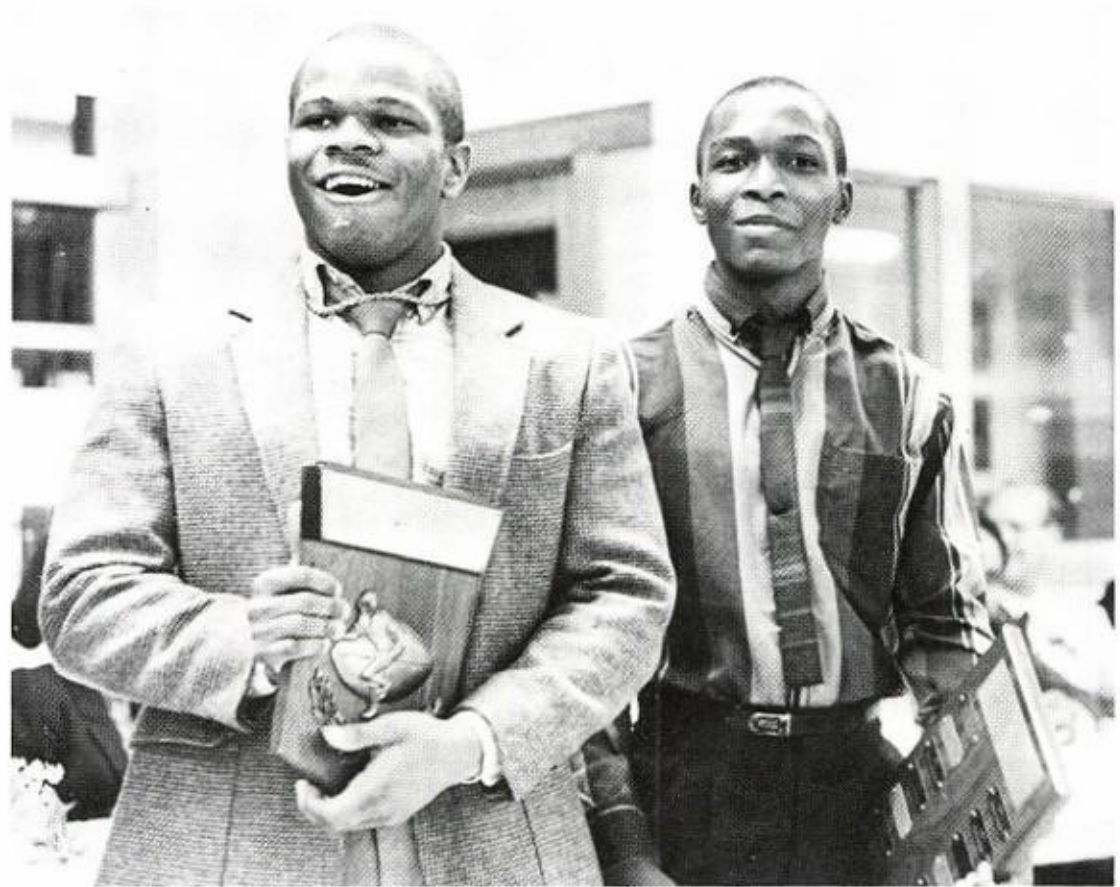

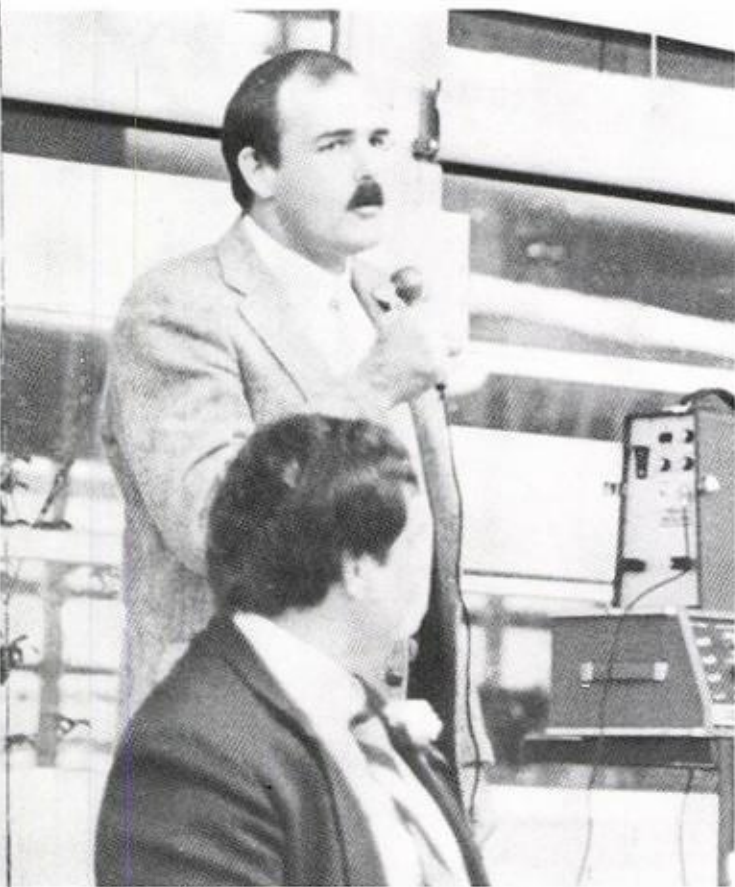

Football Banquet

Valuable athletes were honored

This year, members of the Waltrip football team were honored once again at a banquet sponsored by the booster club. This year's guest speaker was Bryant Pool, an assistant coach at Rice University. The speech he gave inspired the players about winning.

People attending the banquet were Principal Ofield, coaches, parents, graduates, football players, cheerleaders, and ramhandlers. Presenting this year's awards was Coach Barron. The awards were presented as follows: Most Valuable Offensive Back: Michael Dorsey, Most Valuable Defensive Lineman: Horace Perkins, and Most Valuable Defensive Back: Jeffrey Bogan. The award for the King of Hitters went to both Johnny Eaton and Leric Eaton. Both Ronald Sessions and Shannon Frazier received awards for the Most Spirited Player. James Birdsong received the award for Scholastic Achievement. Lee Durham was named Most Valuable Player for the 1985 season. Congratulations to these superb athletes!

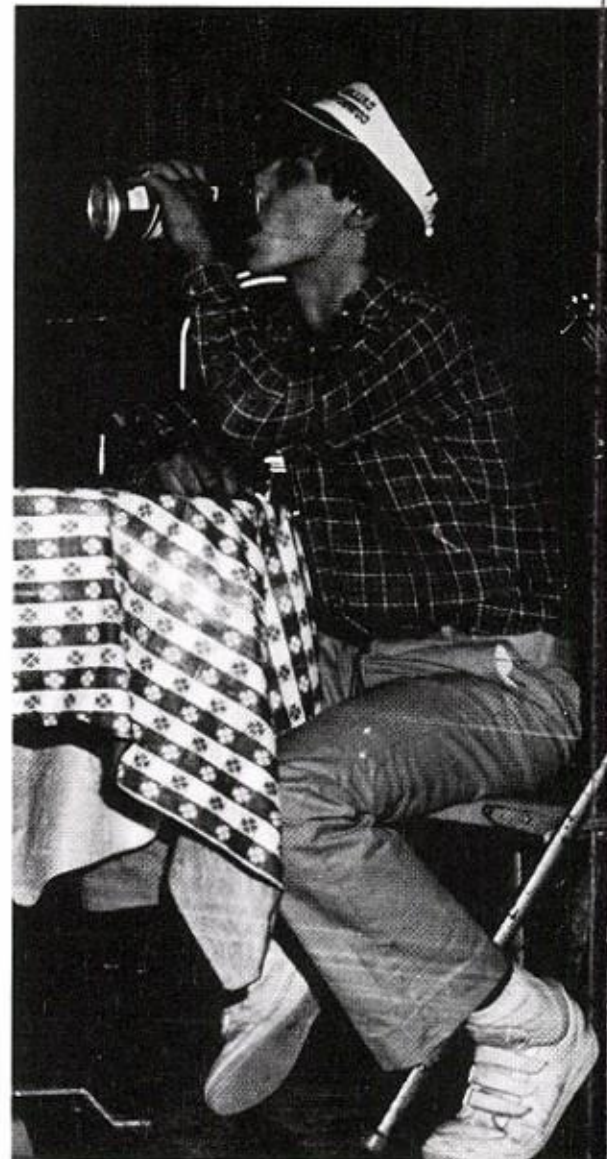

Drama excites students

The Drama class has certainly done a terrific job of getting it together. Waltrip's Little Theater has some amazing students working together. Ms. Harper and her students have put on a play which was very much different than last year. The play was

"Luann Hampton Lavery Oberlander," written by Preston Jones. It was put on December 13th and 14th in room 100. This play was different from any before because each act, one through three, had different actors, acting each part.

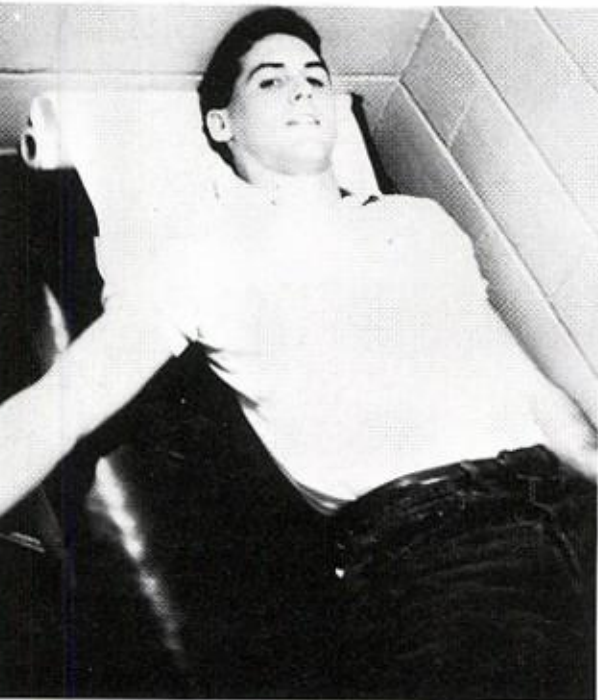

Blood drive

Donors save lives

The Blood Drive is an annual event sponsored by the Student Council. It was held on February 28th. In order to give blood, students had to be at least eighteen years old, or seventeen with their parents' consent. Although it was tough for some peo-

ple to get enough nerve to give blood, they found that ten minutes of their time were worth the possibility of saving another's life. Congratulations to all of the brave Rams who sacrificed their blood to help others in need.

Santa Grams

Students welcome the returned tradition

This year Waltrip students welcomed the return of the Santa Grams. Clad in hats, sunglasses, and strange costumes, students roamed the halls and sang to other students

and teachers. The halls were filled with excitement and music. The various group names included The Grapevine, The Slashers, The Gopher Girls, The M&M's, Santa's Silks, and

The Bandits! Hopefully, we will continue to have Santa Grams from now on, because they are so much fun for the students and teachers! It was a successful event for the Senior Class.

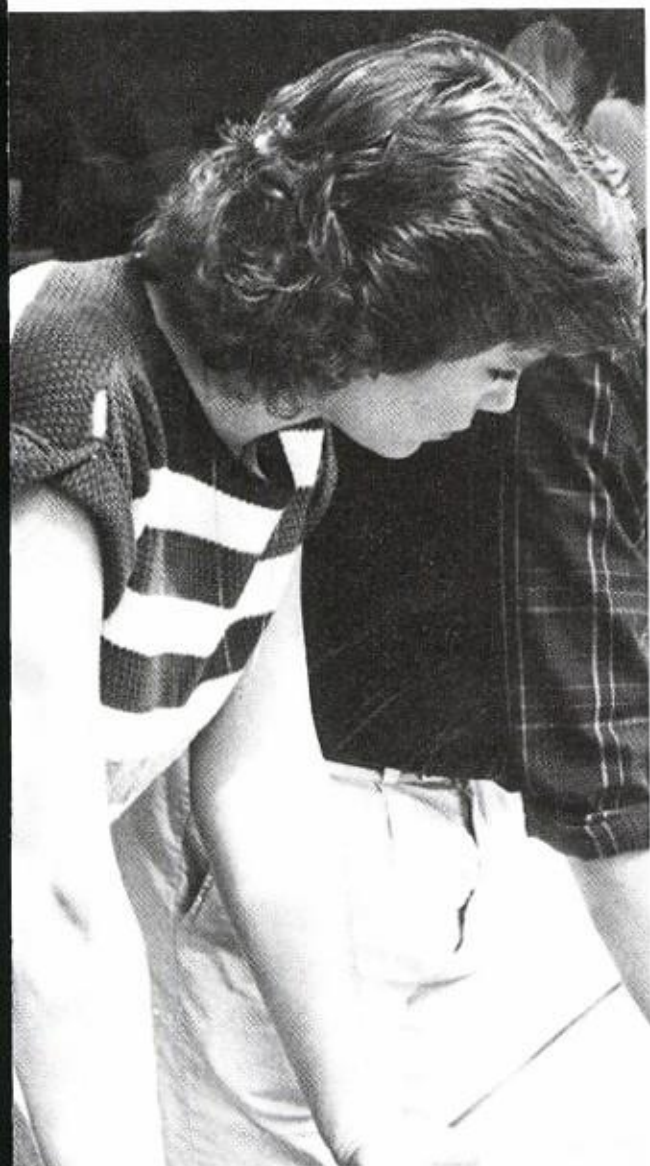

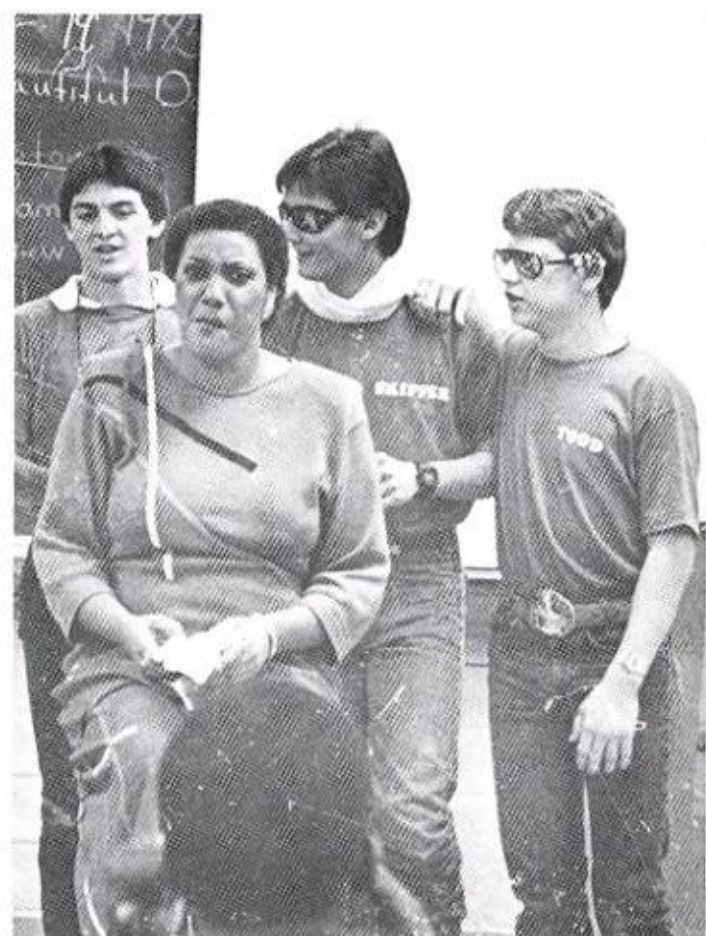

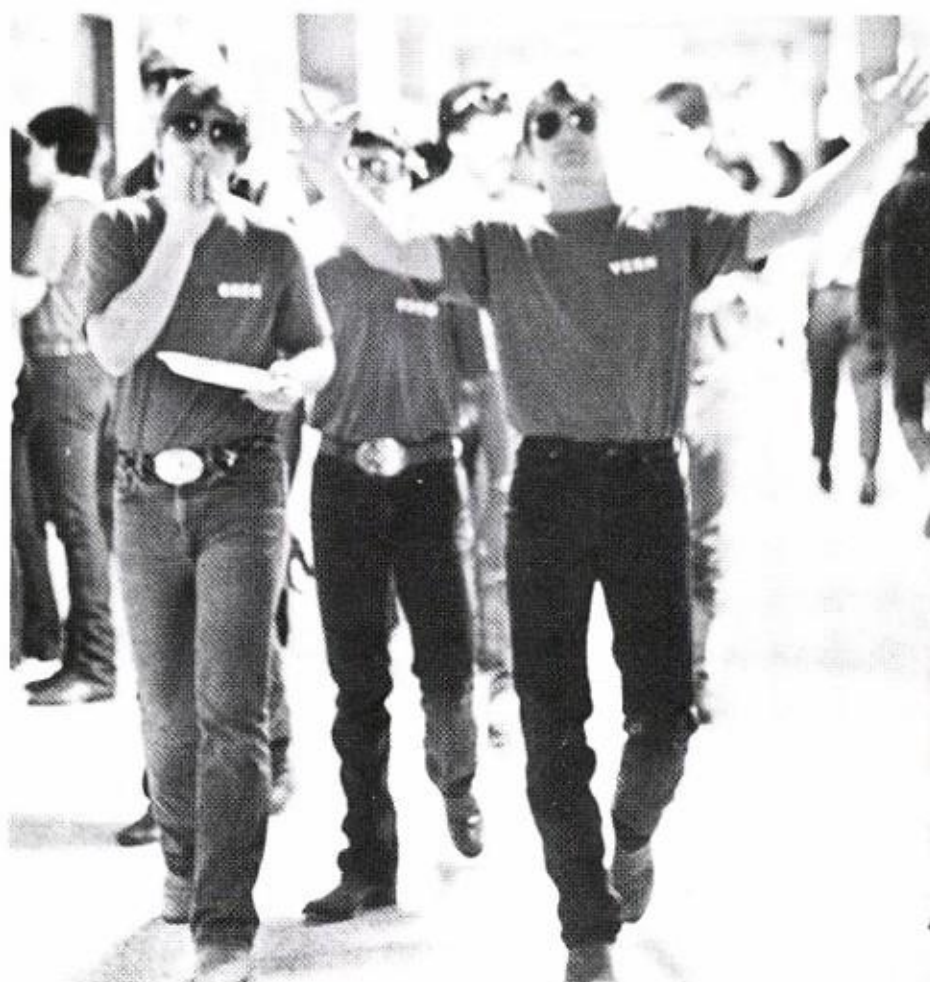

Carnation sales

Sending flowers shows love

A great way to show someone you love them during the holidays is to send them a flower. This year the selling of carnations was sponsored by the Senior Class. Every year, carnations are bought and given out to

students around Valentine's Day, Saint Patrick's Day and Christmas. These carnations are usually distributed during homeroom or TSE. This is an inexpensive way to surprise any sweetheart or friend.

Christmas Spirit

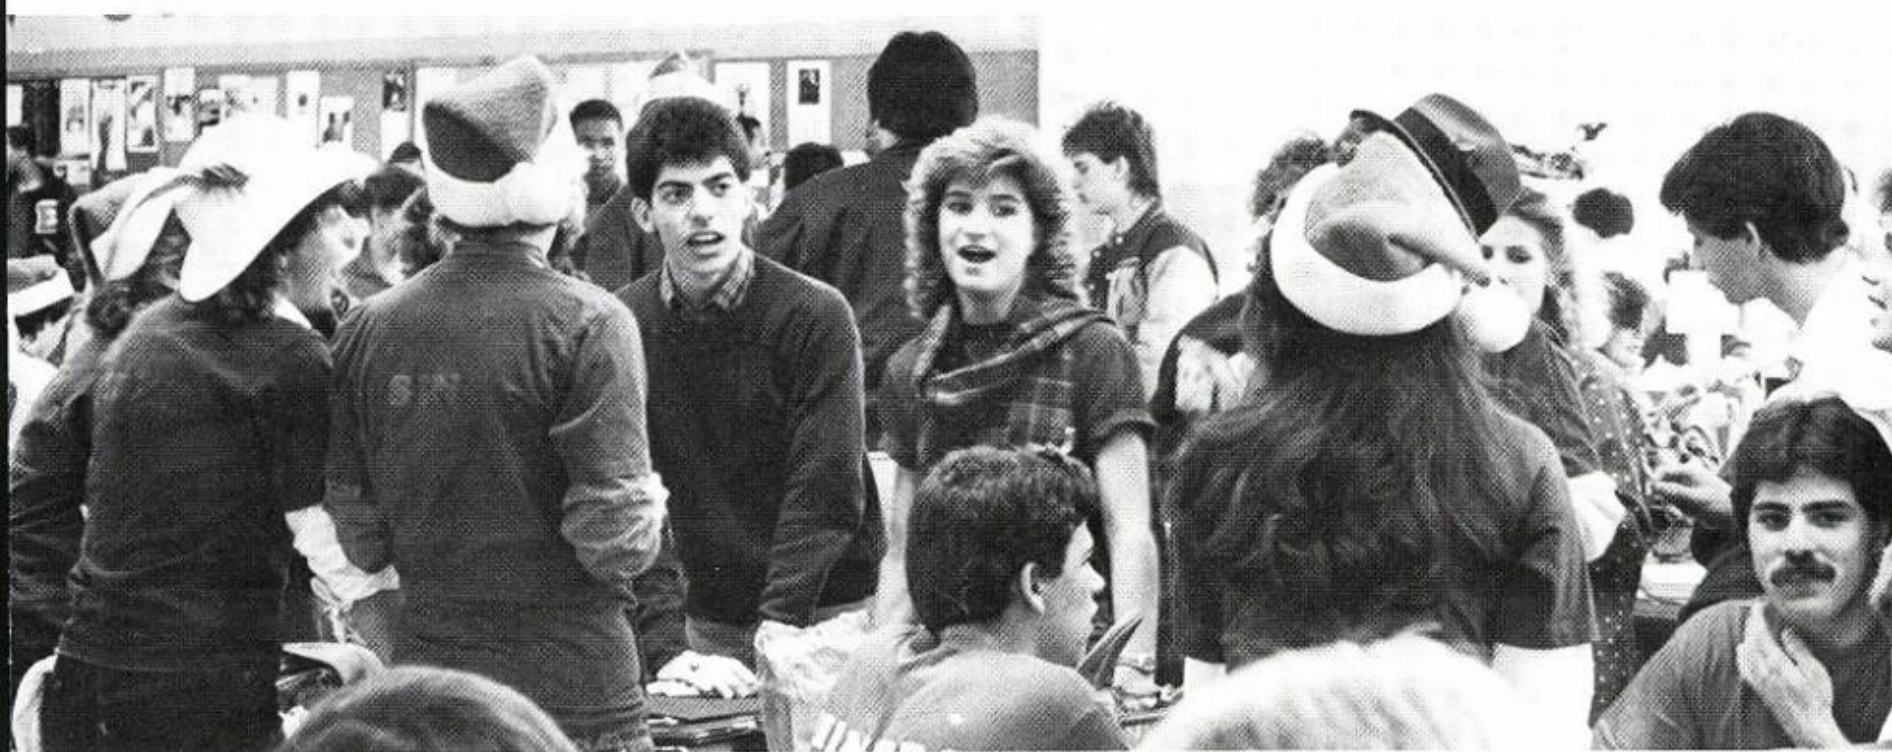

Singing telegrams entertained the students

Christmas Spirit filled the air as Waltrip students prepared for all of the holiday festivities. The Student Council decorated the school tree

and the choir put on a musical program for the entire school. Various clubs gathered to share their spirit with others by donating food to the

needy. During lunch, Rams entertained themselves by singing carols. The Christmas Season is a special time for everyone!

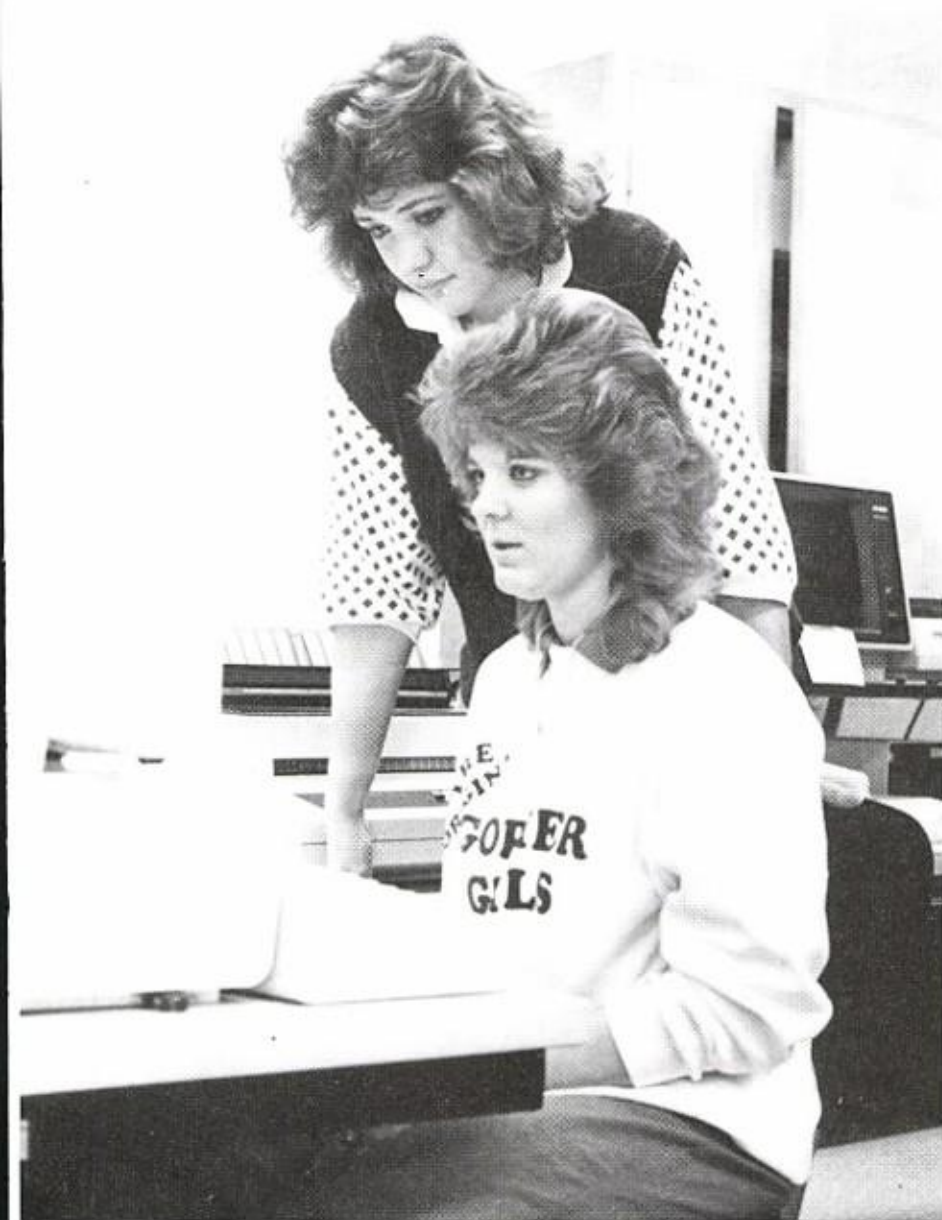

Semester End

Students begin intense studying for final

As the semester drew close to the end, students finished celebrating the Christmas holidays and began studying. For most subjects, students had to take both a final and an H.I.S.D. proficiency test. In order to continue extracurricular activities, students had to do well on both their six weeks grades and their semester average, so the pressure was on for students to do especially well. Because the students were given extra review sessions during TSE, they did plenty of studying.

Waltrip fashion

Students keep up with the times.

The students of Waltrip have begun to change their image. This year the halls were filled with wild hair styles and unique clothing. The latest fashions have shifted back to 50's styles with both guys and girls dressing fashionably. The halls at Waltrip are quite colorful. People are not ashamed to wear the clothes they like no matter how strange they may be, nor are people scared to dye or fix their hair the way they like, no matter what color, shape, or length it is. Waltrip will always be up-to-date on today's fashion.

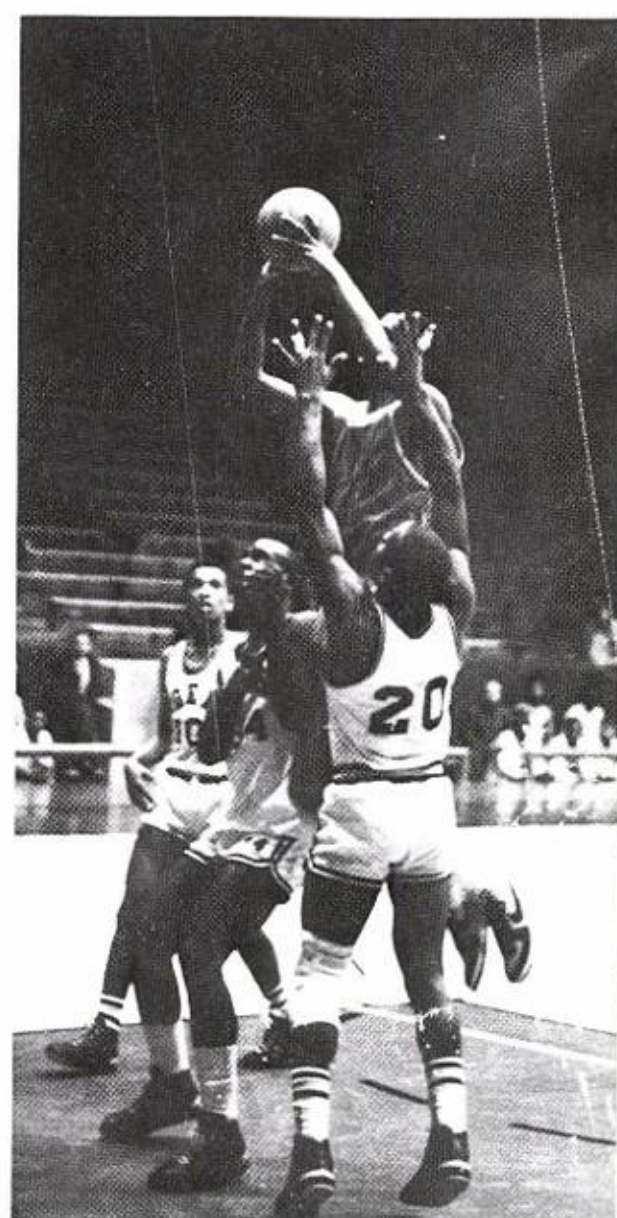

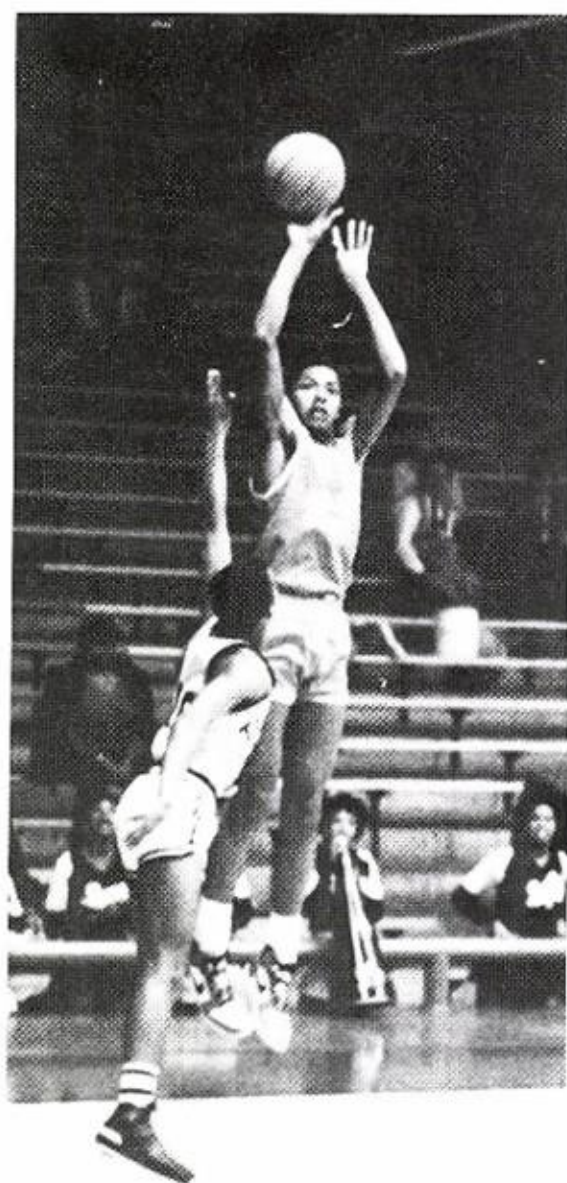

Basketball

Queen is crowned

The 1986 Basketball Queen, Debbie Longoria, escorted by Albert DeLa-Fuente, was crowned at halftime at Delmar Stadium on February 14th. The contestants were: Perla Montemayor, Debbie Longoria, Michelle Ford, and Demetria Crawford. The competing

contestants collected money all week long because each penny counted as one vote.

The Basketball Queen contest is sponsored by Coach Martin and the Varsity Basketball team. The money earned is used for the Varsity Basketball Team.

Basketball

Pep rally cheers on players

The Boys Freshman, Junior Varsity and Varsity players were each introduced at the Basketball Pep Rally held in the auditorium during the guidance period. Everyone was excited to attend the pep rally since

there had not been one since football season. The cheerleaders performed special basketball cheers as well as the student's favorite, "Go Gorilla."

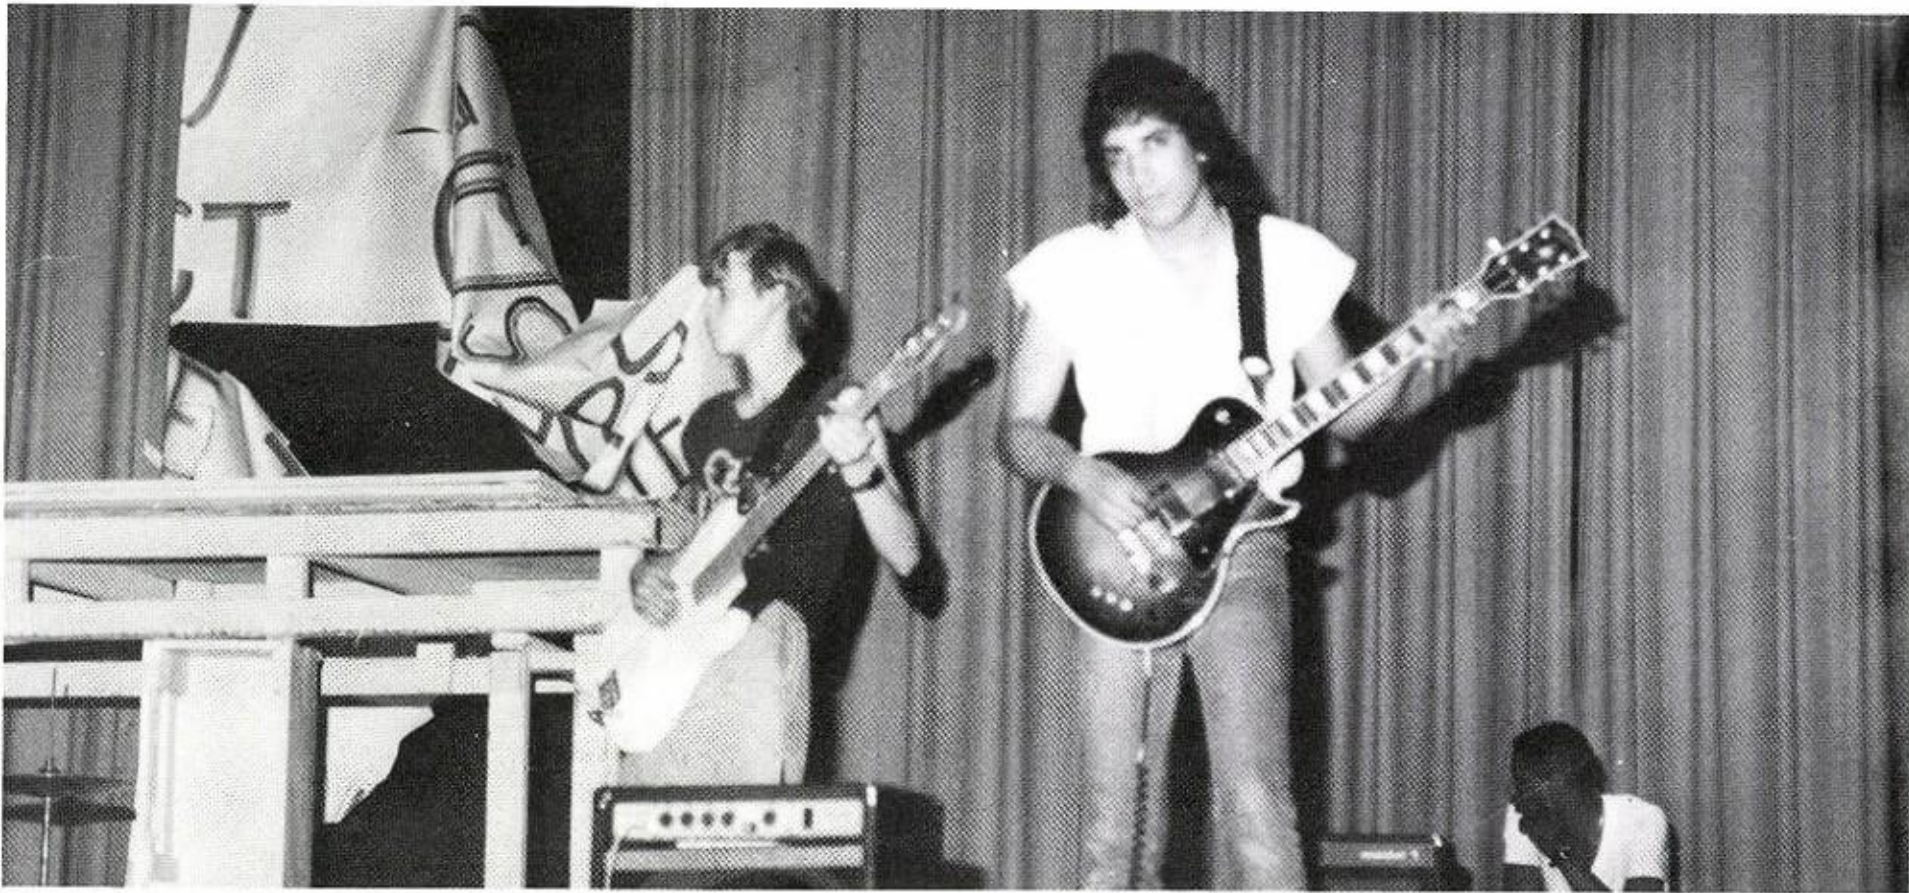

Gong show

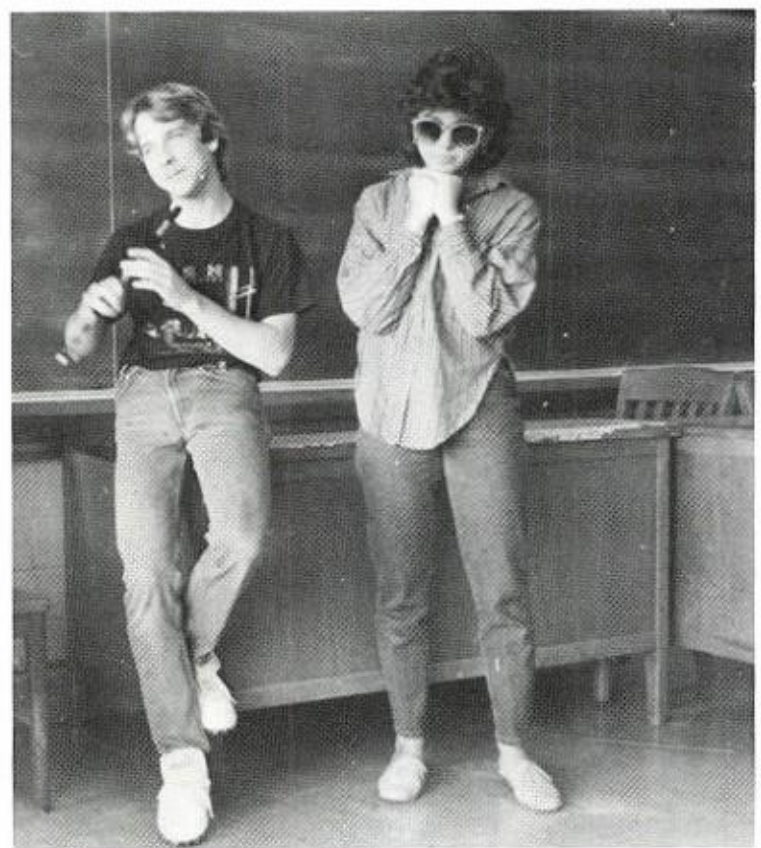

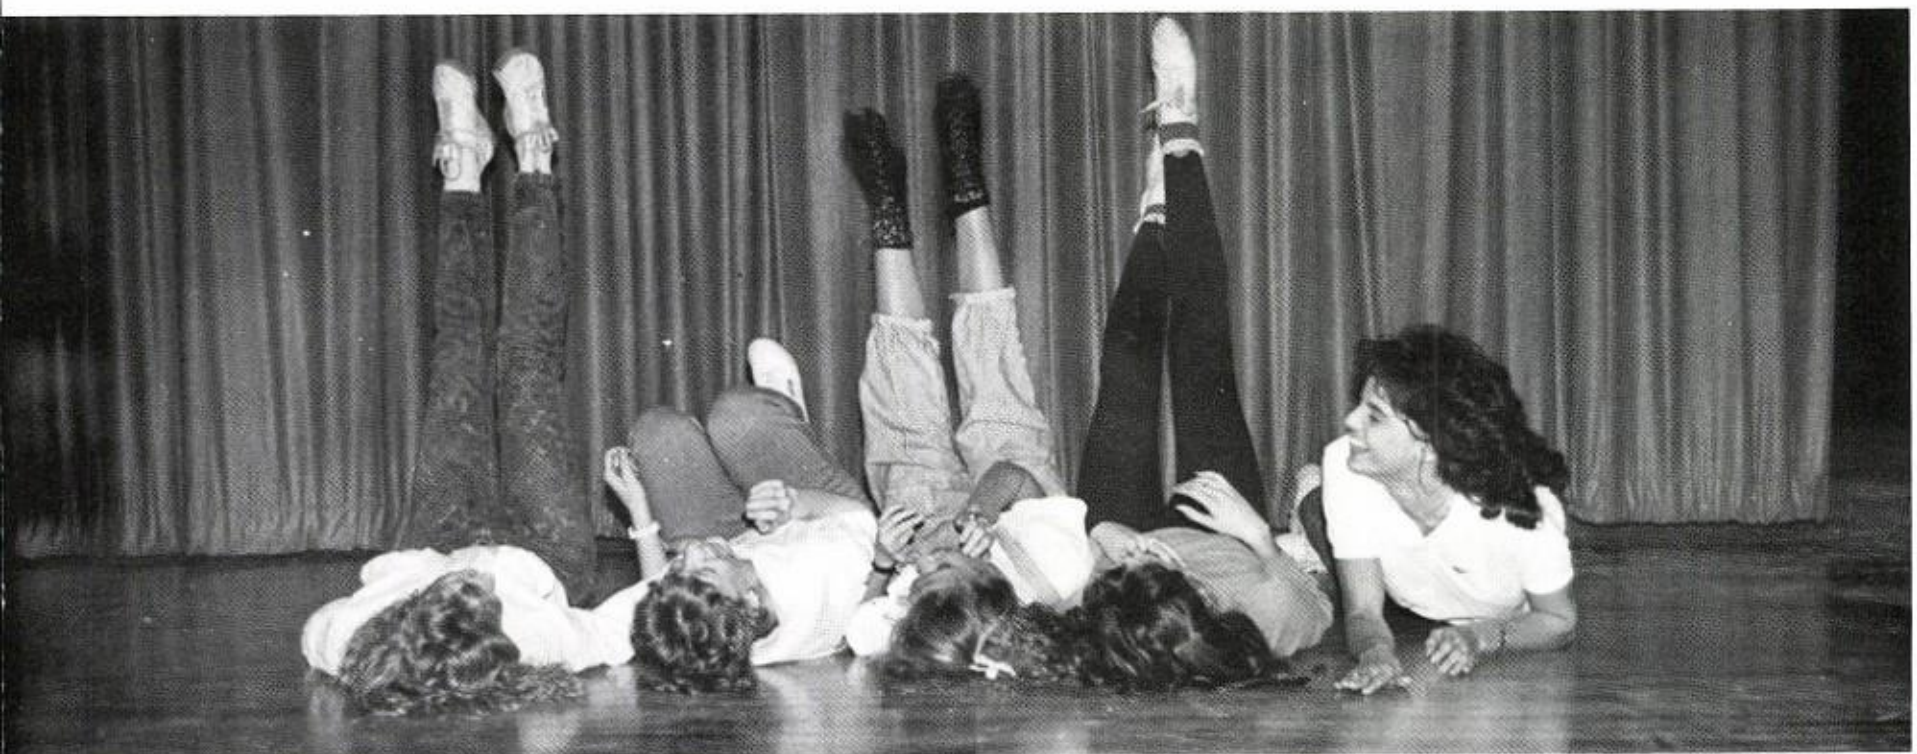

Waltrip's talent is brought forth

Waltrip's Student Council and Drama Department co-sponsored a successful Gong Show on March 7th. This was a new event for Waltrip students to participate in and attend.

Many talented students gathered to show off their ability to sing, dance, play an instrument, act, or make people laugh. The performers stayed after school for many long hours in

preparation for this long awaited event and should be commended for this hard work and courage in presenting a successful production.

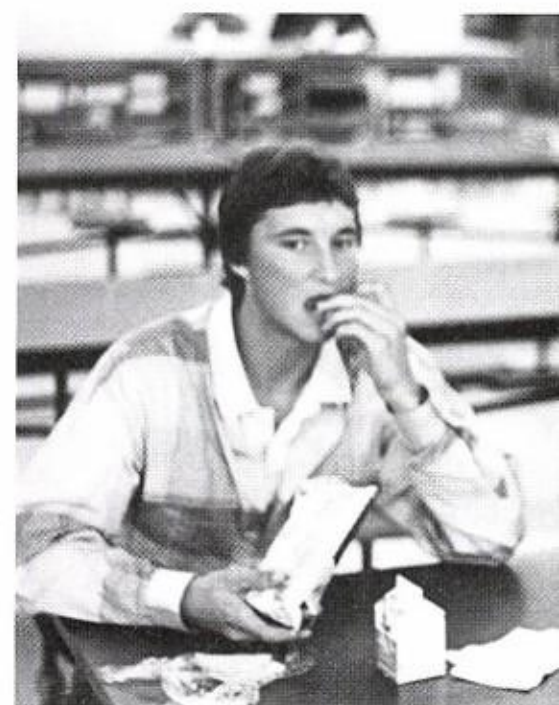

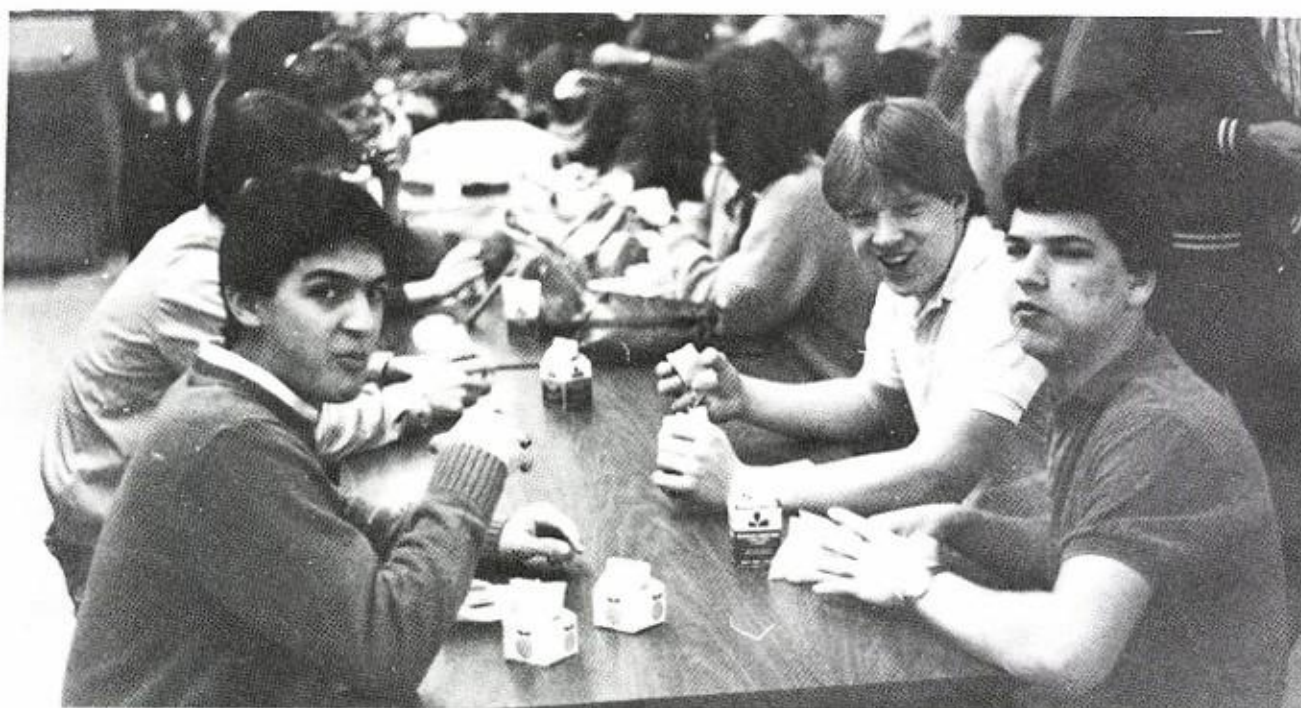

Proficiencies

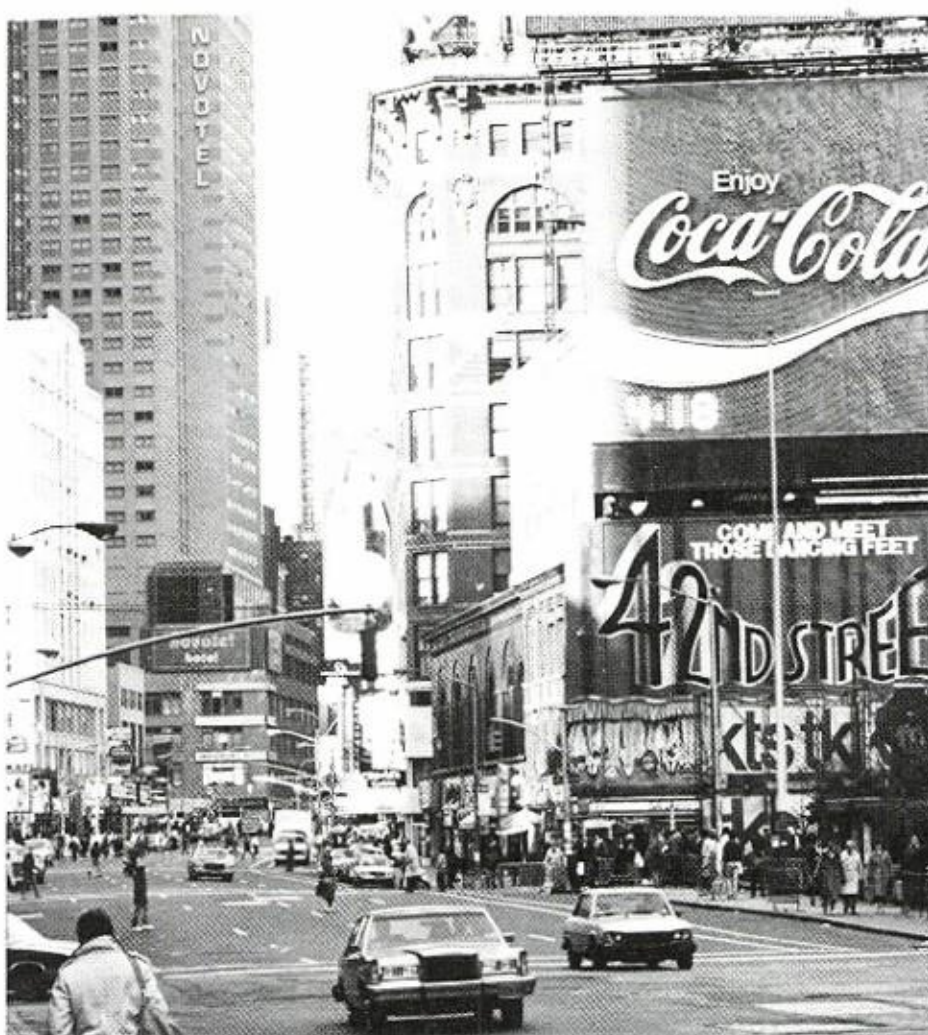

Students are rewarded for hard work.

In most subjects students were required to take a H.I.S.D. Proficiency Exam in addition to their final. Those who did well on them were rewarded in several ways: they were given a ticket to a concert put on by the

High School for Performing Visual Arts, they were able to attend a brunch during TSE, they received free movie passes, and some lucky ones were even rewarded with an early dismissal from school one Friday.

These rewards motivated the students to do especially well on the tests. Billy Reagan sent a letter to each student commending their hard work and achievement.

School vacations

Students enjoy "study" trips

Trips to New York, New Braunfels, Europe, and the Bahamas are some special treats sponsored by Waltrip's organizations for Waltrip students to attend. The New York trip is sponsored by the Student Council. Some of the exciting sights seen are the

Statue of Liberty, tours of the city, and special rates are given for the Broadway shows. An annual trip to New Braunfels is sponsored by the German Club. Here the students attend the Wurstfest which is a tradition in the German community of New

Braunfels. The Bahamas cruise is sponsored by the Rambling Roses. On this cruise, students go to Saint Thomas and other islands. Traveling to different places enables students to learn the customs of many parts of the world.

Challenger crew

"We will never forget them . . ."

On Tuesday, January 28, 1986, a horrifying tragedy was experienced by people around the world as the space shuttle Challenger exploded. The trauma of this ordeal was deepened because no one was expecting a malfunction after twenty-four successful missions. Aboard the shuttle were seven Americans: Mission Commander Francis R. "Dick" Scobee (46), Pilot Michael J. Smith (41), Gregory Jarvis (41), Ronald E. McNair (35), Ellison Onizuka (39), Judith A. Resnik (36), and Christa

McAuliffe (37).

Dick Scobee was the commander of the Challenger. He was a native of Auburn, Washington, but lived in the Clear lake area. Scobee began his career working with airplanes and moved up until he finally became an astronaut. "When you find something you really like to do and you're willing to risk the consequences of that, you really probably ought to go do it," he was once quoted as saying. Unfortunately, he died risking the consequences.

Michael Smith, a husband and father, lived near the Johnson Space Center in Clear Lake. His widow Jane Smith, said that "Next to being with me and the kids, he loved space the best." Smith died the exact way he would have chosen because of his deep love for space. Smith's goal was to be an astronaut and he worked toward his goal all his life.

Civilian engineer, Greg Jarvis, was also a husband and father. While getting ready for his first trip into space he was working on his master's

degree. His thesis for this degree was received the day after the shuttle tragedy. University officials had planned to award Jarvis his degree while he was in space, even though he had not yet turned in his paper. Jarvis' wife, Marcia, hopes to have her husband's degree awarded posthumously, on the next shuttle flight.

The second black American astronaut, Ronald E. McNair, was on his second flight. His job was to launch a small satellite that would study Halley's Comet. McNair, a dedicated husband and father, was a deeply religious man. He had prayed the night before the mission, with his pastor in Houston, for a safe and successful mission. All his friends remember McNair to be a tremendous individual with a big heart.

Lt. Col. Ellison S. Onizuka was best known to his friends as El. The first

Hawaiian in space, Onizuka was also making his second shuttle flight. His wife, Lorna, and his two children still live in Kealahou, Hawaii. Onizuka was looking forward to seeing Halley's comet at the closest range possible during his trip. He had hoped to continue working for NASA as long as he could contribute to the space program.

Judith Resnik, also on her second flight, was a mission specialist from Akron, Ohio. She was a classical pianist and an electrical engineer. She had once told an audience, "I think astronauts probably have the best job in the world." Resnik was the second U.S. woman to be in space, but wanted instead to be remembered as the 40th or 45th American in space in only a few years.

Probably the most unusual passenger on this flight was Christa

McAuliffe, a lady with whom all of Waltrip could relate because her profession was teaching. A resident of Concord, New Hampshire, Mrs. McAuliffe had been trying to live her life long dream of being an astronaut. She had always told her students and friends to go after their dreams and she was following her own advice when the shuttle was destroyed.

All the astronauts that went up for the last time on the Challenger are considered heroes and heroines. They gave their lives for research and the hope for a better tomorrow. As President Reagan said,

"We will never forget them, nor the last time we saw them as they prepared for their journey and waved goodbye, and slipped the surly bonds of Earth to touch the face of God."

Sesquicentennial

Texas celebrates 150 years

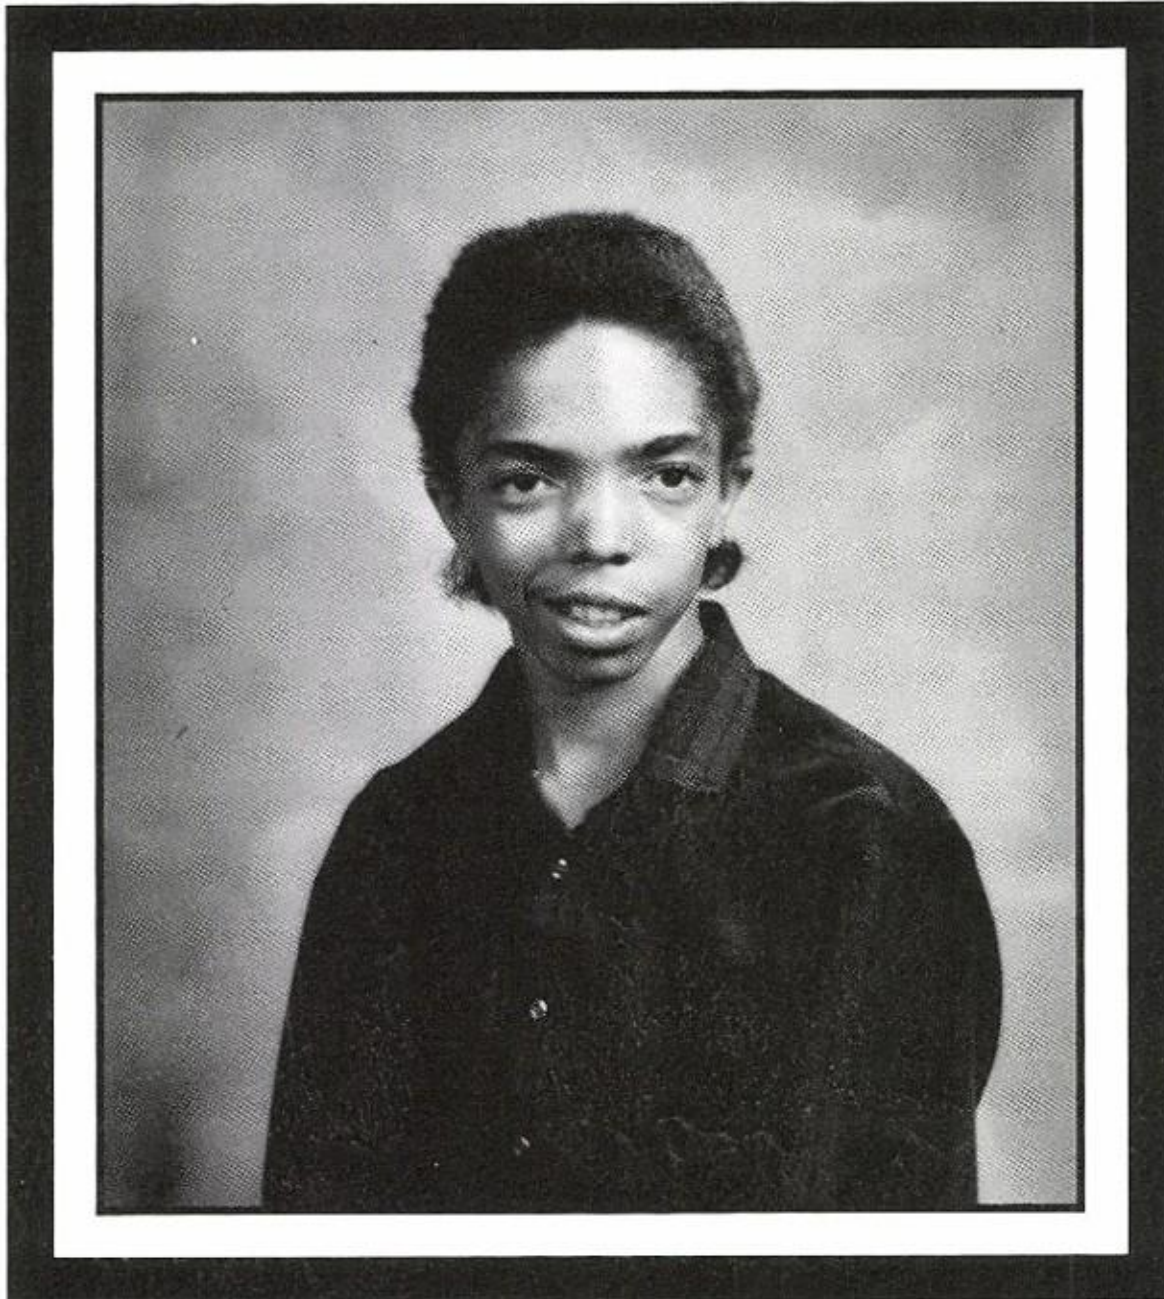

This year is full of celebration for all Texans. On March 1, 1836, exactly 150 years ago, 59 Texans met to declare independence from Mexico; on March 2 this declaration was approved. No longer under the control

of General Antonio Santa Anna, the Texans set up their own republic. There were many events held this year to aid in our celebration; the Texas Wagon Train, music festivals, the Sesquicentennial Cattle Drive,

speeches and exhibits on Independence Day. With the respect, Texans remember the heroes from the Alamo.

FAVORITES

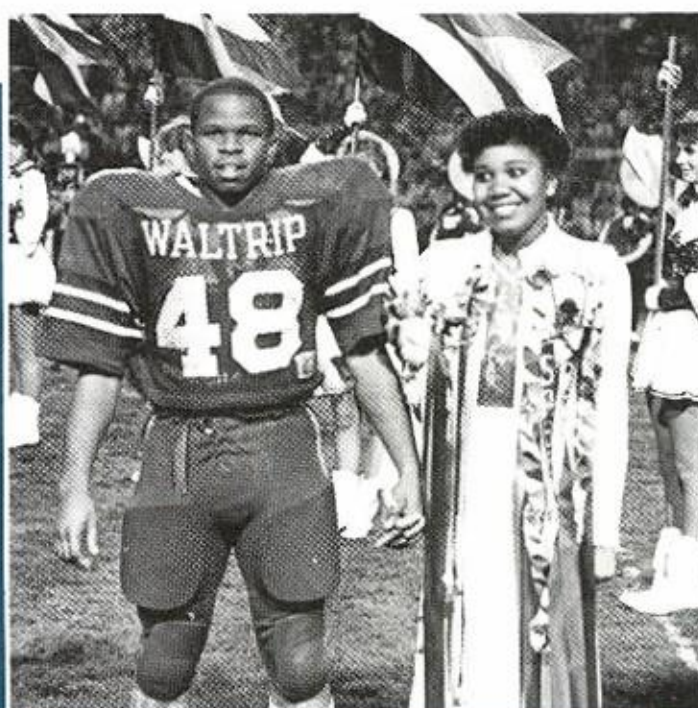

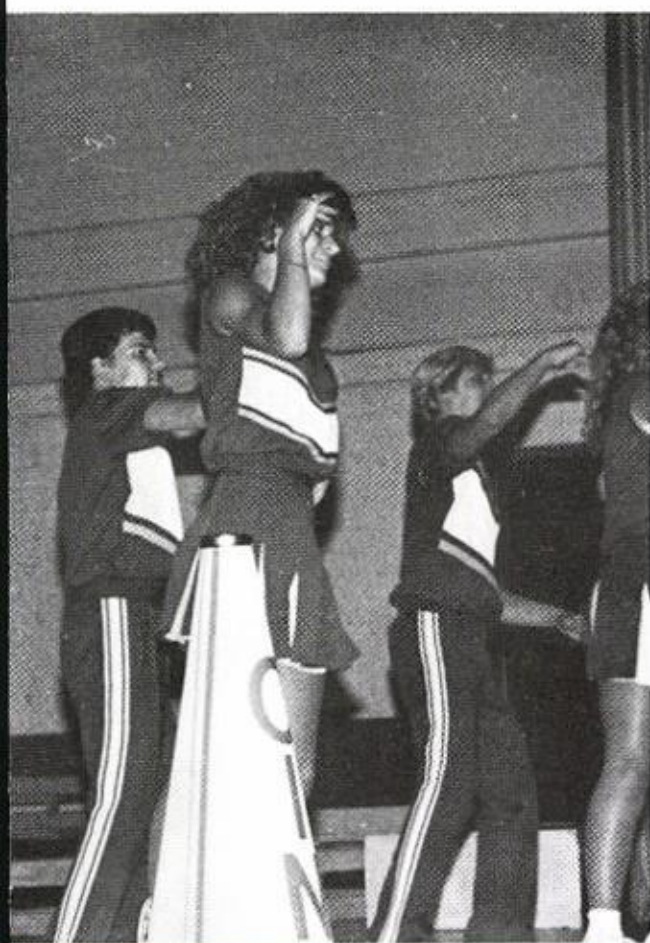

In order to be classified a favorite at Waltrip, a person has to be elected by the student body or judges outside the school.

This year's favorites have shown talent whether in cheerleading, academics, personality, or simply good looks.

Cheerleaders are chosen at the end of each school year by the student body. Many contestants work many days to perfect their skills in order to try out. Then only eight people are chosen in the end.

Academic favorites are those people who have done an excellent job during their years at Waltrip and have received high grades because of their efforts.

Attractiveness

Beauty shines at Waltrip

The long-awaited selection of Most Attractive Senior boy and girl took place in February at the home of Cindy Skrehot.

The three judges were Ms. Debbie Scott, from Dick Scott Fine Photography; Ms. Marcie Kurtz, an Attorney with Pennzoil; and Mr. Carl

D. Maples, with Carl Maples Fine Photography.

The twelve finalists who were presented to the judges were selected by student votes. All nominees were from the senior class. Names of the winners are kept secret until the yearbook is released.

Outstanding seniors

Eight students are selected

Eight students were selected by the Aries Staff as outstanding seniors. Teachers nominate any number of senior students whom they feel excel in scholastic ability. They are also asked to consider participation in

organizations, responsibility, and service to Waltrip. A grade point average of 3.6 or better and a conduct average of G or better are a necessity. At this point, the Aries Staff

reviews the student's background and bases their decision upon the above qualifications. A student must receive a +9 vote of the Aries Staff in order to be selected.

Cheerleaders

These students keep spirit alive

Waltrip's cheerleaders of 1985-86 have accomplished a great deal. They attended summer camp at Southern Methodist University in the Dallas-Fort Worth area. During their stay at the camp, they sharpened their cheerleading skills greatly and received many awards of superiority. They also received a spirit stick as an award for having the most school spirit. They competed in a cheering contest held at Northline Mall and did quite well. The cheerleaders' main responsibilities include: painting spirit signs, cheering on the school's football, volleyball, baseball, and basketball teams, and to keep the spirit alive among the students.

SPO

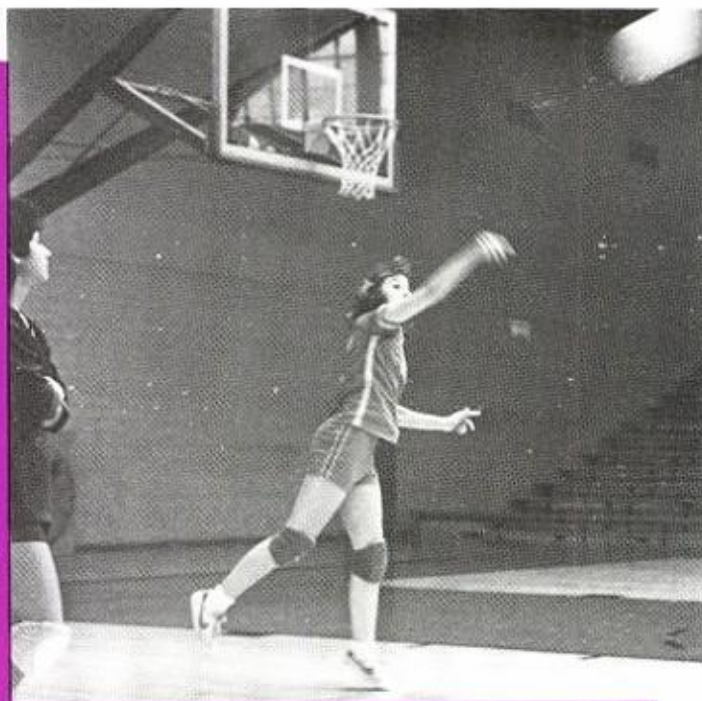

RTS

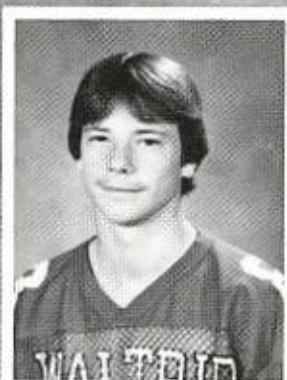

No matter what sport a person is involved in, track, football, or tennis, that athlete must train many hours in order to be the best. Waltrip's players certainly did this during the 1985-86 school year. Even with the new rules set by the district, our athletic department never gave up. Every person pushed and worked to become number 1 and succeeded.

Some people don't agree that Waltrip came out on top because some teams didn't always win, but the students and faculty know that a winner is someone who makes the best of a situation they're given and all of Waltrip's teams have done that. Our athletes are winners!

Varsity Rams'

Team obtains a 2-3 record

Waltrip finished pre-season with a 2-3 record. Two of the three losses were obtained by a mere six points. The easy wins in the first two games made the Rams seem unyielding. The offense amassed over 650 yards, in the first two outings, while the opposing team only gained 290 yards of offense.

The Waltrip Rams started the district season with a 41-24 victory over Reagan. 300 yards of rushing were gained throughout the game with 244 coming in the first half. Jarrod Milburn gained 116 yards rushing on that victorious night.

Rams defeated by Washington

Washington defeated the Rams 19-16. The Rams, however, held a healthy statistical edge over Washington. Waltrip amassed 268 total yards of offense, while the Eagles only had 71 total yards gained.

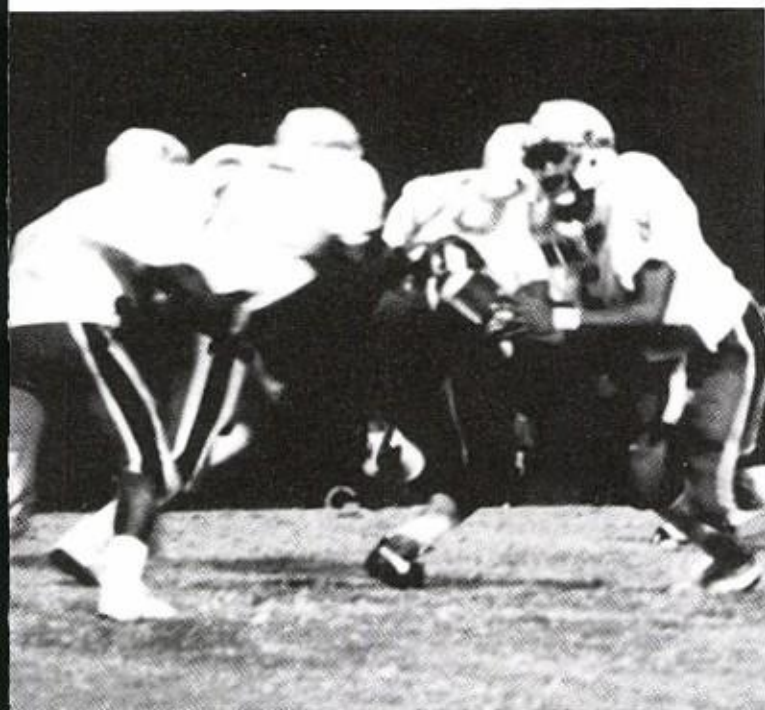

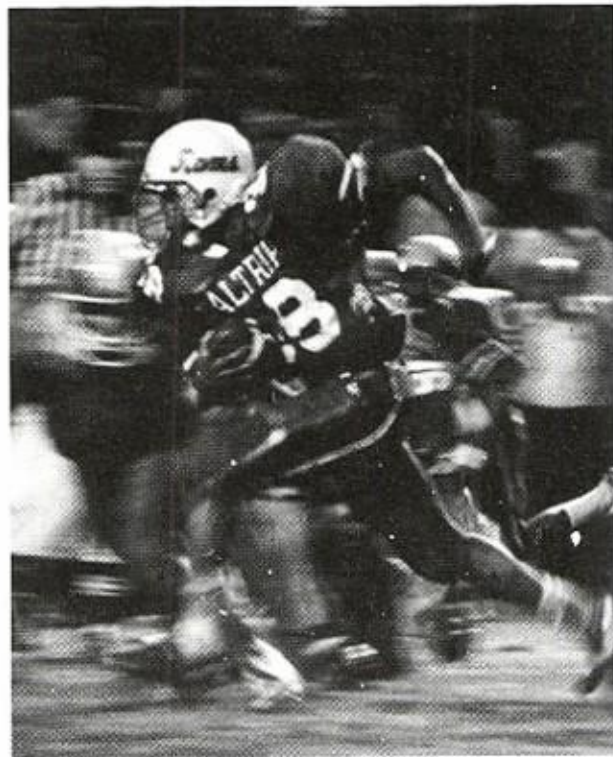

Waltrip ties with Kashmere

Waltrip tied with Kashmere 0-0 on a wet, rainy night. Both teams had low stats, but Kashmere had a 2-1 lead in penetrations. The 91 yards gained in the game were acquired by rushing.

Waltrip crushes Scarborough

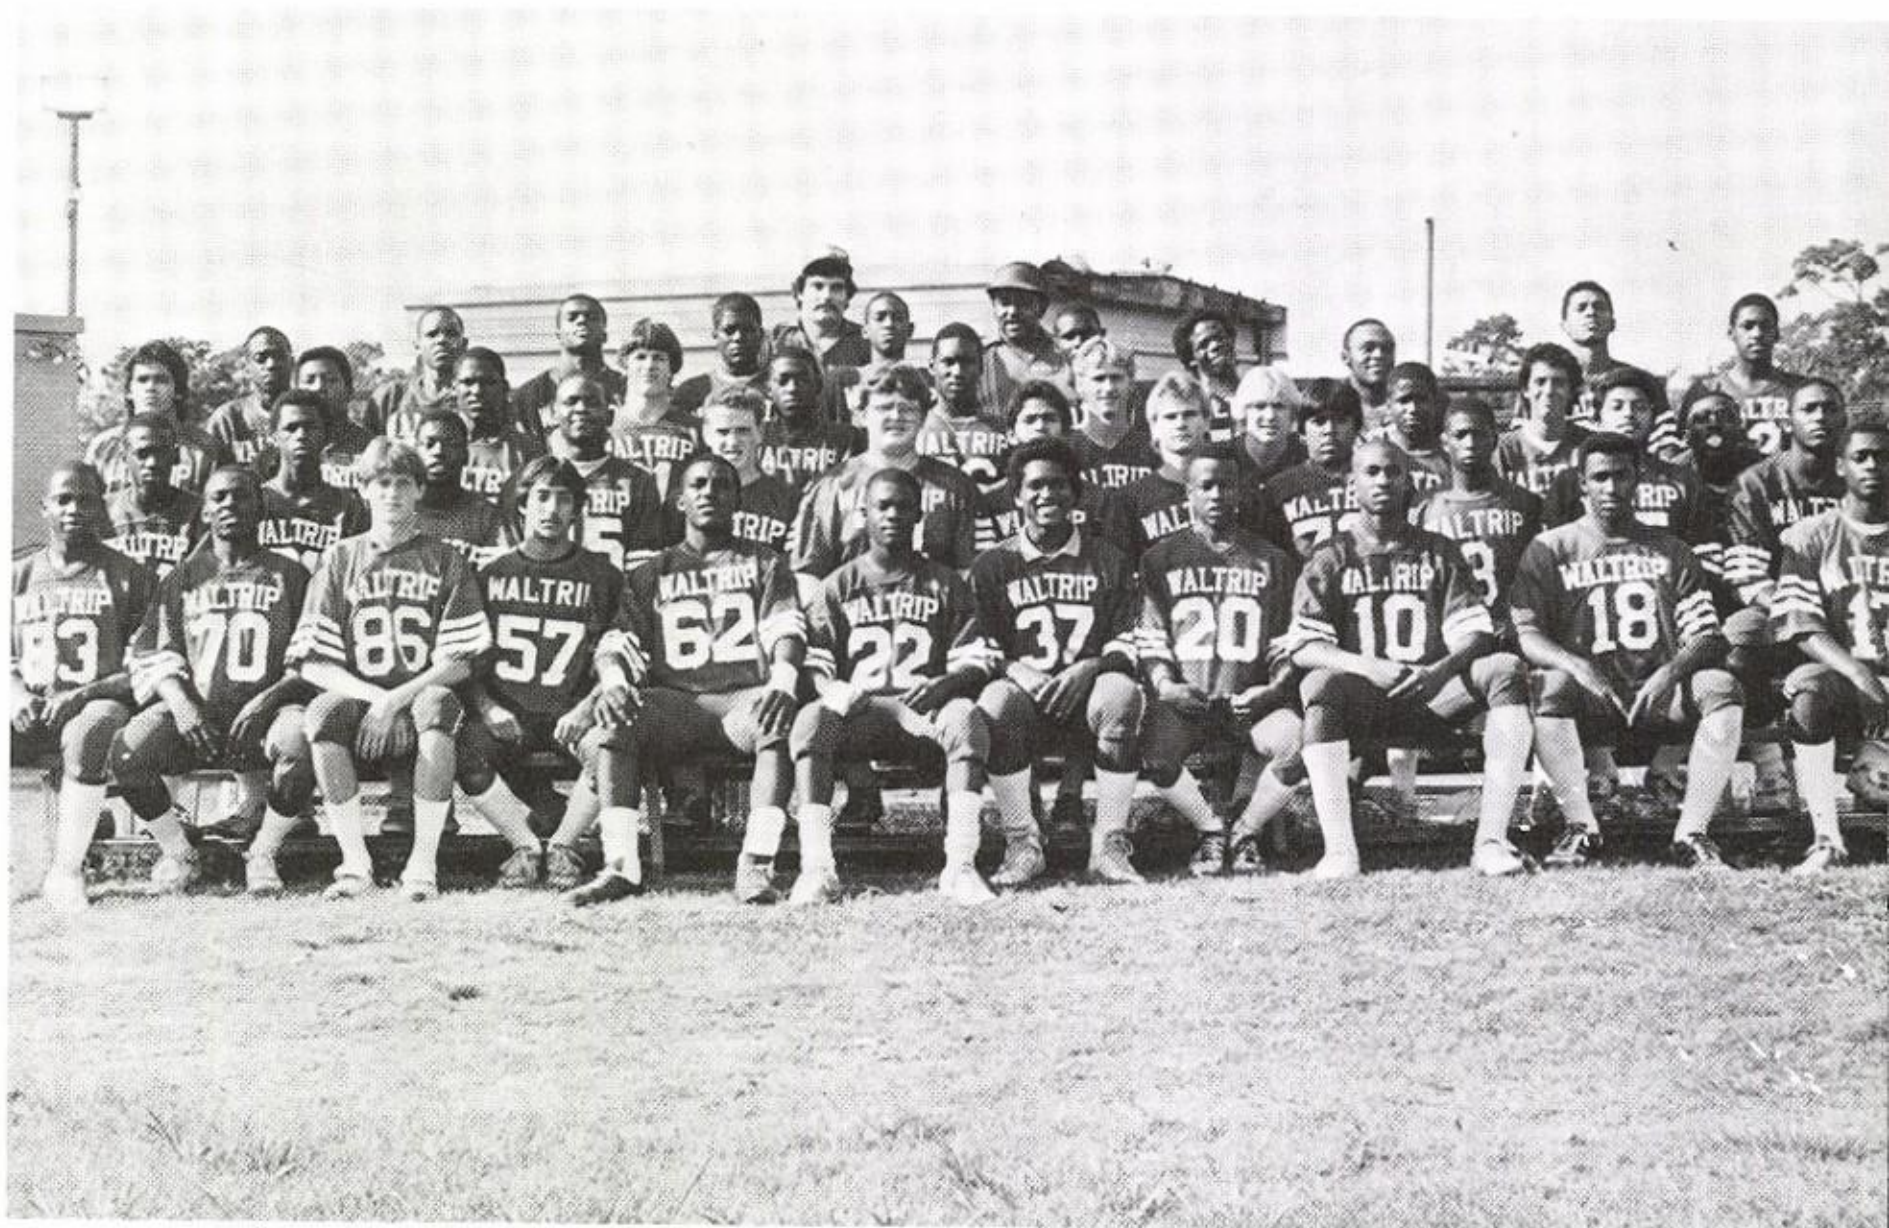

Waltrip easily defeated the Spartans 21-7 to even its overall record to 4-4. The Rams gained over 250 yards rushing. The three touchdowns were scored by Otis Flowers, Michael Dorsey, and Lee Durham.

Sam Houston defeats the Rams

Sam Houston defeated the Rams, 25-6, to gain their position in the playoff. The game was won by Sam Houston's running back, Derrick Harris. Waltrip's lone score was achieved by a 10 yard Jarrod Milburn reception. The Rams ended the season 4-5-1 and 2-2-1 in district.

Varsity team goes to district

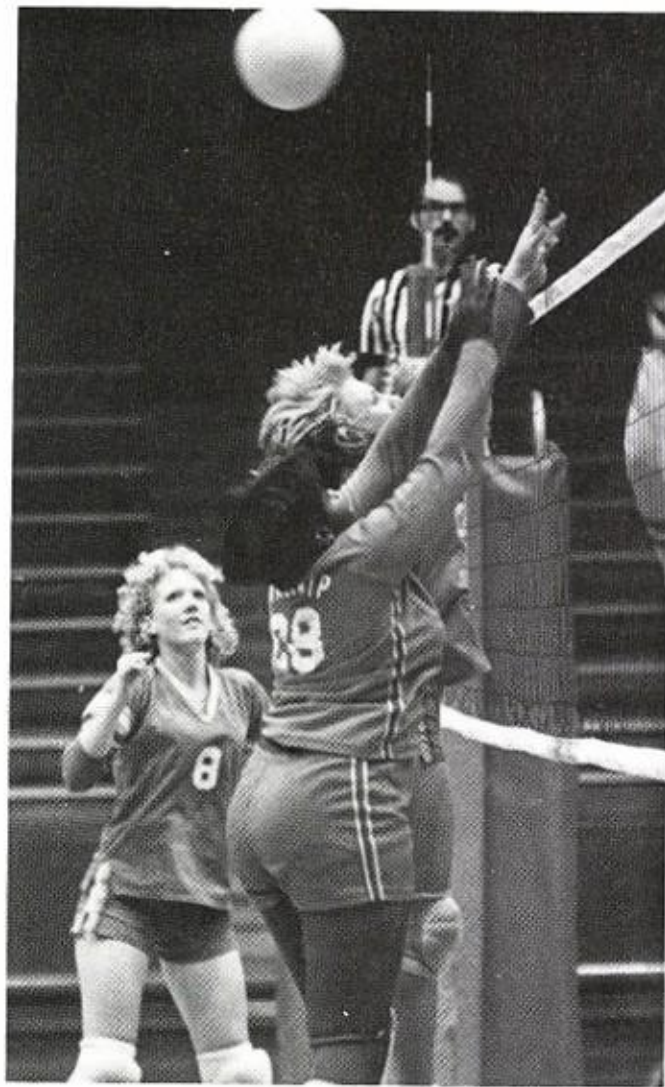

This year's Varsity Volleyball team carried on the winning tradition once again. With a team made up of seven juniors and one sophomore, all were first time Varsity players. The Lady Rams won the second half of district play and proceeded to capture district by winning the first half in a play-off game with Kashmere. They then moved on to Bi-District playing Milby. Even though they did a superb job, they unfortunately lost to Milby.

The Lady Rams showed total team effort at the playoffs. They were full of spirit and motivation. Waltrip can be proud of these girls for their accomplishments this year. Playing together taught the girls how to get along with each other. It also gave the girls a chance to develop friendships that will last forever.

Freshman team has perfect record

The Freshman Volleyball team finished the season with a perfect record of 10 and 0 to win district. These girls continued using their great skills as they moved on and captured the city championship, as well.

Working together as one, these girls have become a great success. One can be sure that they will be an asset to the volleyball teams at Waltrip for the next several years.

Basketball

Varsity is number one

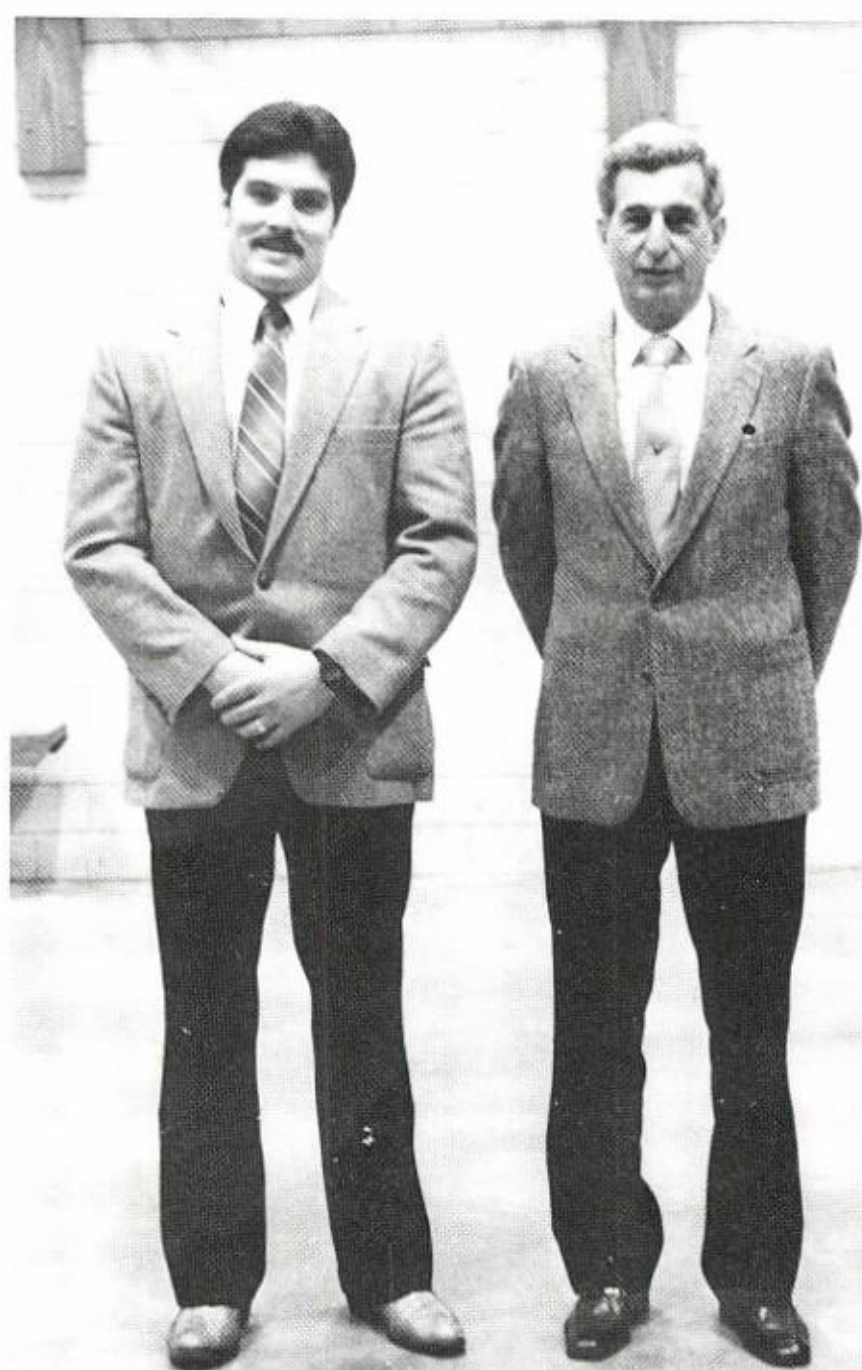

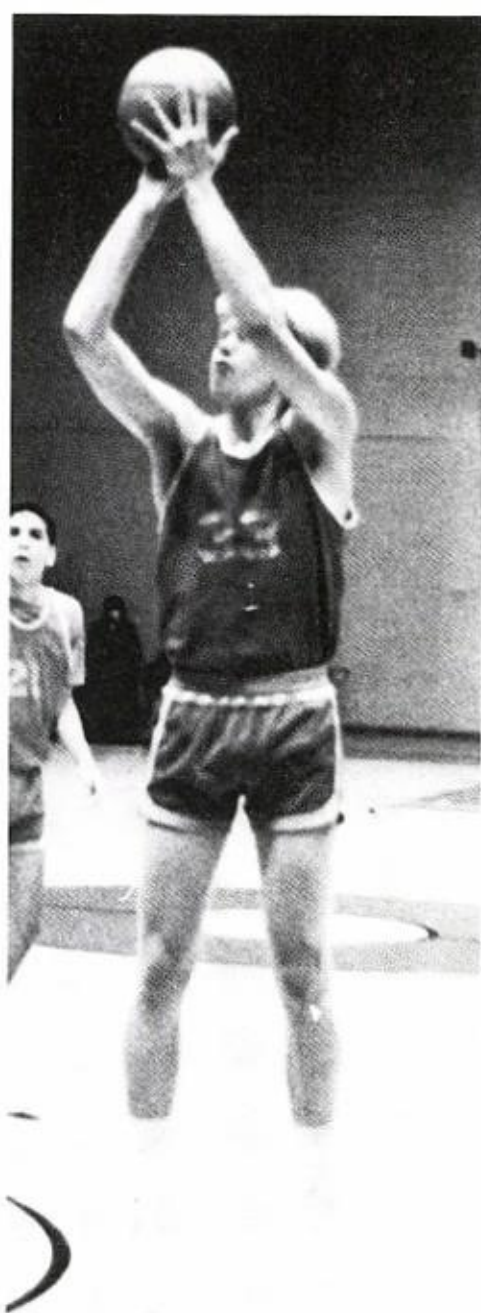

Coach Martin was the Head coach of the Varsity Boys' Basketball team for his eighth consecutive year, and with the help and cooperation of the team and manager, Tod Marburger, it was a very thrilling one. Even with

the loss of some very close games which they experienced through the year, they came through with that undying Waltrip spirit that says, "We will always be number one!"

J.V. basketball

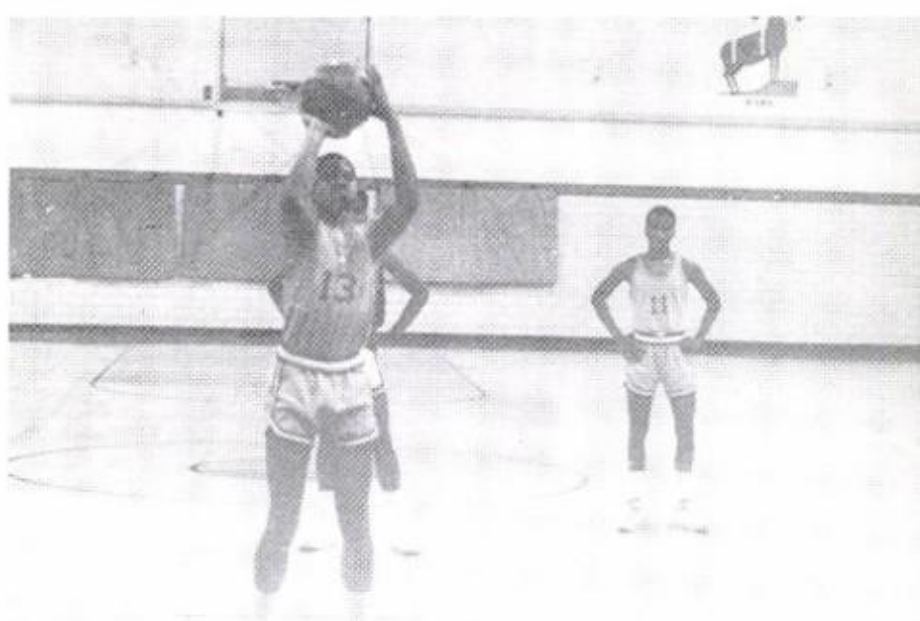

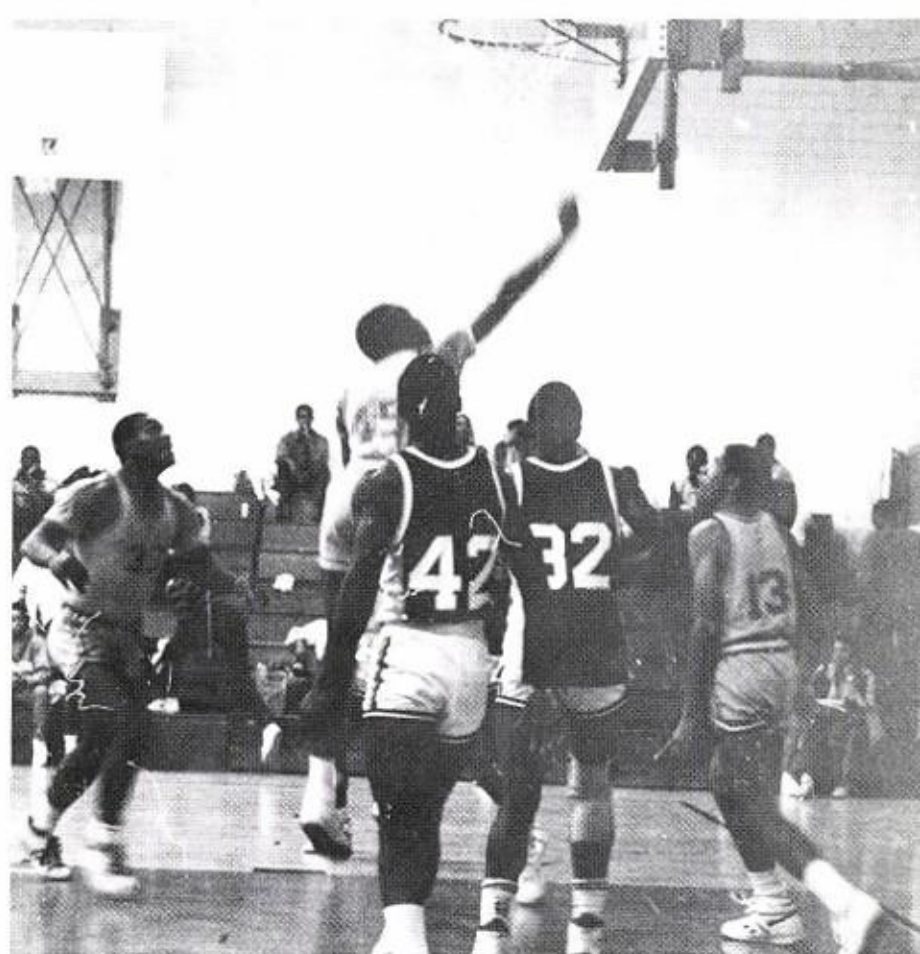

Team worked toward next year

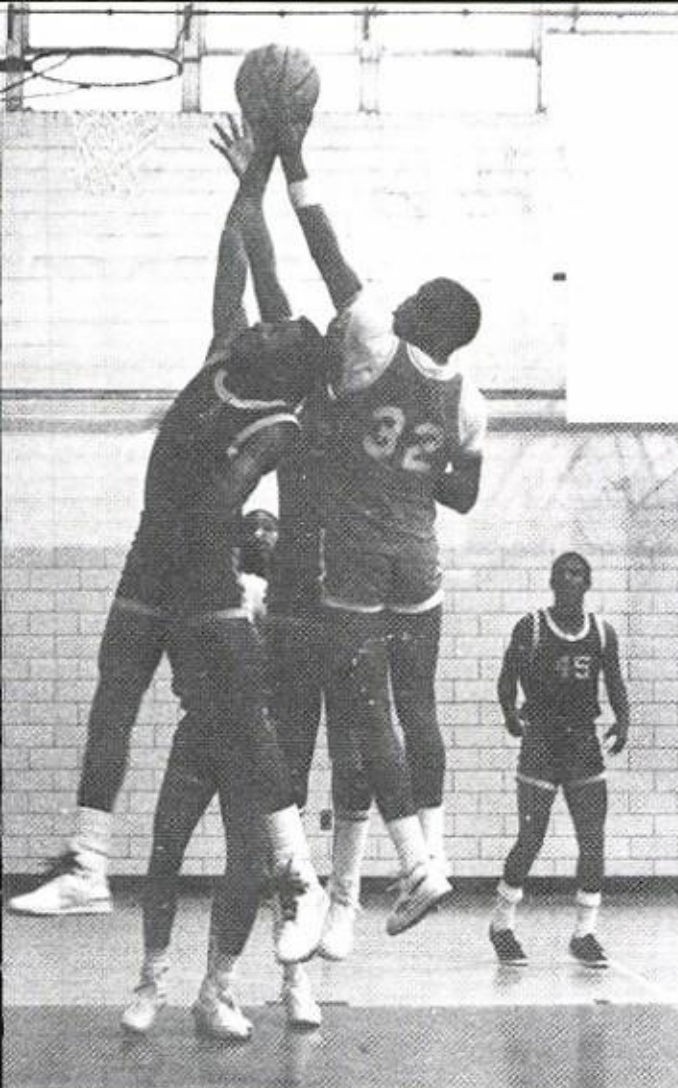

Looking forward to next year, the J.V. basketball team has worked its hardest. The members went through many tough try-out sessions before they even got a chance to play a game. After the coaches had seen exactly what each boy could do, they began cutting down to acquire the number of players on the team. With the best players remaining, practice began. The practice sessions lasted anywhere from one hour to four hours. With the no pass-no play rule, the players really had to work hard in school as well as on the court. To help them on their way to a winning season and successful senior year, Coach Zuccarini was always there when needed.

Freshman

Boys strive for varsity

Basketball, for a lot of young boys, is an important part of their first year at a high school. Being a part of a team can help a boy make the adjustment from middle school to high school. Coach Murphy, second year

coach at Waltrip, feels that this year was a very good one for the team. Most of these boys will go on to play J.V. and Varsity Basketball; and with their talent, the future for Waltrip looks like a promising one.

Lady rams

Girls take bi-district championship

The 1986 Lady Rams brought home the title of District and Bi-District Champs. They have shown tremendous ability and determination, and have proven that hard work and

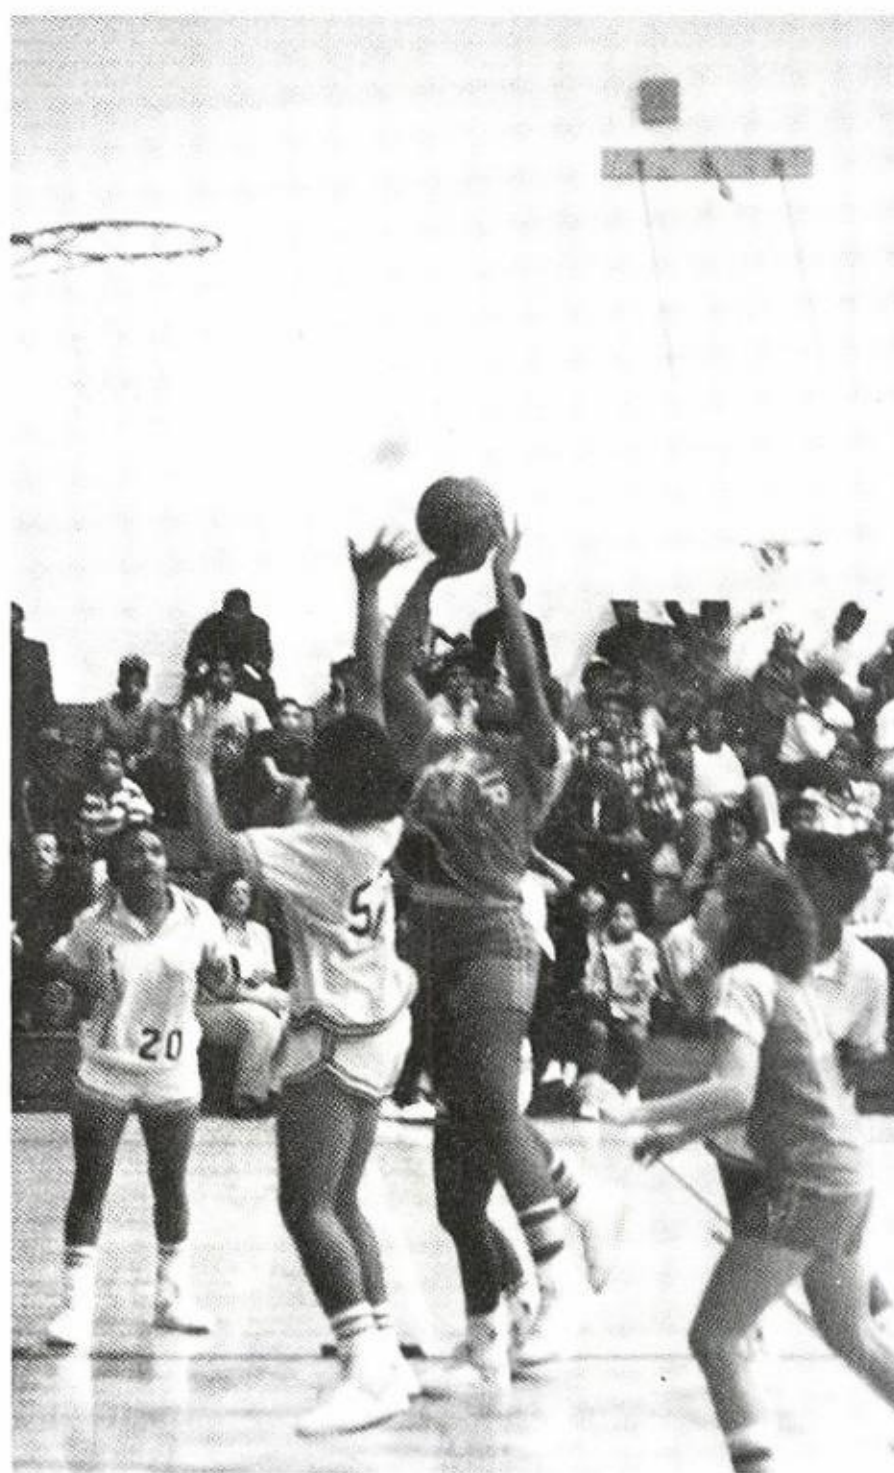

practice pay off. Outstanding players who were named top scorers were Sonya Williams, Laura Kubin, Alice Brown, and Tonya Washington. Top

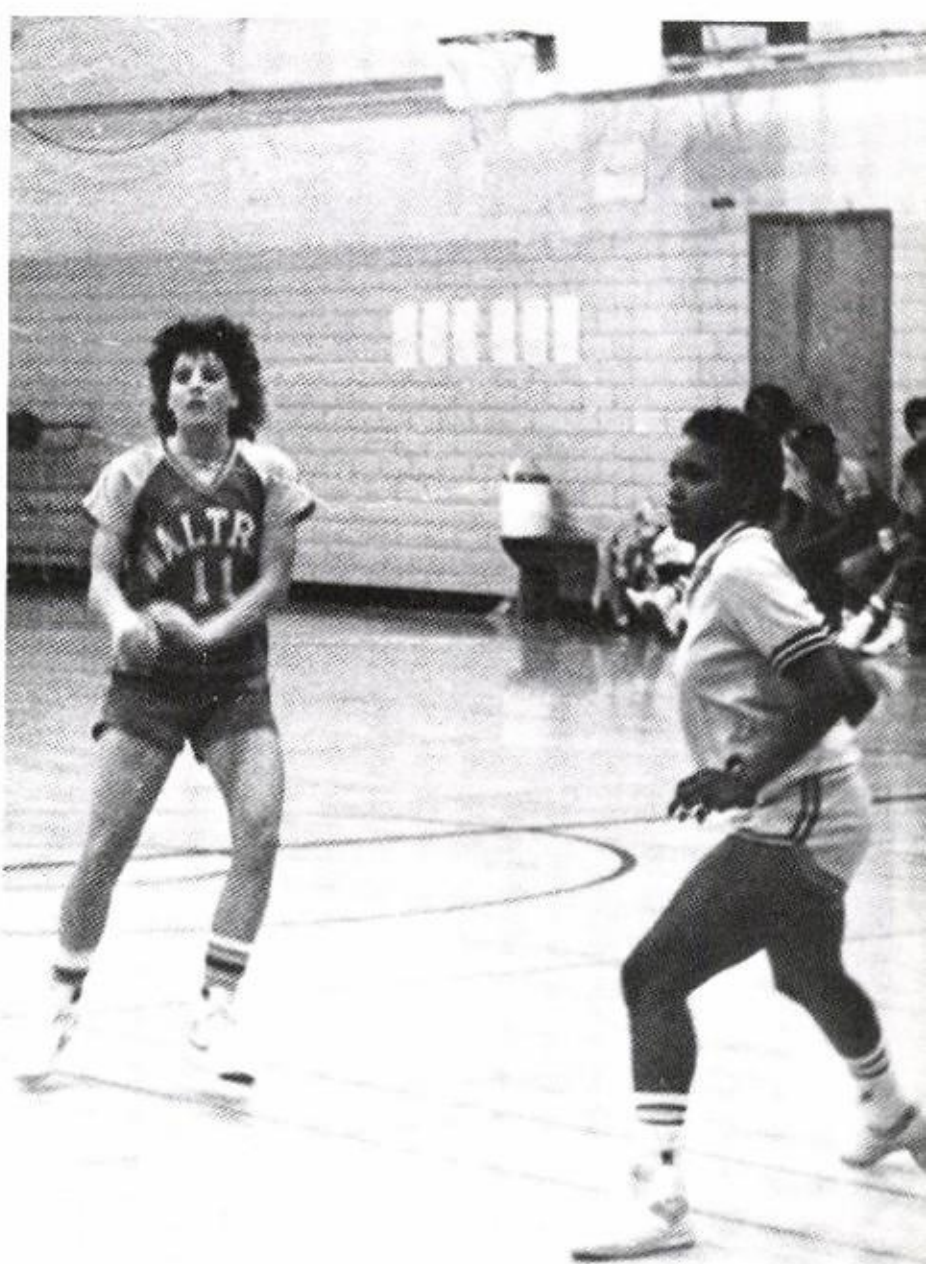

Rebounders were Tonya Washington and Alice Brown. The girls did the best, which is shown by their excellent rankings.

Freshman

Girls win city championship

The Girls Freshman Basketball Team, with all their hard work and determination, won the City Championship. As they look back at all the long hours of practice, they are thankful to Coach Davis for pushing them to go all the way. The girls won the championship with a 39-37 vic-

tory over Worthing. This team was a special one, because each girl learned the importance of working together to achieve success. Coach Davis has shared his experience with the girls so they can go on to play for the J.V. and Varsity teams.

Swim team

A group of boys to be proud of

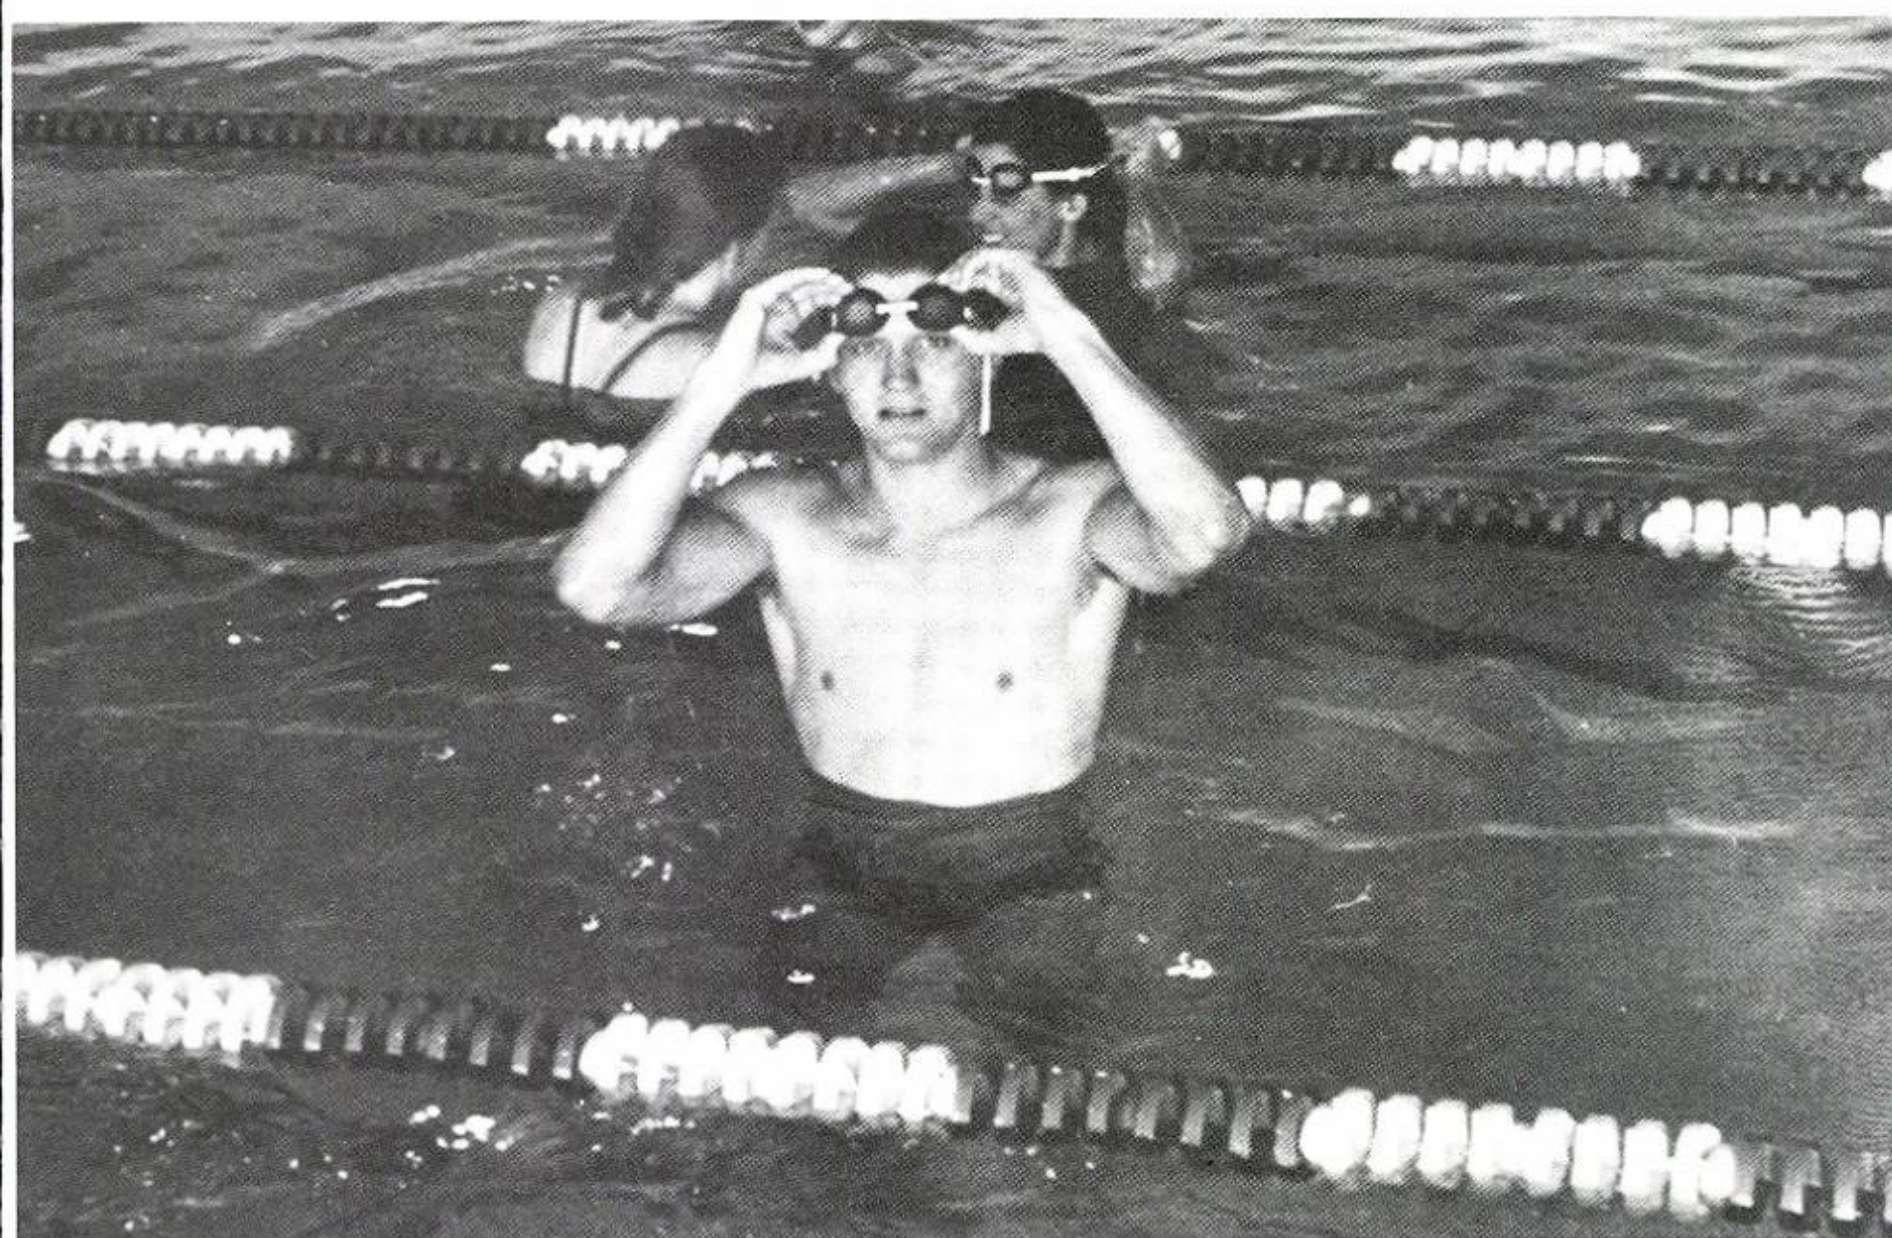

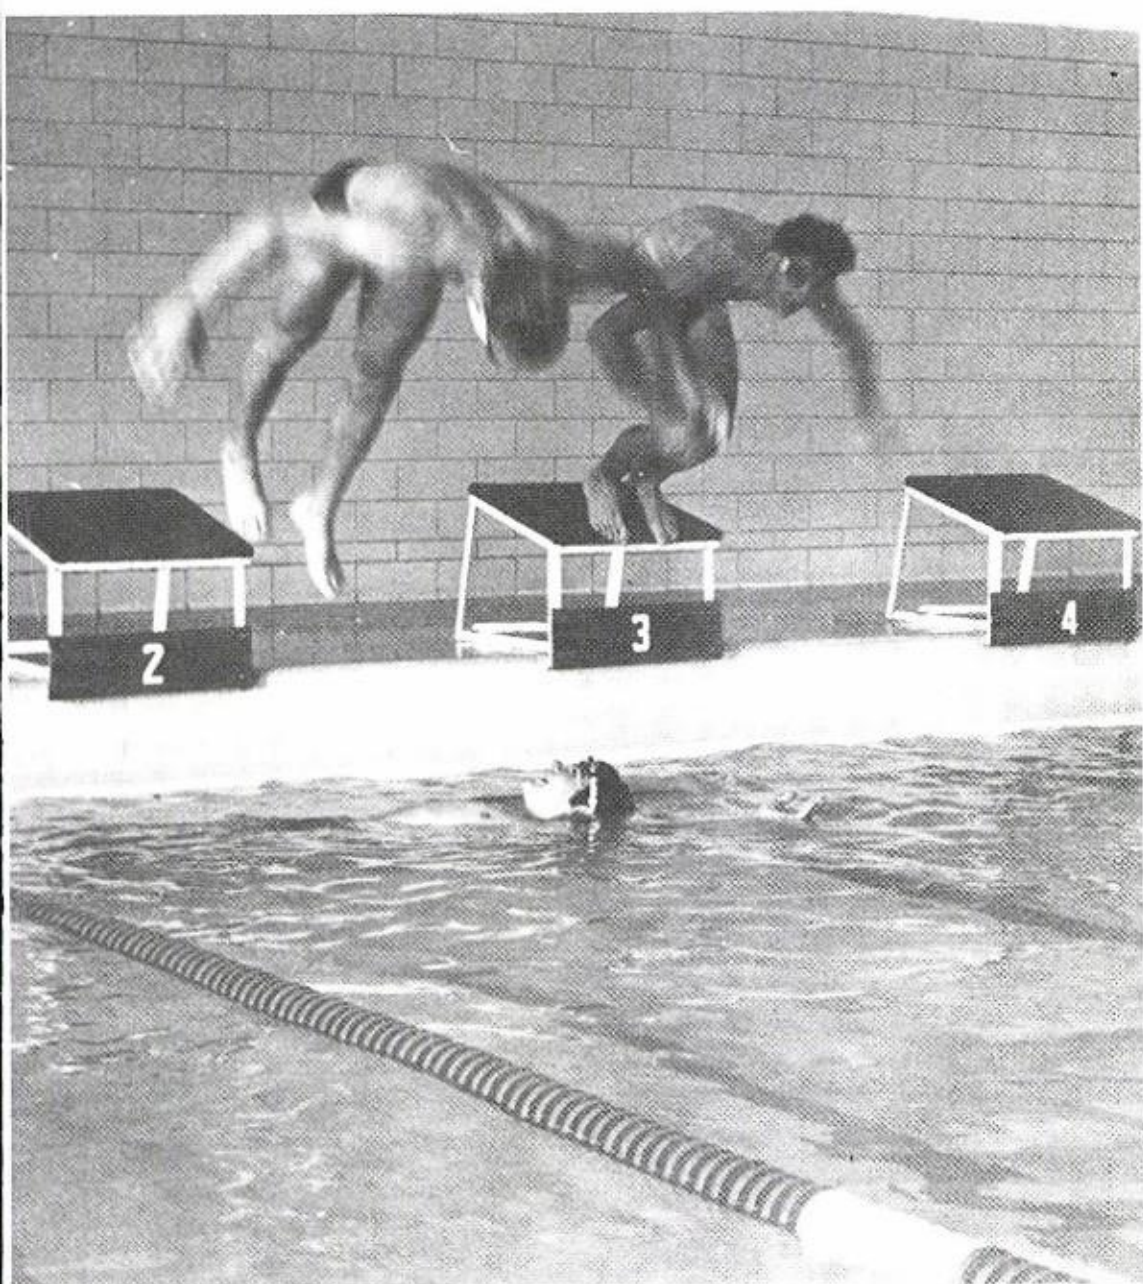

The Boys' swim team has made great progress despite the new district configuration, which pits Waltrip against nine very strong teams. With members such as Keith Kleinhenz, who set a new district record in the 200 yd. free style; and Vernon Hegwood, who took second place in the 100 yd. breast stroke, the team took third place at the annual district 19-5A meet.

Coach Barger, the head coach for the swim team, encouraged the participants to persist in their practice so they could give our school and students a swim team to be proud of.

Girls' swim team

Girls qualify for regionals

The 1986 Girls' Swim Team posted another successful season with the entire team qualifying for Regionals out of the District 19 meet held at Lee High School. In the district meet, Karen Koehler swam the 50 Breast and 50 Freestyle; Barbara Justice swam the 100 Back and 50 Freestyle; Karen Justice swam the Breast Stroke; and Cindy Kleinhenz swam in all events.

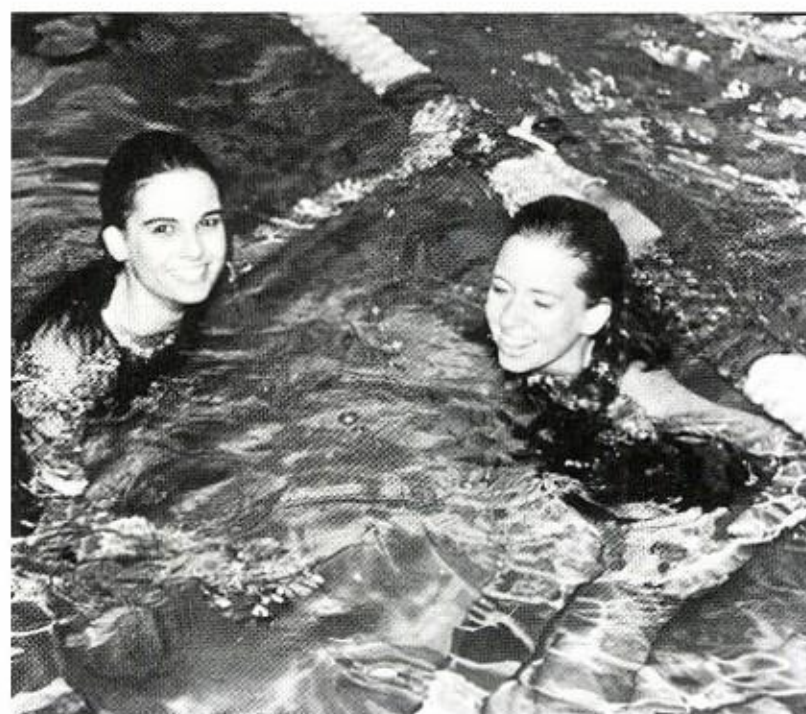

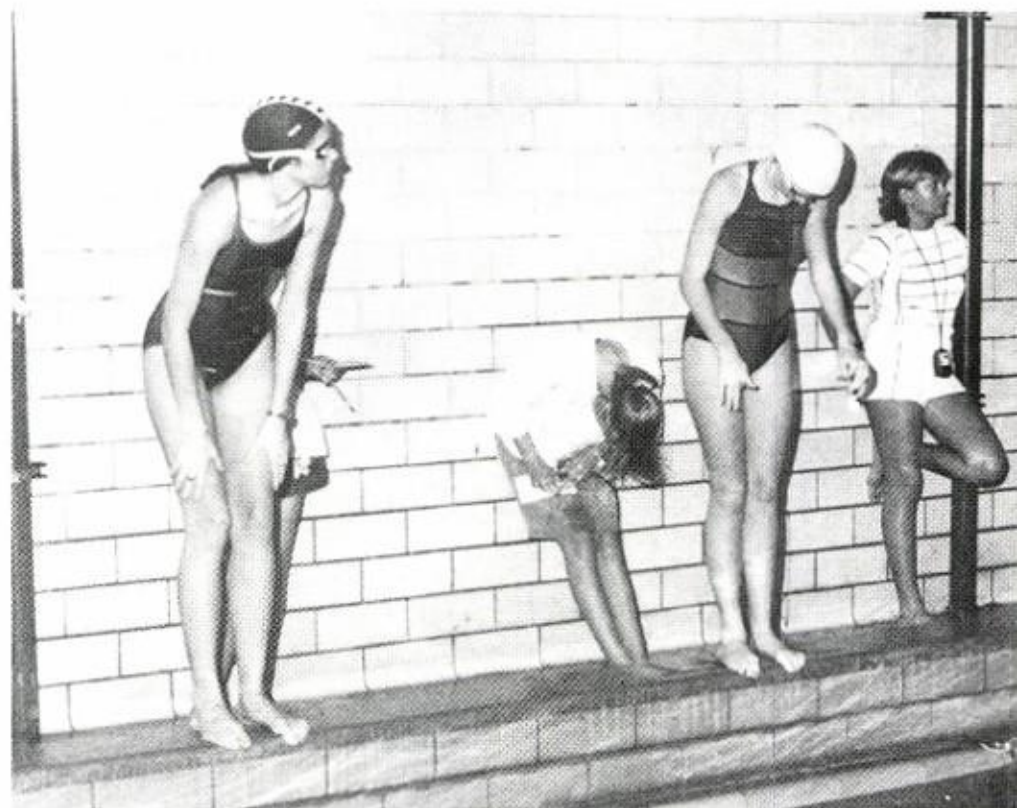

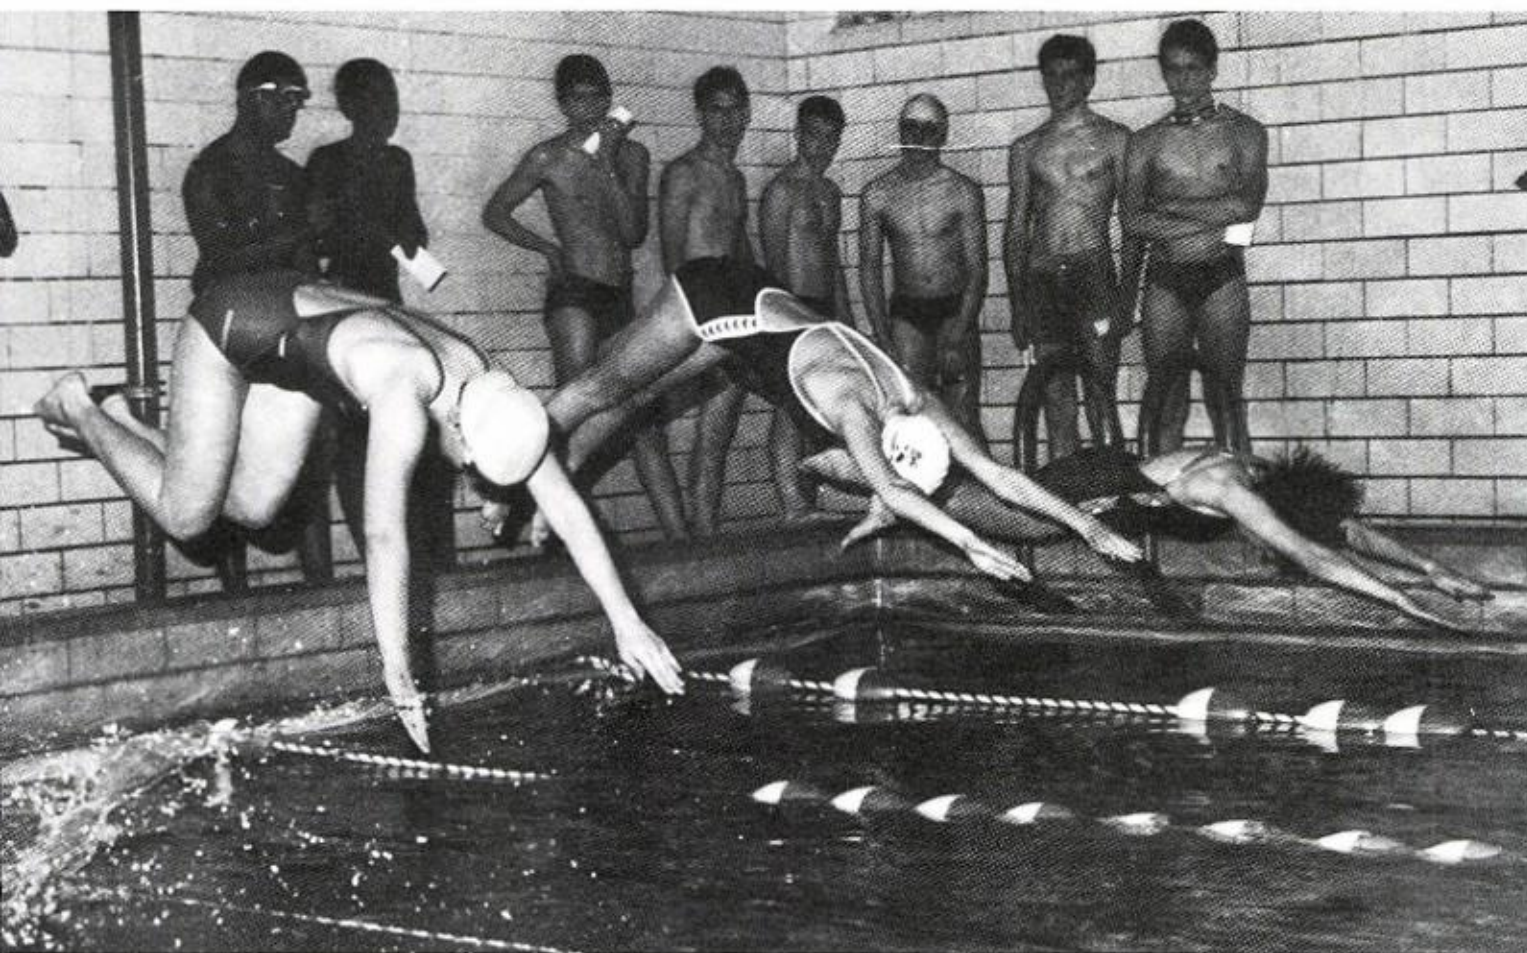

The girls excelled in all areas of swimming — Freestyle, Backstroke, and the Breast Stroke.

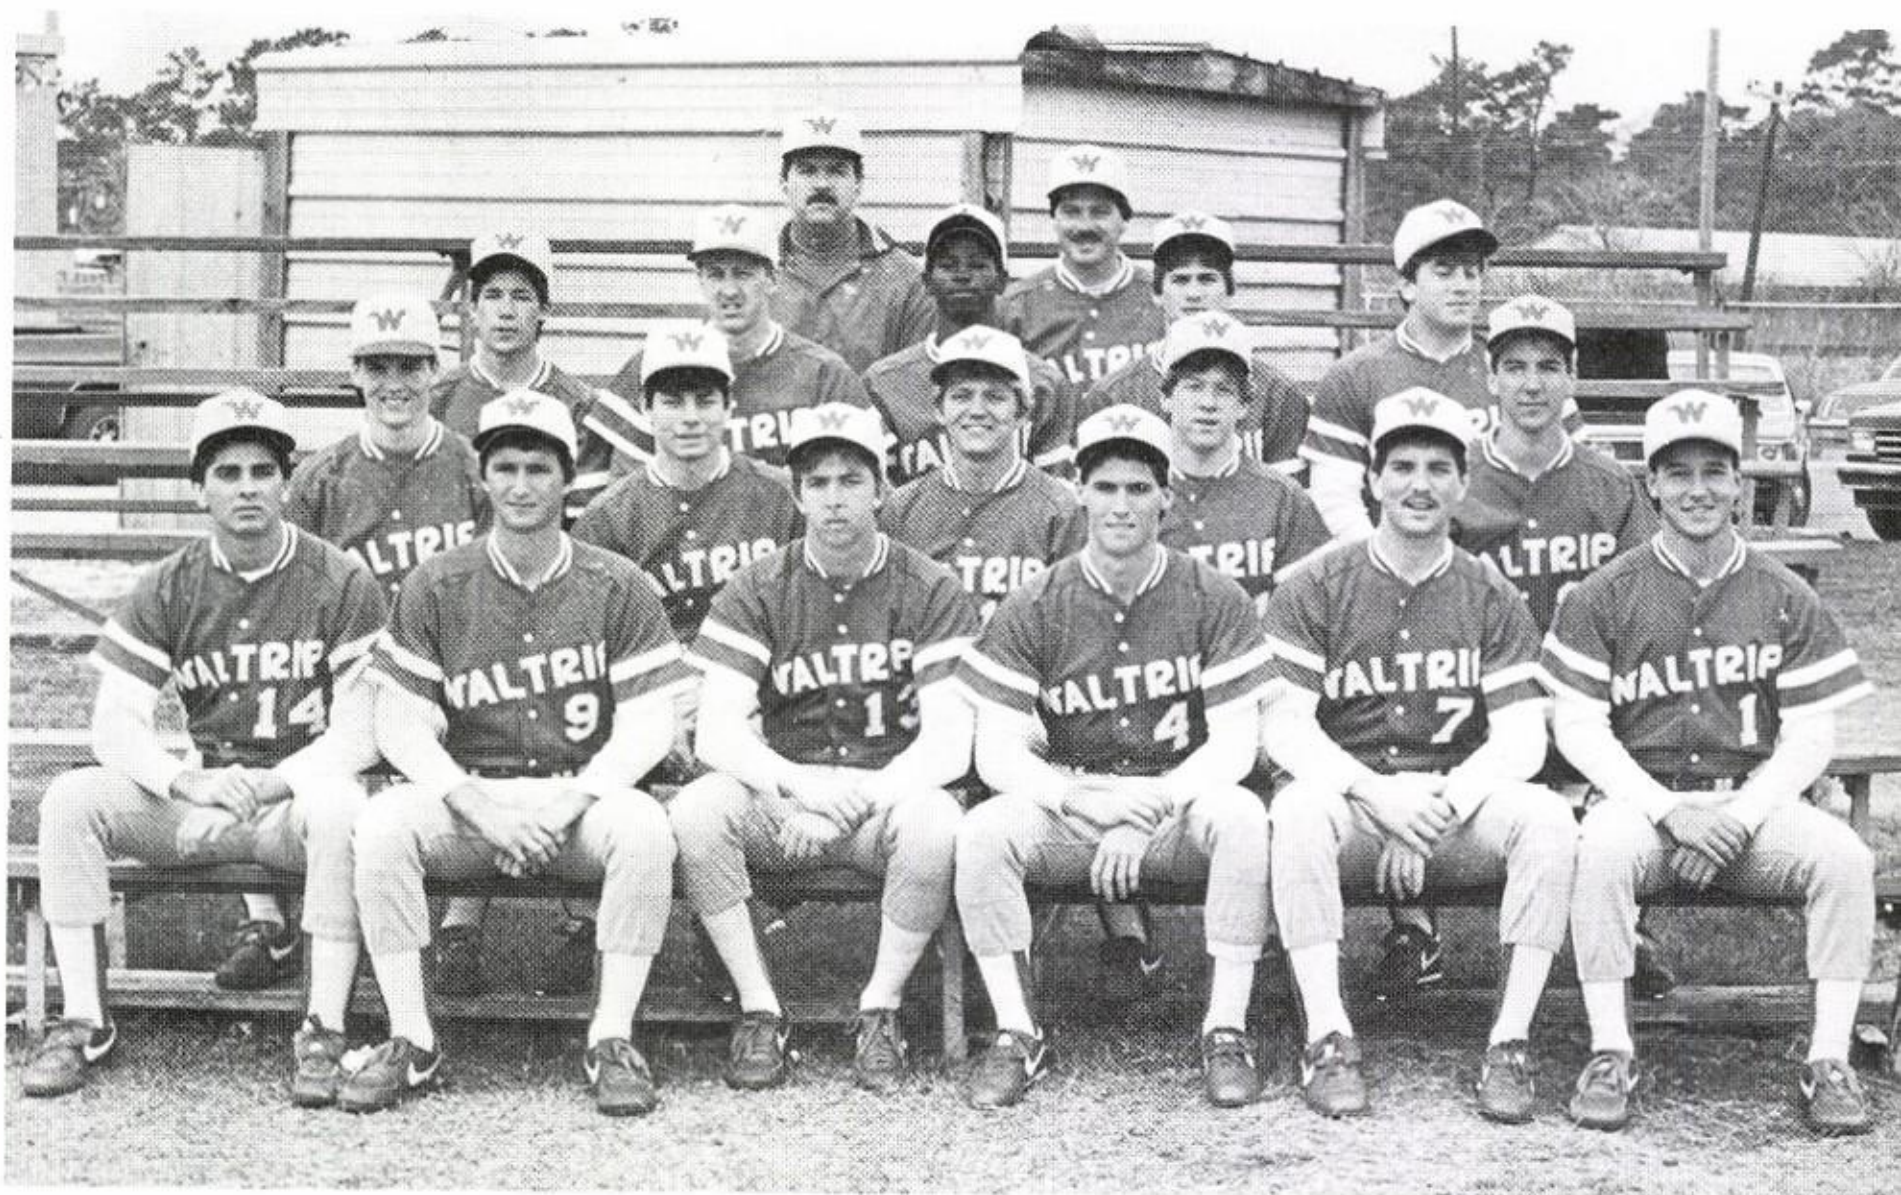

With their successful season that began with a great pre-season, the girls have given next year's team a great incentive to strive for an even better record.

Varsity

Players rank no. 1

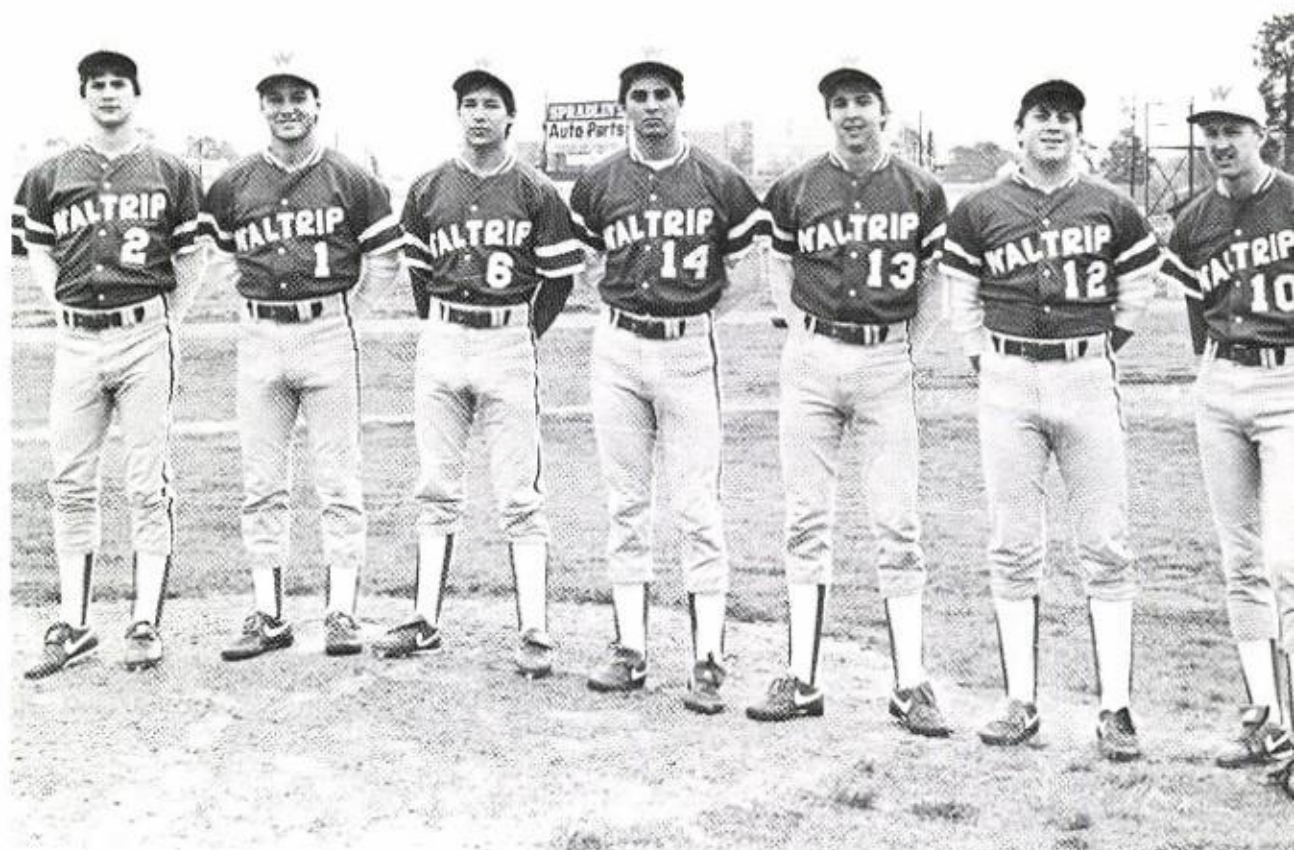

Waltrip is a school with many accomplishments to be proud of; and the 1986 Varsity Baseball Team has more than added to this feeling with the strength and talent of returning lettermen Greg Duran, David Bartula, John Malkowsky, Robert Copeland, Mark Smith, Tim White, Tim Elsen-

brook, and Terry Taylor. The team breezed through pre-season with no losses. During their first game against St. Thomas High School the Waltrip power force came on top with a 21-3 victory. Waltrip started the season ranked first in the nation.

Rifle Team

A group of strong men

The 1985-86 season for the AJROTC rifle team has proved to be a successful one. The team is coached by 1SG Roy L. Irvin. These young men have competed in four competitions. Waltrip won over Jefferson Davis in two competitions. They also defeated Reagan as well as Sam Houston.

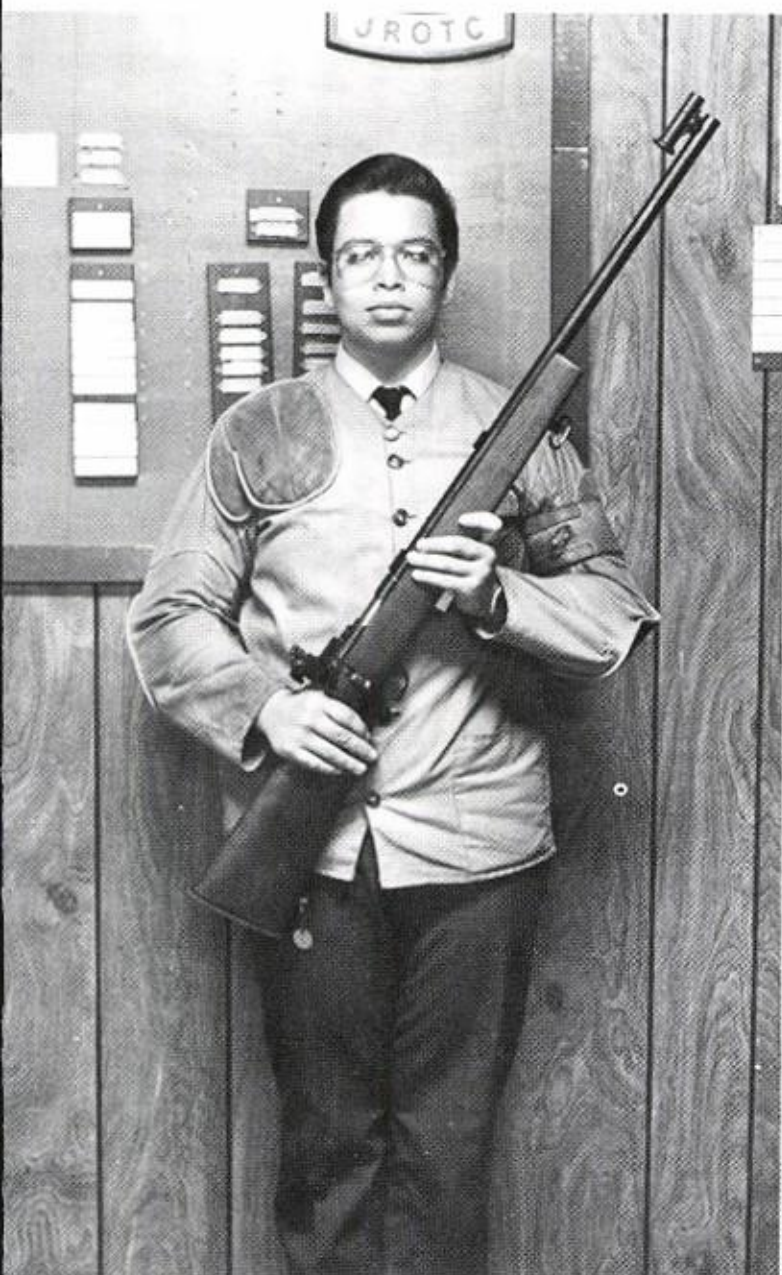

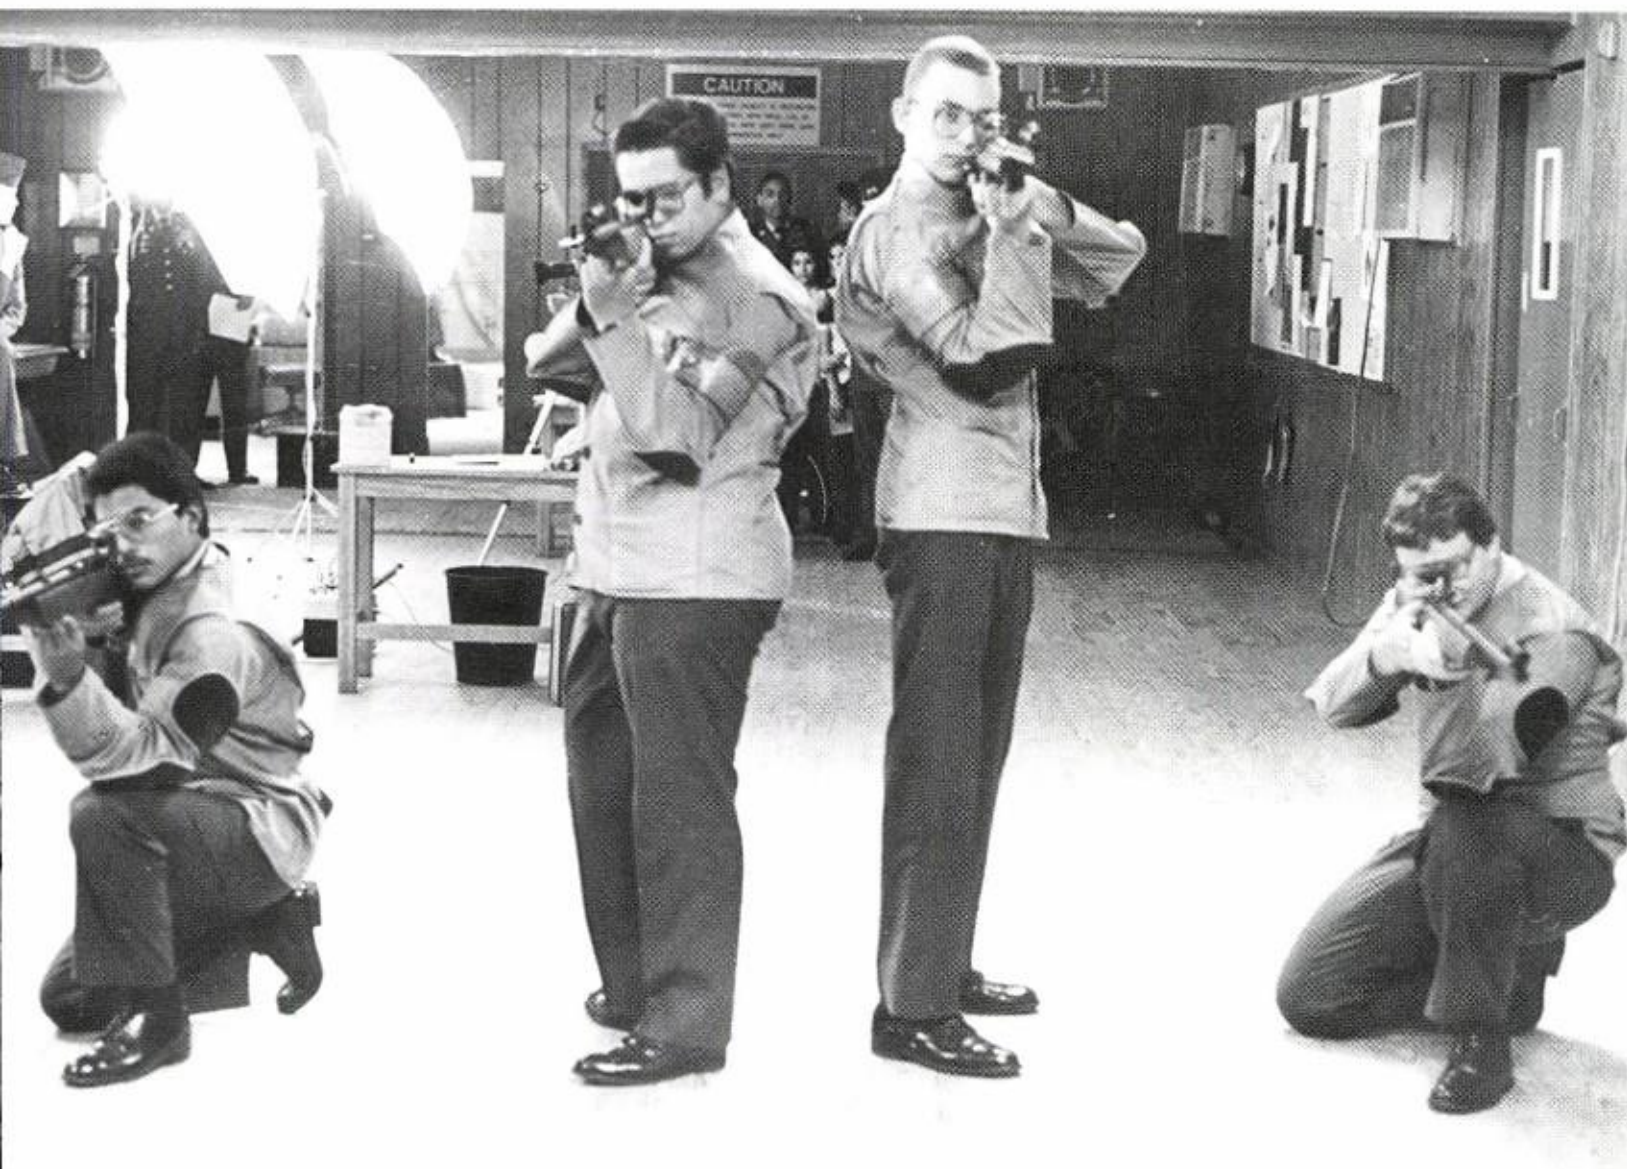

Captain Marco Velasco, James Hurt, Edward Mendoza, and Craig Groeschal were in the top ten firers out of sixteen schools in the district.

These fine young men should be commended for their outstanding performances this year. The Waltrip Rifle Team is a strong team and shall bring success for years to come.

Cross Country

Runners Bring in 2nd place trophy

This year the Waltrip Boys Cross Country track team did an excellent job. With the help of Coach Bell, they brought home the 2nd place trophy from the District Meet. Cross Country runners train hard and practice after school every day in order to run 2 miles. Coach Bell doesn't expect much from them as long as they do their best.

Cross Country

Girls bring home a second place trophy

The Waltrip Girls Cross Country Team is headed by Coach Elton Conger. Their overall results were good with them bringing in the 1st place trophy from the District 19 5-A Meet. Cross country runners work and train hard to be ready to cover 2 miles in 15 minutes. Coach Conger helps them prepare for this task. Coach Ranger is proud of the girls, and would like to congratulate them and everyone else for their support

Boys track

Team ran away with district

Eddie Miquel qualified as one of the state's top high jumpers with a 6 ft. 10 1/2 in. jump, as the Boys' Track Team had another successful season under the coaching of Bruce Bell. Eddie set meet records at Strake Jesuit and McCullough. Team Captain Darrell Collins was a top qualifier in the long jump and the 200. Walter Brown won district in the 800 and 400 and was a state leader in the 400. The 400 meter relay team — Collins, Siner, Moore, Milburn — had the state's fastest time in the event. With these fine records, the team ran away with district.

Girls' track

They strive for victories

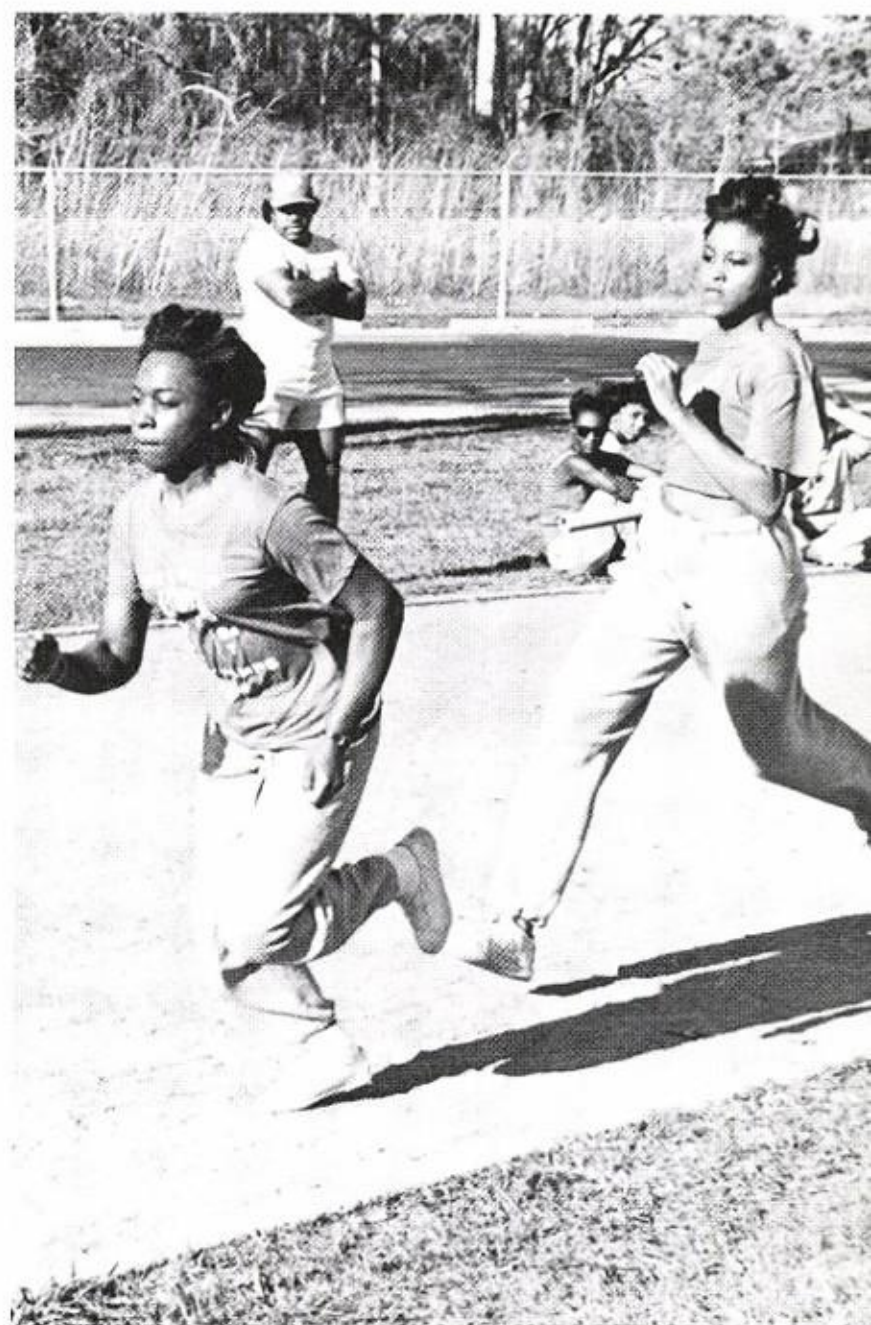

The Girls' Track Team has endeavored to strive for great victories. Coach Patricia Tillman has helped the girls. At first, the girls attend invitation meets. At these meets, they receive points according to their wins. After these meets they begin the Waltrip Relays. Later, there are the Houston, TSU, and Texas Relays. The 1986 Girls' Track team is doing an exceptionally good job. The girls spend many long hours striving to be the best possible. Coach Tillman and the girls expect to continue their hard work and fine job.

Boys' tennis

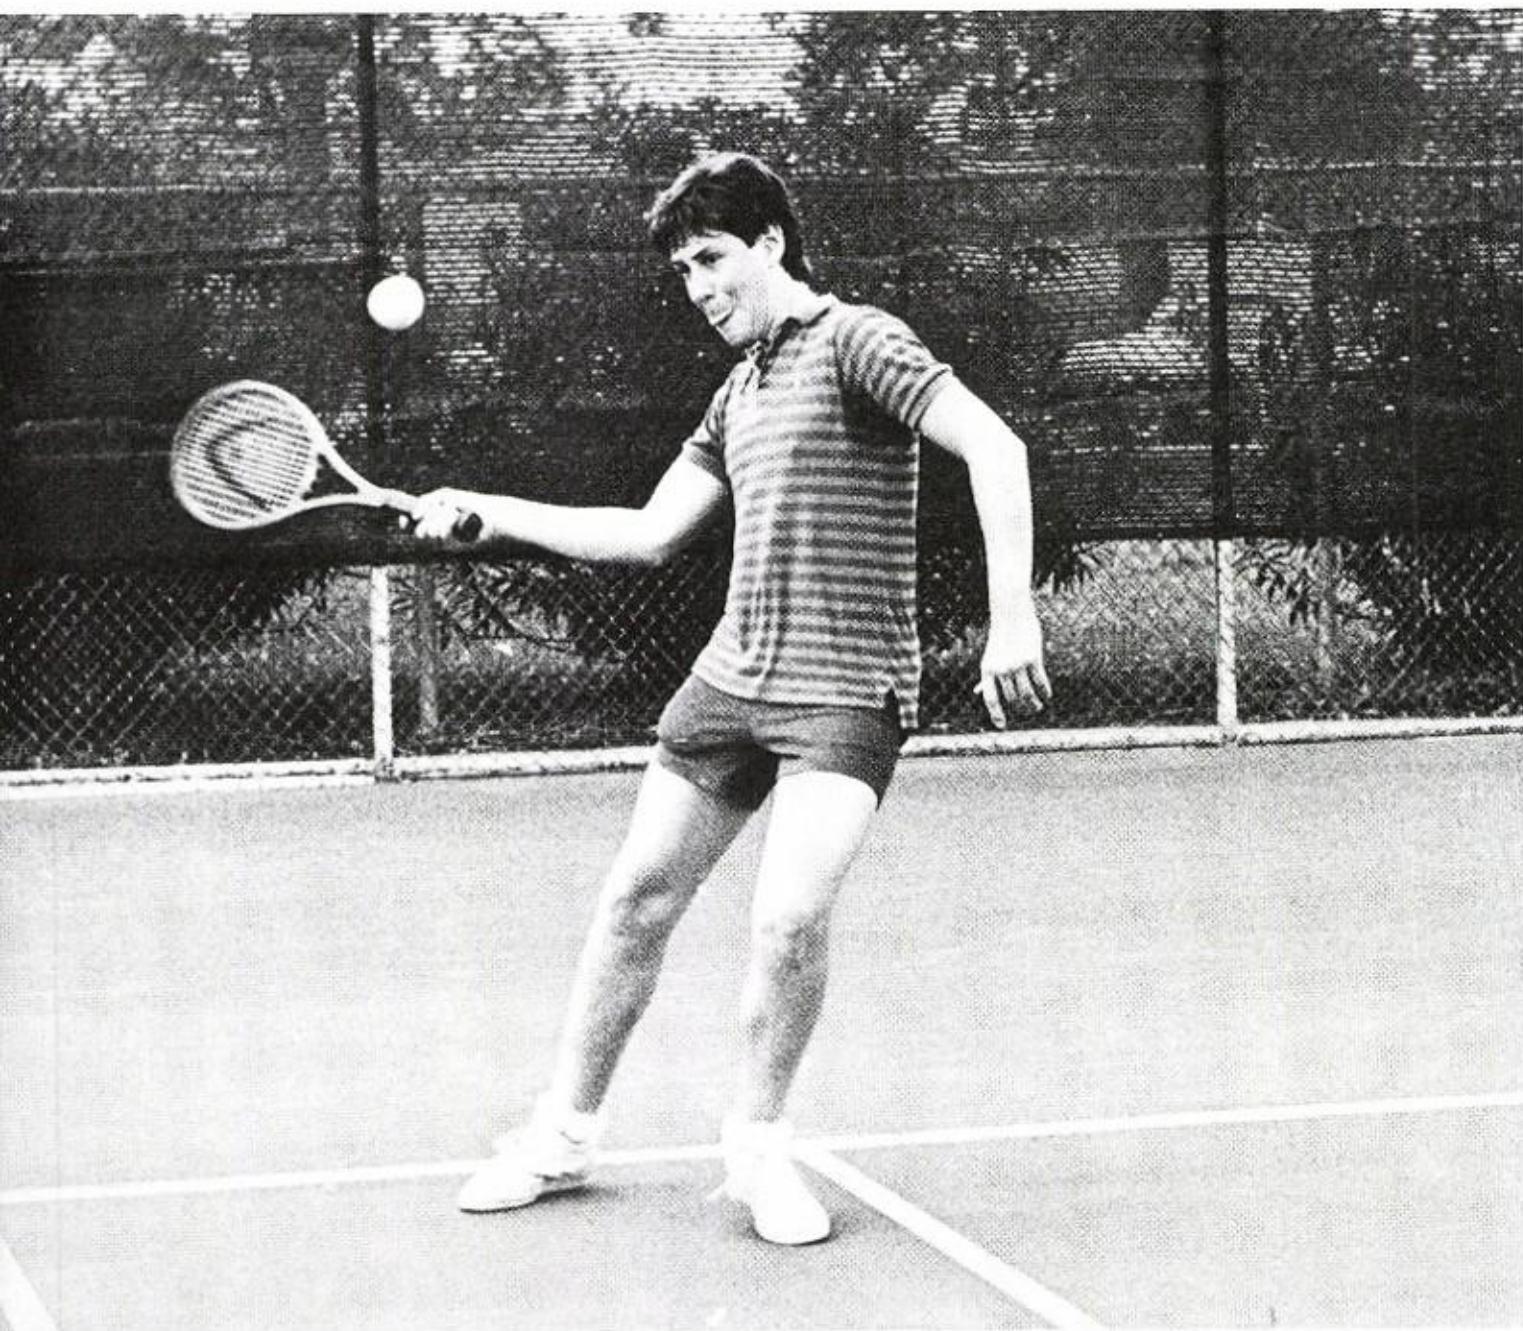

The boys lead a strong team

The 1986 Boys' Tennis Team is a very extraordinary group. With the help of Coach Toby Ingersoll, these young men had another winning team. The team spent many long hours in the afternoons practicing at school and at the Memorial Tennis Center, for their upcoming matches. With team member Marcus Milburn returning from last year, and first year players Lim, Almogabar, Landry, Jones, Castillo, Bosworth, and Fish, the team was a strong one. The young men displayed a real desire to have a winning team.

Girls' tennis

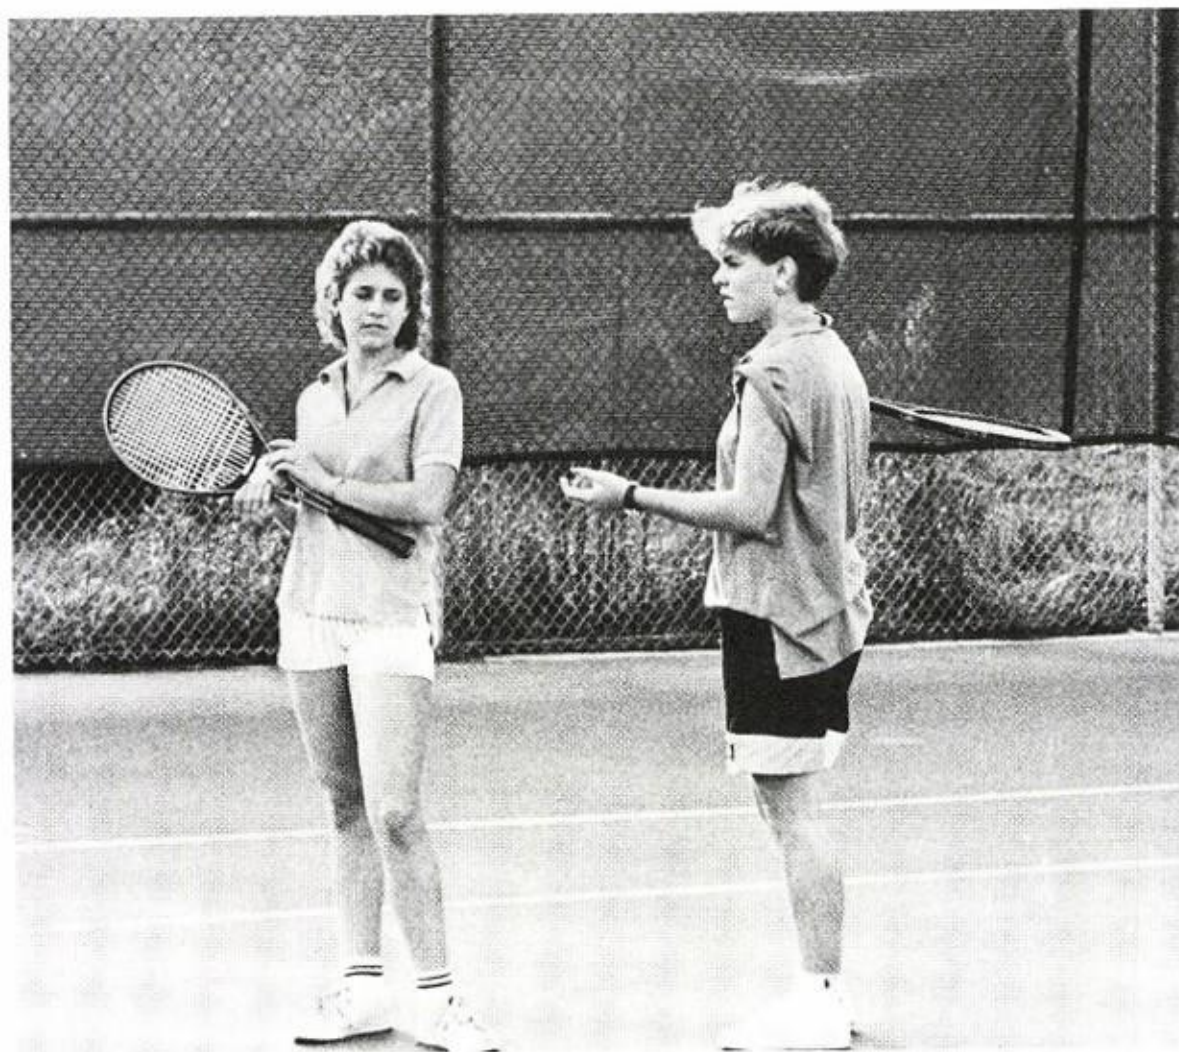

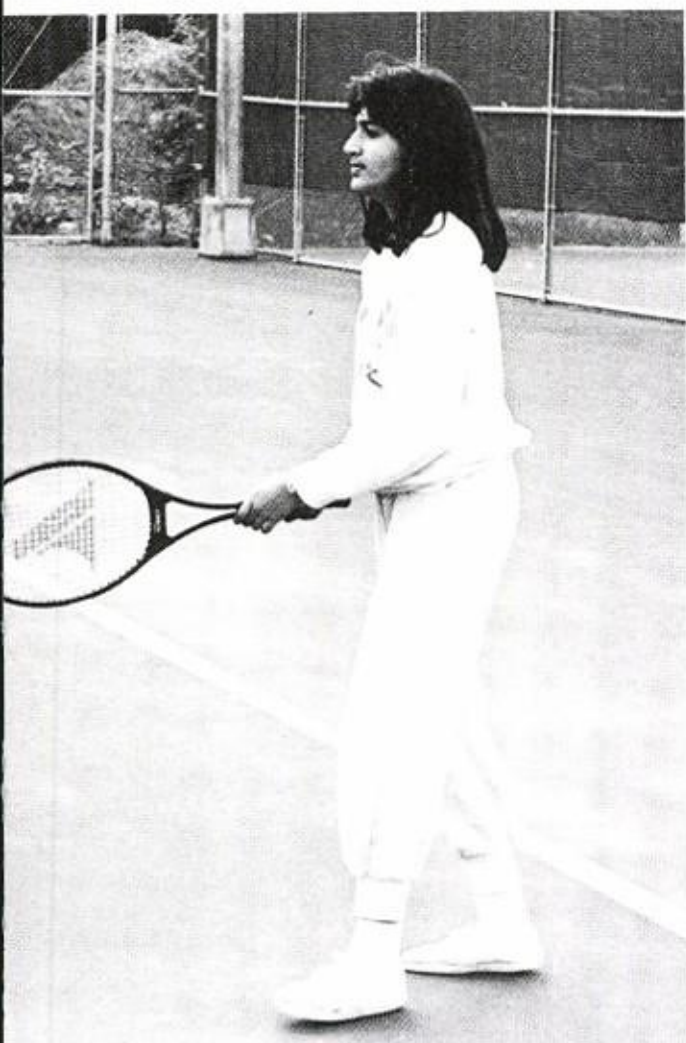

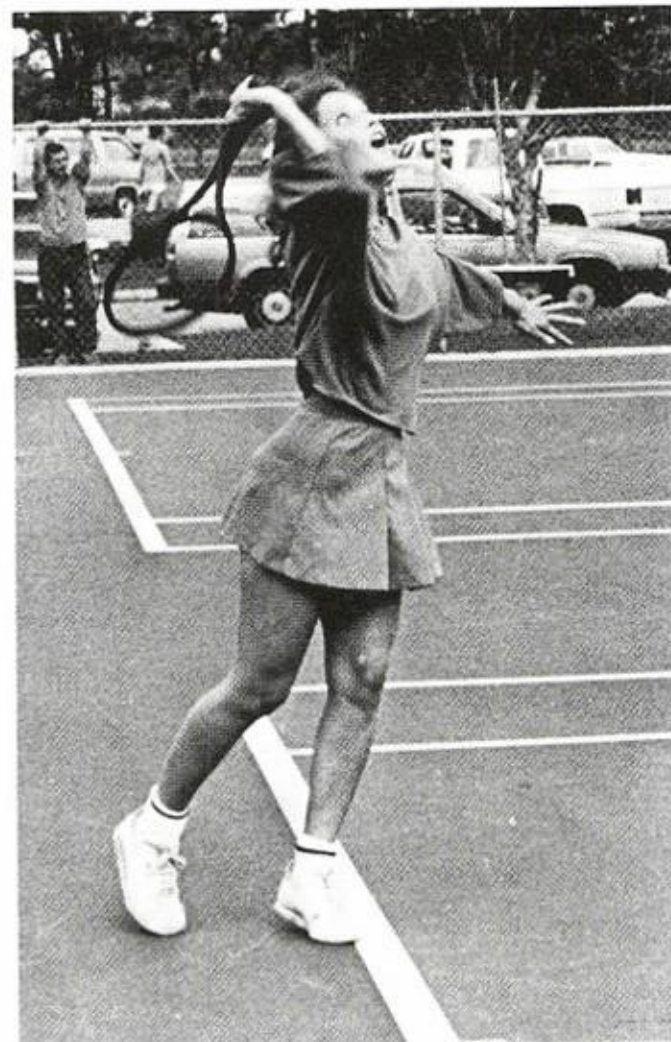

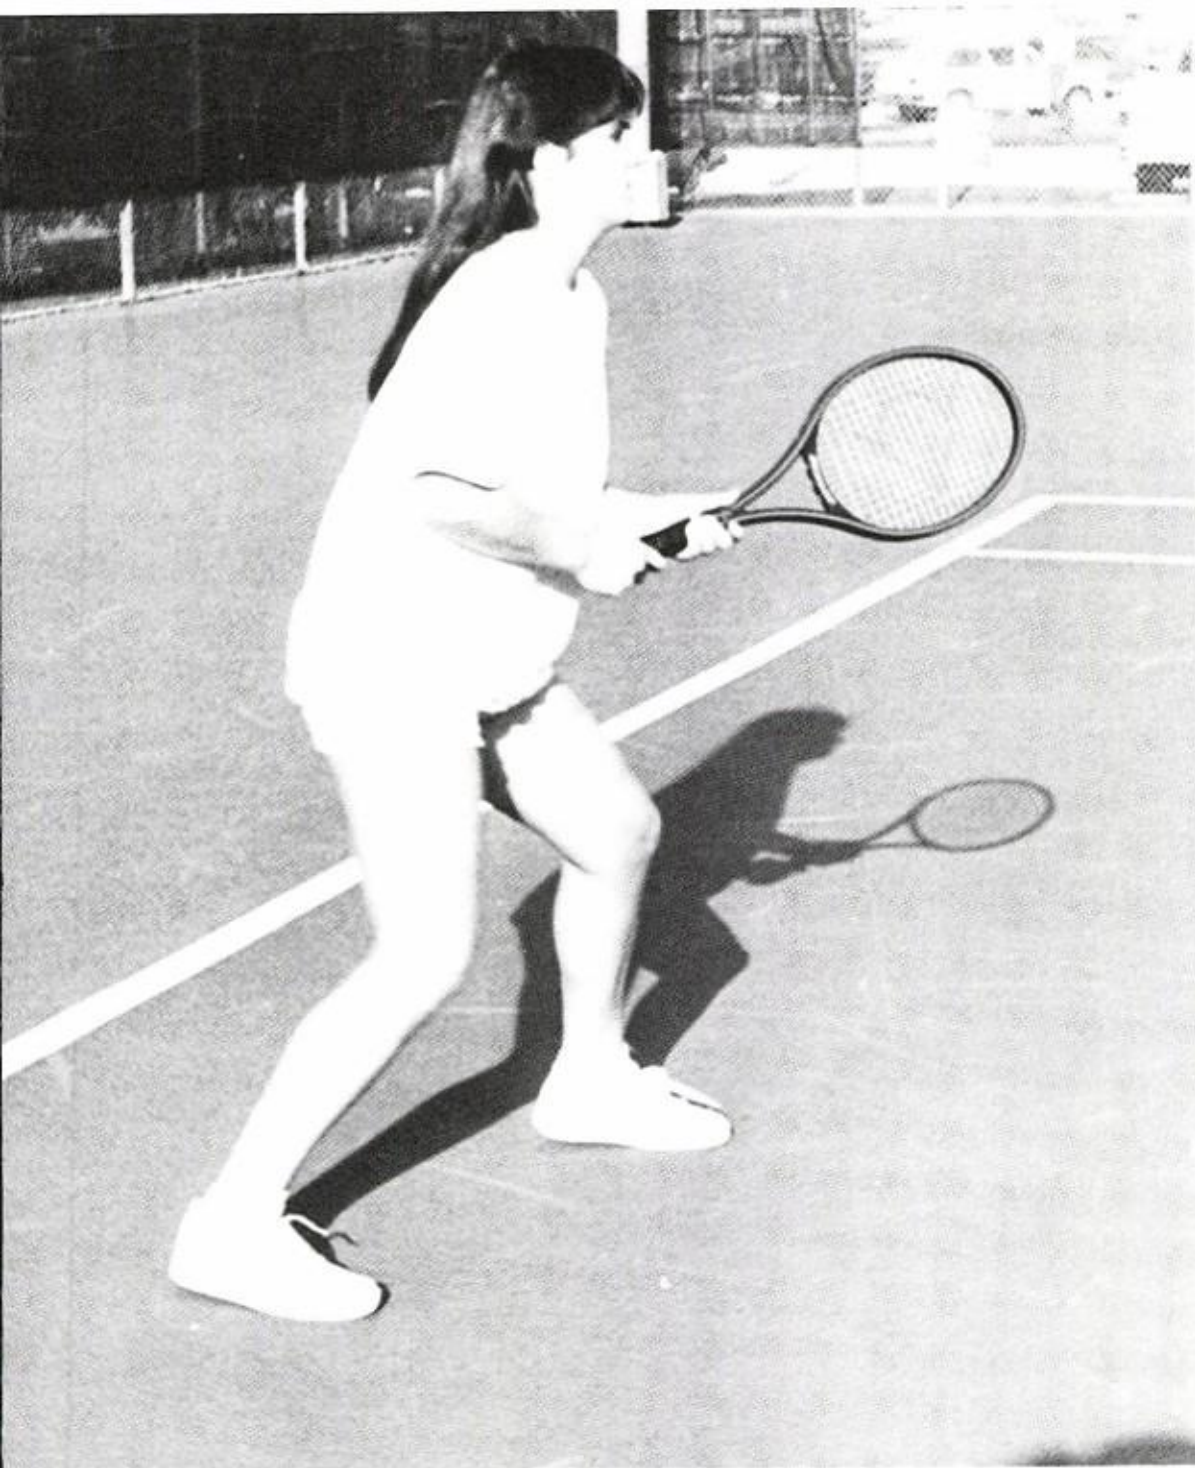

The team performs with stupendous talents

The 1986 Girls' Tennis team had another successful season under the supervision of Coach Toby Ingersoll. These girls possess great talents and skills for the game. They spent their afternoons practicing to make their team a successful one. "This year's team was made up of a bunch of hard workers and good players," quoted Adele Horne, a Junior member of the team. With all the dedication and hard work, it was not surprising to find out that these girls achieved their goal and produced the winning team they had all strived for.

Golf team

Boys swing into action

The 1986 Boys Golf Team had a lot of talent and determination. In 1985 they did very well in District play under the coaching of Foster Martin. Since most of last year's team returned, they expected an even better season this year. The team began the season by participating in the Sharpstown tournament. Early in March they played in the Heartstone tournament and had a good showing there also. The team practiced at the Memorial Golf Course and played most of their matches there. Their high expectations were reached as they had another very successful season.

Golf team

Girls drive to victory

The 1986 Girls' Golf Team had another very successful season. Only two members returned from last year's team, leaving Coach Anthony Zuccarini in doubt as to what the new team would be like. He was not disappointed, though. Fifteen new players were added, making it the largest girls golf team in Waltrip history. The team competed in two tournaments, both of which they did very well in. They have also placed first in District the past three years. With the new talent on the team, they have a good chance for many more great seasons.

A team shooting for the stars

Congratulations to the Archery Team for coming in 1st Place at the District meet. Some of the outstanding players are Lorrie Bailey, who came in 1st at the District meet, and Peggy Brown who finished 3rd. Receiving honorable mention is Stacy Jones. She finished her 4th year on the Archery team. Overall the Archery team had a good year.

Weight team

Young men use their strength to compete

The Weight Team is made up of several young men who have the ability to compete with their strength. There is quite a bit of devotion that is required in this sort of sport. They work out each day after school to build themselves and

prepare for the matches. They learn the correct way to do three lifts; squats, benchpress, and dead lift. The manner in which these young men perform these lifts are judged at district level competition. They at-

tend four to five of these meets. The top ten are elected from each weight class, they then go on to regional meets. These young men have worked hard toward a victorious win and certainly deserve it.

ORGANIZA TION

Waltrip has a wide variety of organizations to fit the personalities of every student. These range from the chess club to the Rambling Roses. Meeting times are usually announced on the speaker in the morning or posted in the main hall on the bulletin board.

There is a fee for most clubs that ranges from \$1 to \$5. These dues are for the club picture to appear in the yearbook. Clubs also sponsor many fund raisers during the year to raise money for other happenings. Most organizations have a banquet at the end of each year to announce new officers and to close out the year, and some clubs even take trips to learn more about the organization.

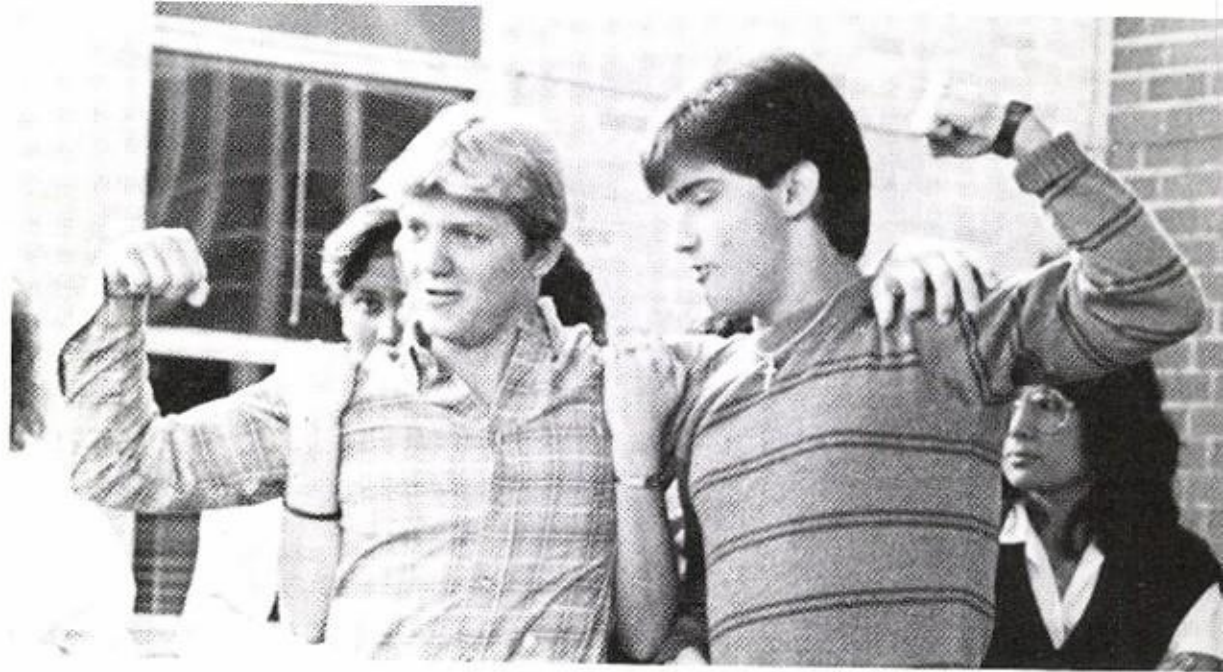

President Council

This club brings the presidents together

Waltrip's Presidents Council is composed of the presidents of each organization existing at Waltrip. Its members meet on occasions when club members need to be informed on school activities and reforms. The current and past sponsor of the organization is Waltrip's principal, Mr. Ofield. The purpose of the club is also to bring together the presidents of Waltrip's organizations so that an understanding of school activities may be formed.

Quill and Scroll

Members work on school publications

Quill and Scroll is part of a national organization that can also be called NHSJSJ (National Honor Society for High School Journalists). The chapter of Quill and Scroll here at Waltrip is composed of students who have participated in a high school publication; such as the Tribune (the newspaper) or the Aries (the yearbook). Many of the members of Quill and Scroll are top editors. Students of this prestigious organization are inducted at the end of the year at which they listen to a guest speaker and hold a luncheon. Who knows, our Quill and Scroll members might turn out to be future journalists, publishers, or even producers!

N.H.S.

Society honors students

The National Honor Society is an organization made up of academically outstanding juniors and seniors. Membership in the National Honor Society is based on scholarship, leadership, service, and character. A 3.2 grade point average and an E conduct average are required. NHS members sponsor several beneficial activities for both

the school and community. Included in these activities is a donation of Christmas baskets to needy families in the community. Students making all A's or all A's and one B are given a special Honor Roll breakfast each six weeks. An induction of new members is also held at the end of each year.

Student Council

Members carry out many helpful activities

The Student Council is made up of many students in each grade level. An alternate and a representative are chosen in each homeroom at the beginning of each new school year. The officers are made up of five seniors that were chosen for such offices as President, Vice President, Secretary, Treasurer, and Reporter. The members of the Student Council help deliver the Tribunes and also take part in the many fund raising activities held throughout the year. Sponsor of the Student Council is Tom McElroy. Ramhandlers

Group changes tradition again

L to R: Kent Onken — Head Ramhandler, Cary Moore, Jana Groce, Stacey Jones.

The Ramhandlers are a special group of four who help promote spirit on campus, at pep rallies, and at football games. Among their duties are painting the run through sign and taking Rambler and Baby Ram to all of the football games. This year the Ramhandlers still have the traditional nicknames on their uniform but continue to change tradition when it comes to the uniform itself. For this school year they decided to go with warm-ups, and boy were they hot!

This is the run through sign the Ramhandlers painted for the 1985-86 Homecoming game.

Rambling Roses

Drill team takes second place

The Rambling Roses helps promote school spirit. The members attend all football games and pep rallies and aid the cheerleaders in supporting the athletes. This year, on January 26, the Roses participated in the All American Pep Association Festival Competition sponsored by ESPN, and took second place in the drill team division. Sophomore Tammie Gutierrez was one of the sixteen outstanding young ladies and men who were selected to the tournament Dream Team, an honor for which she will travel to the Super Dome in New Orleans to make a Coca-Cola commercial with Bill Cosby! In order to be a member of Roses, one must comply with the constitution and with House Bill 72. Roses is an exciting experience for those interested in dancing and showing spirit.

JROTC

Organization produces leaders

First Sergeant Irwin

JROTC is the Junior Reserve Officer Training Corps designed to train cadets to be leaders. The Corps main goal this year is to be an honor unit with distinction. In order to reach this goal the JROTC strives to teach cadets to respect others, and to communicate both in speaking and in writing. Physical fitness awareness and the important role of the Armed Forces are two points highly stressed. The cadets also study the JROTC drill and ceremonies, first aid, map reading, and marksmanship. The JROTC follow the cadet chain of command which goes from the Battalion Commander to squad member. Cadets with leader positions are responsible for what his subordinates do or fail to do

Choir

Students develop their singing talents

Being in choir helps students to develop their singing talents and to gain a better understanding of music in general. The choir performs in the annual Christmas program at school, and at several programs in malls, banks, hotel lobbies and at other schools. It also participates in the Spring concert, which is held at the end of the year with the awards night program. Individual students, as members, are also eligible to compete in UIL solo and ensemble contests, which give them a chance to further develop their skills. Choir is an exciting experience for people interested in music.

Choir undergoes many changes

The choir underwent several changes during the year. Its director, Mr. Gene Beall, who has been at Waltrip for several years, left in November in order to be the Vice Principal at Clifton Middle School.

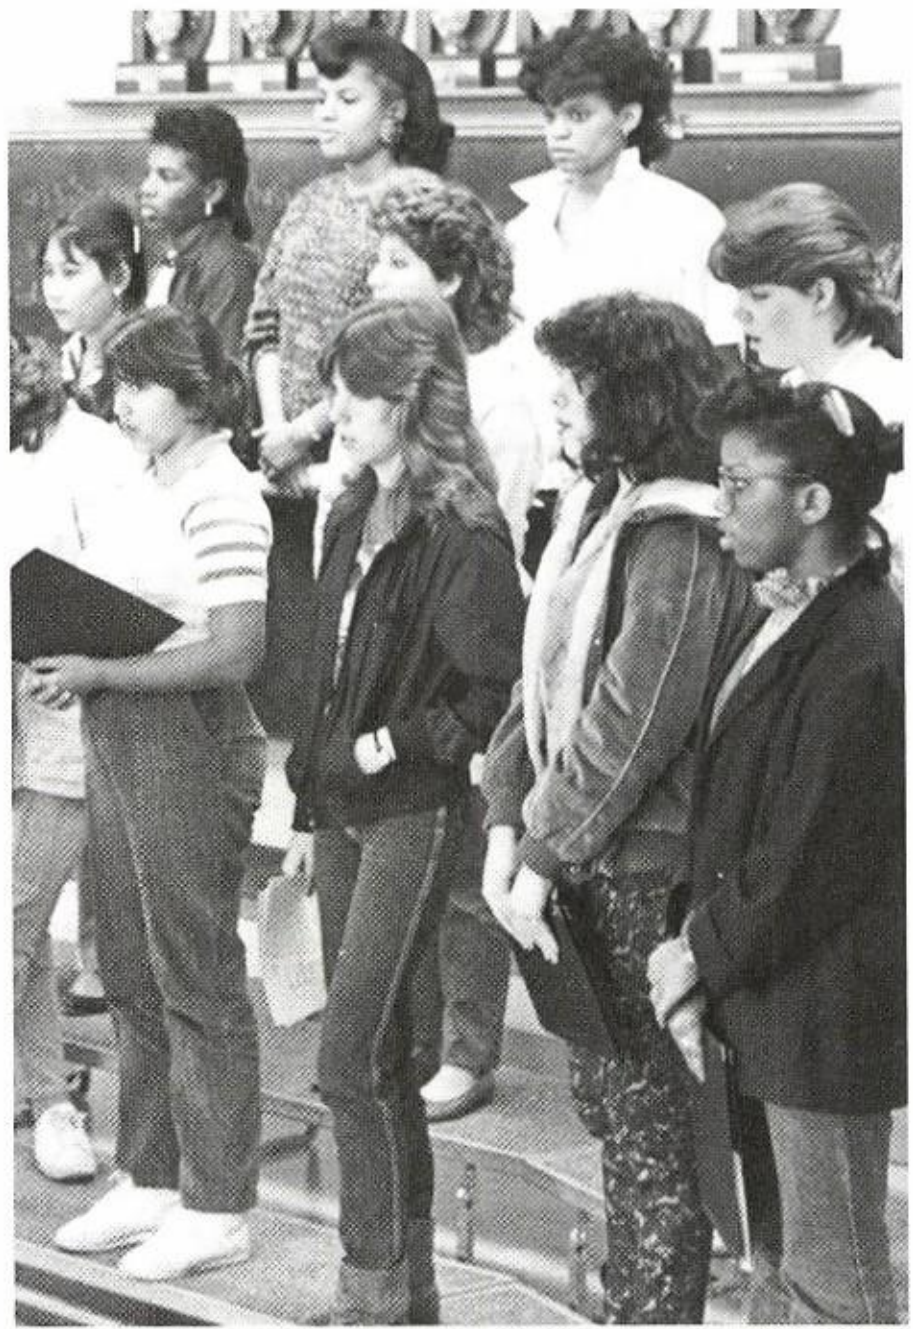

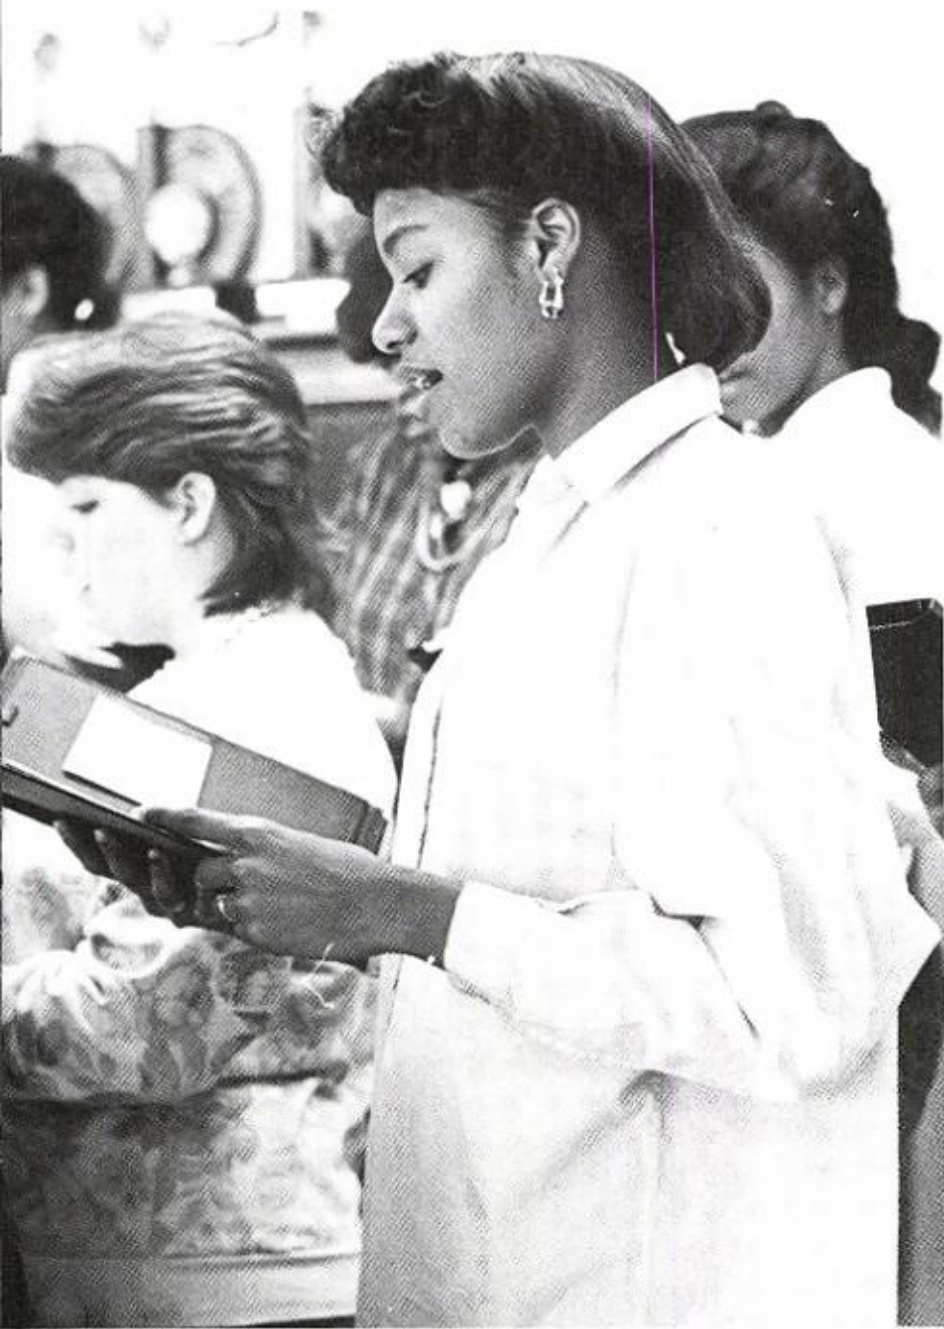

Now, under the new direction of Mr. Les Cole, an advanced choir has been formed for girls having an extensive musical background. A choir exclusively for boys has also been formed. During the confusing transi-

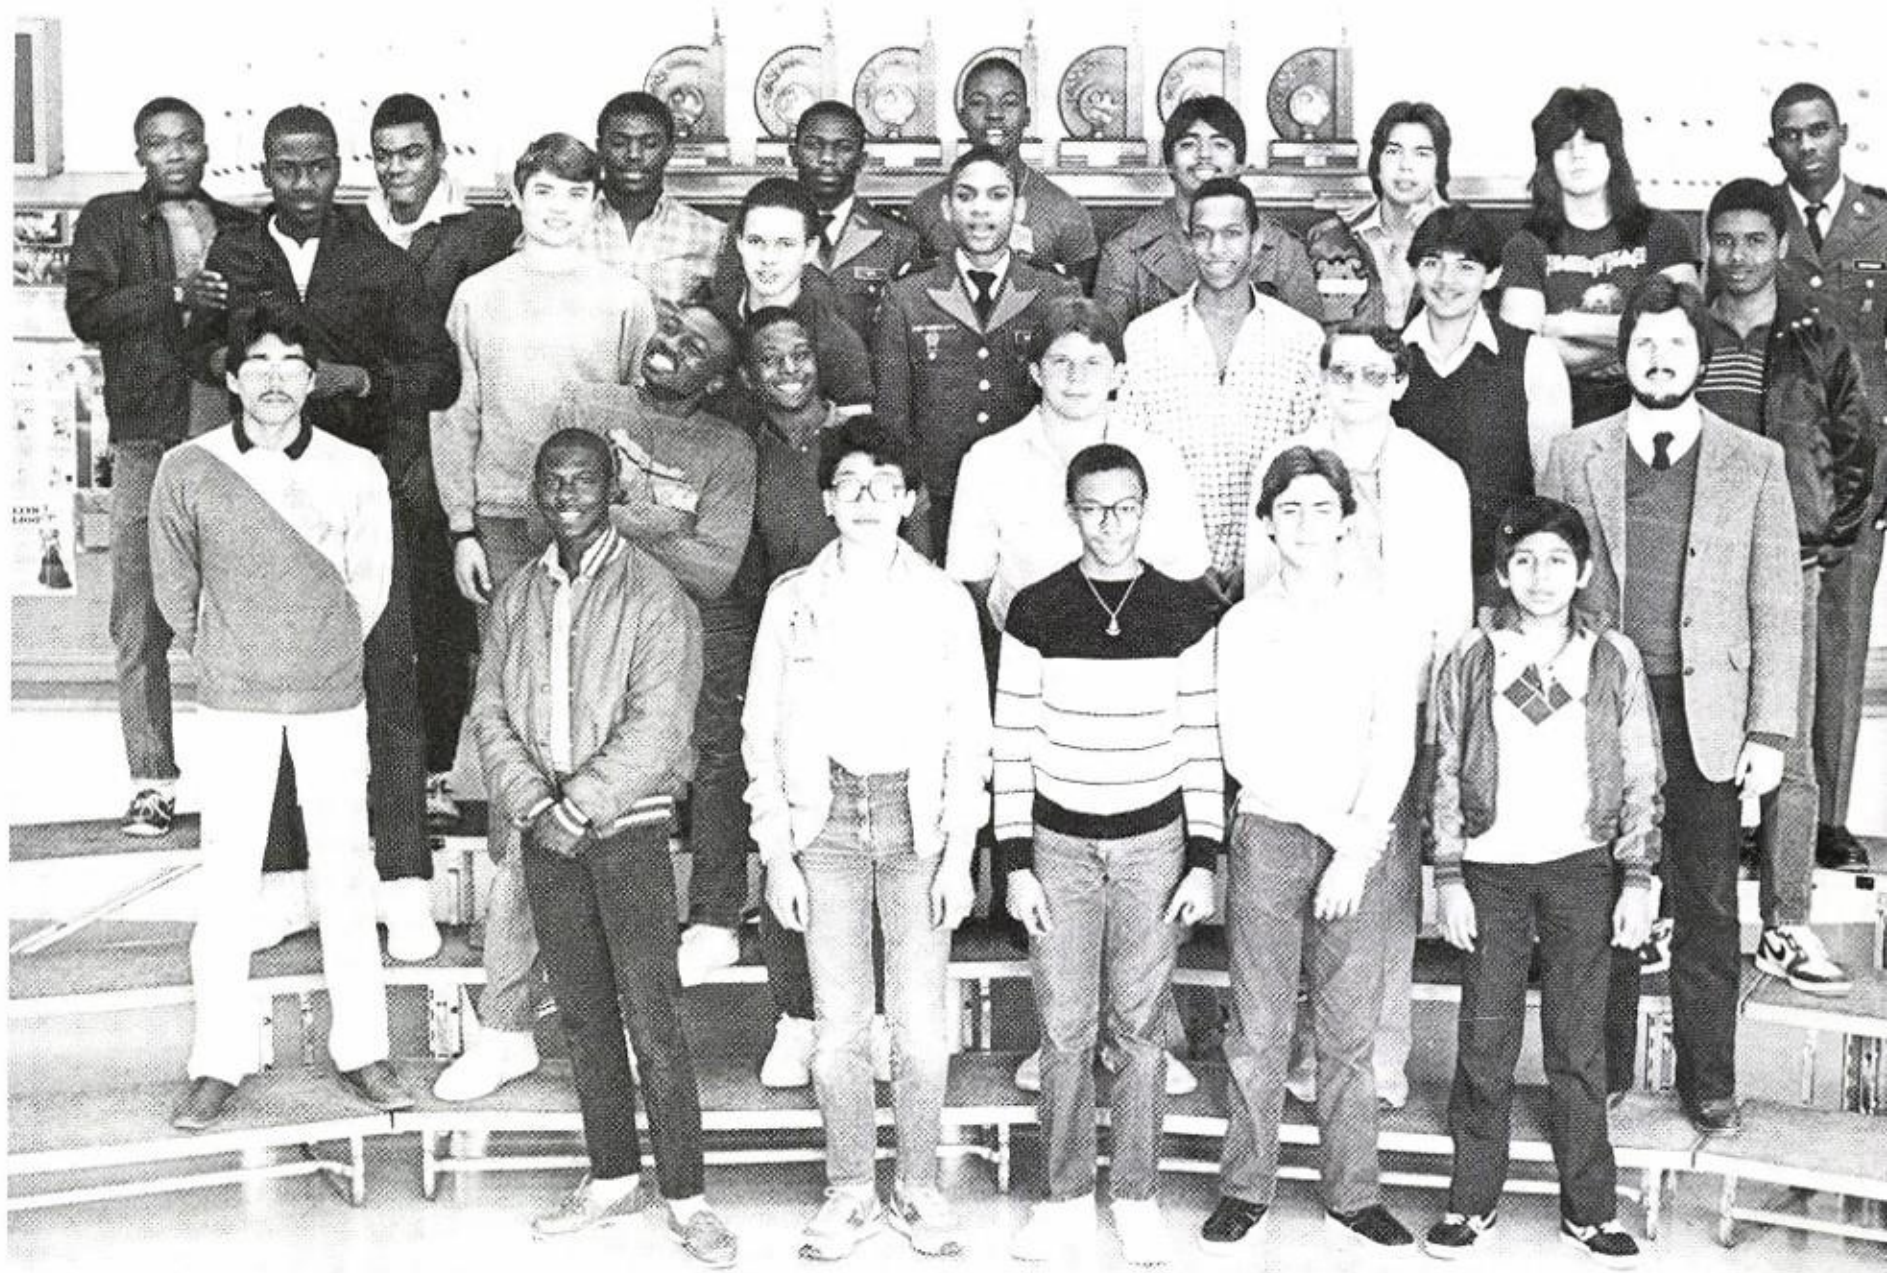

tion period, choir members change classes several times. However, they still have had a successful year full of hard work and determination, with the terrific help of their new leader.

Ram Band

Members have busy year

This year the band had a tough act to follow considering that last year was the silver edition of the band. Mr. Stephens, the drum majors, and the other members of the band helped make it possible for the year to pass with flying colors. Some of the activities which helped bring on a good year were parades, halftime activities, and competitions. A couple of examples of the fundraisers are the spaghetti dinner at which there

were door prizes such as a car stereo and tickets to a rock concert, and also the selling of locker mirrors. The various parades the band attended consisted of the Height's Fest in October, the Foley's Thanksgiving day parade in November, and the rodeo parade in February. All together the band had a great year and will always continue to brighten our halftimes with its music and performances.

Students have special talent for art

National Art Honor Society is a nationwide organization for all students interested in art who have a special talent for creativity. Both adult groups and student groups belonging to this society help raise money to fund art schools and museums. The activities include drawing or painting posters and pictures, which are

entered in contests. This year the pictures created by students were entered in the rodeo exhibition. Students also made Christmas ornaments and painted the faces of other students. Being in NAHS is a fun and exciting way of developing one's artistic abilities and becoming involved in many activities.

Peer Tutoring

Club helpful to all students

This organization is made up of eight individuals that can provide an important service to our students. During the new T.S.E. period, these students tutor other students that need extra help in certain subjects. It is easier for some to understand the

tutor's way of explaining a problem because the tutors, being students themselves, can explain things on a different level than a teacher. This organization is very beneficial to the entire student body.

Child Care

Lab proves to be a learning experience

This year's Child Care Lab proves to be a learning experience for students here at Waltrip and for the children enrolled in Child Care. Students taking the lab for a class get the chance to learn how to take care of children and be more responsible. The children enrolled in Child Care get the chance to be around other children their own age as well other children instead of being stuck at home with a babysitter. The lab here at Waltrip has many activities it holds for the children throughout the year, such as a Thanksgiving Day party, a Valentines Day party, and a Christmas party. Child Care proves to be valuable for everyone.

Students express teacher appreciation

The Texas Association of Future Educators is an organization with two main purposes: to promote teaching, and to express teacher appreciation throughout Waltrip High. On holidays such as Christmas, Halloween, and Thanksgiving, members of TAFE gather to produce gifts of appreciation to our teachers. TAFE's main sources of income for these treats are fundraising activities. Bake and candy sales are held throughout the year. The most successful of these sales was the one held during the months of November and December. A list of desserts was given to faculty members. They then placed their order, the date of delivery, and where they wished the delight to be delivered. The sale was a great success — enabling TAFE to almost double their savings account.

Sophomores

This class has come a long way

This year's sophomore class has come quite a long way. At the beginning of the year, the organization, with the help of Mr. Brian Chance — sponsor, and Mr. Carol Pickering — co-sponsor, began fresh. Throughout the year they have held many bake and candy sales including a large holiday candle, cookie, and candy sale. During spirit week, the class participated in occupation day and farm day, where they dressed to fit the title. They decorated the third floor of the school and did quite an impressive job. Also a very impressive event occurred when the class came second to the senior class in the showing of the spirit chain.

Juniors

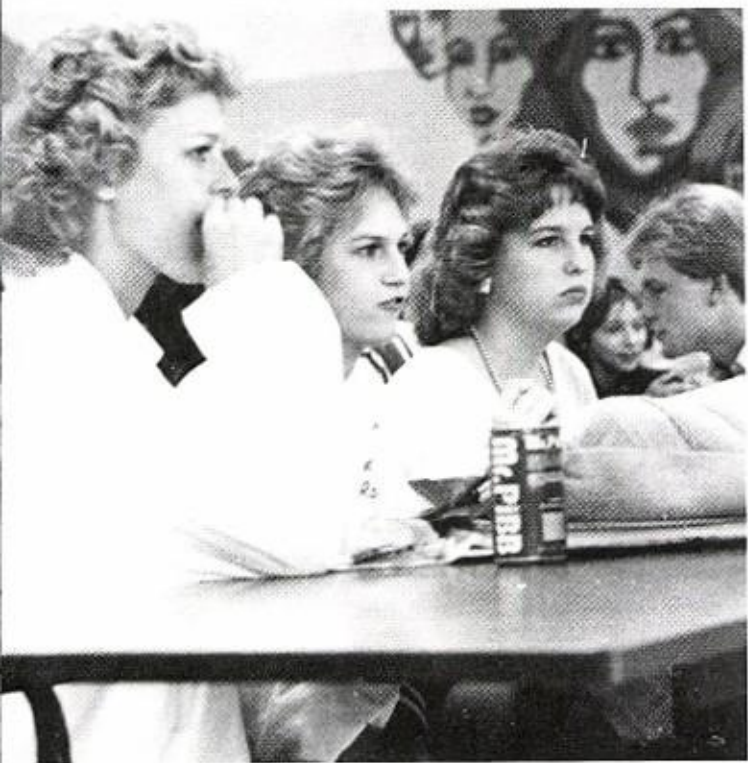

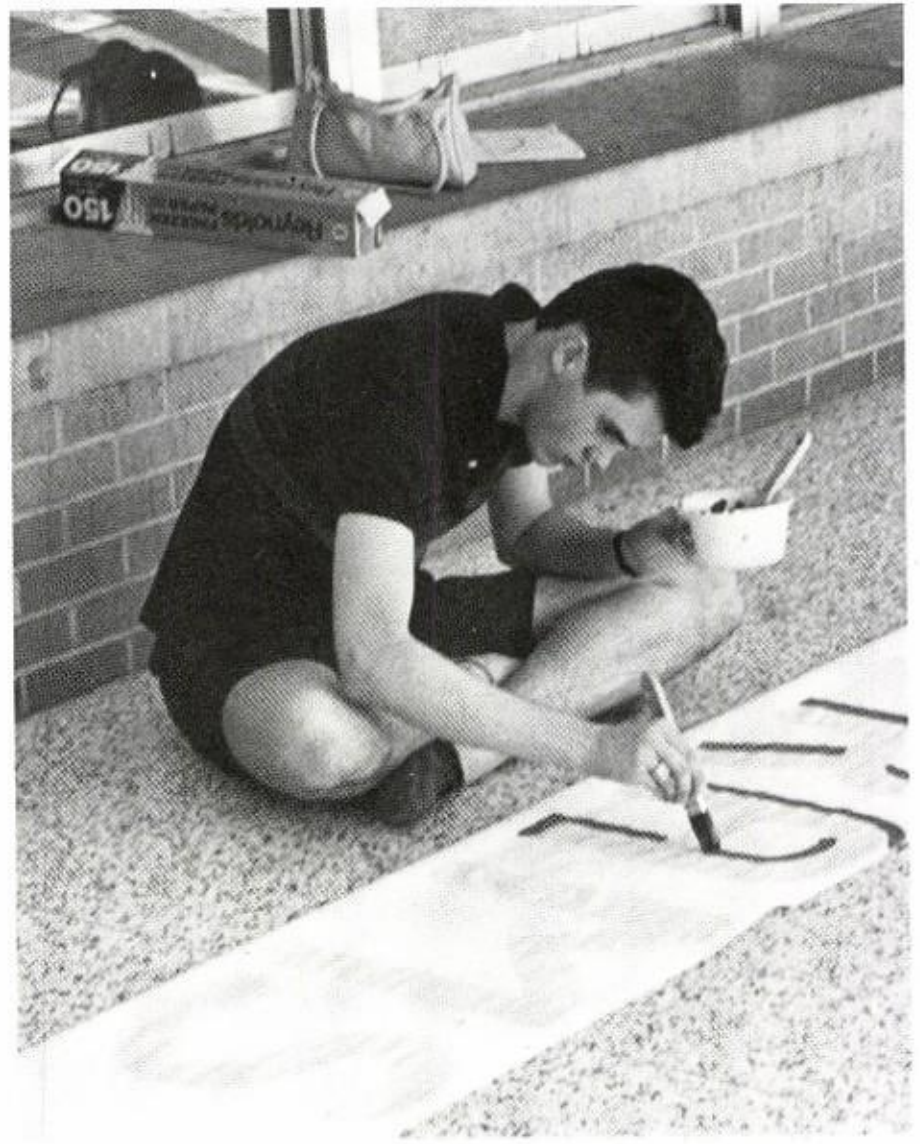

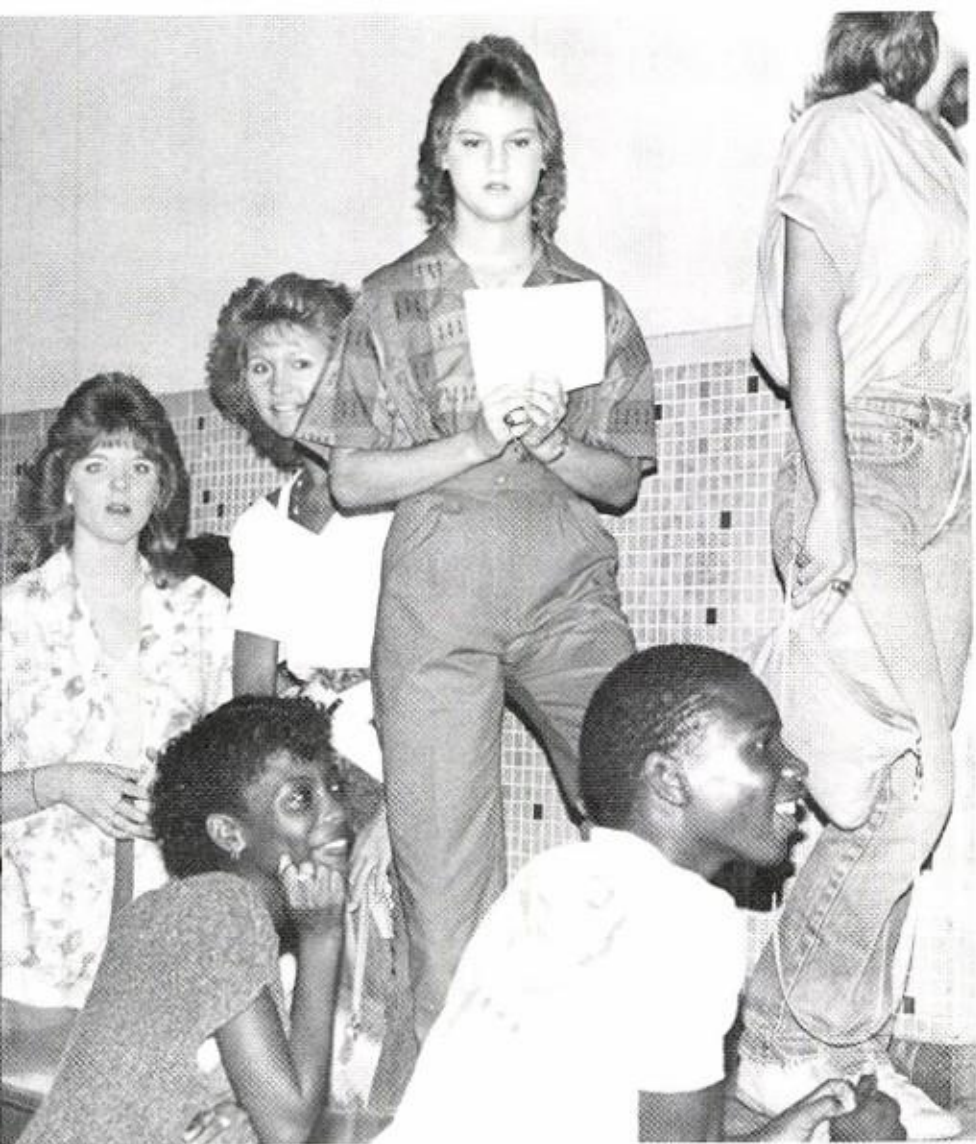

Students pull together for '87!

The beginning of a new year fills the air with excitement. With the thoughts of graduation, the junior class Co-Workers begin pulling together to make their senior year a success. This is the year when everything counts. The bake sales and all other fund raising activities are combined as one, and set aside for that magical year of 1987. To pull together as one solid unit isn't easy, and to help the juniors out, their sponsor, Miss Merka has been on hand at all times.

Senior Class

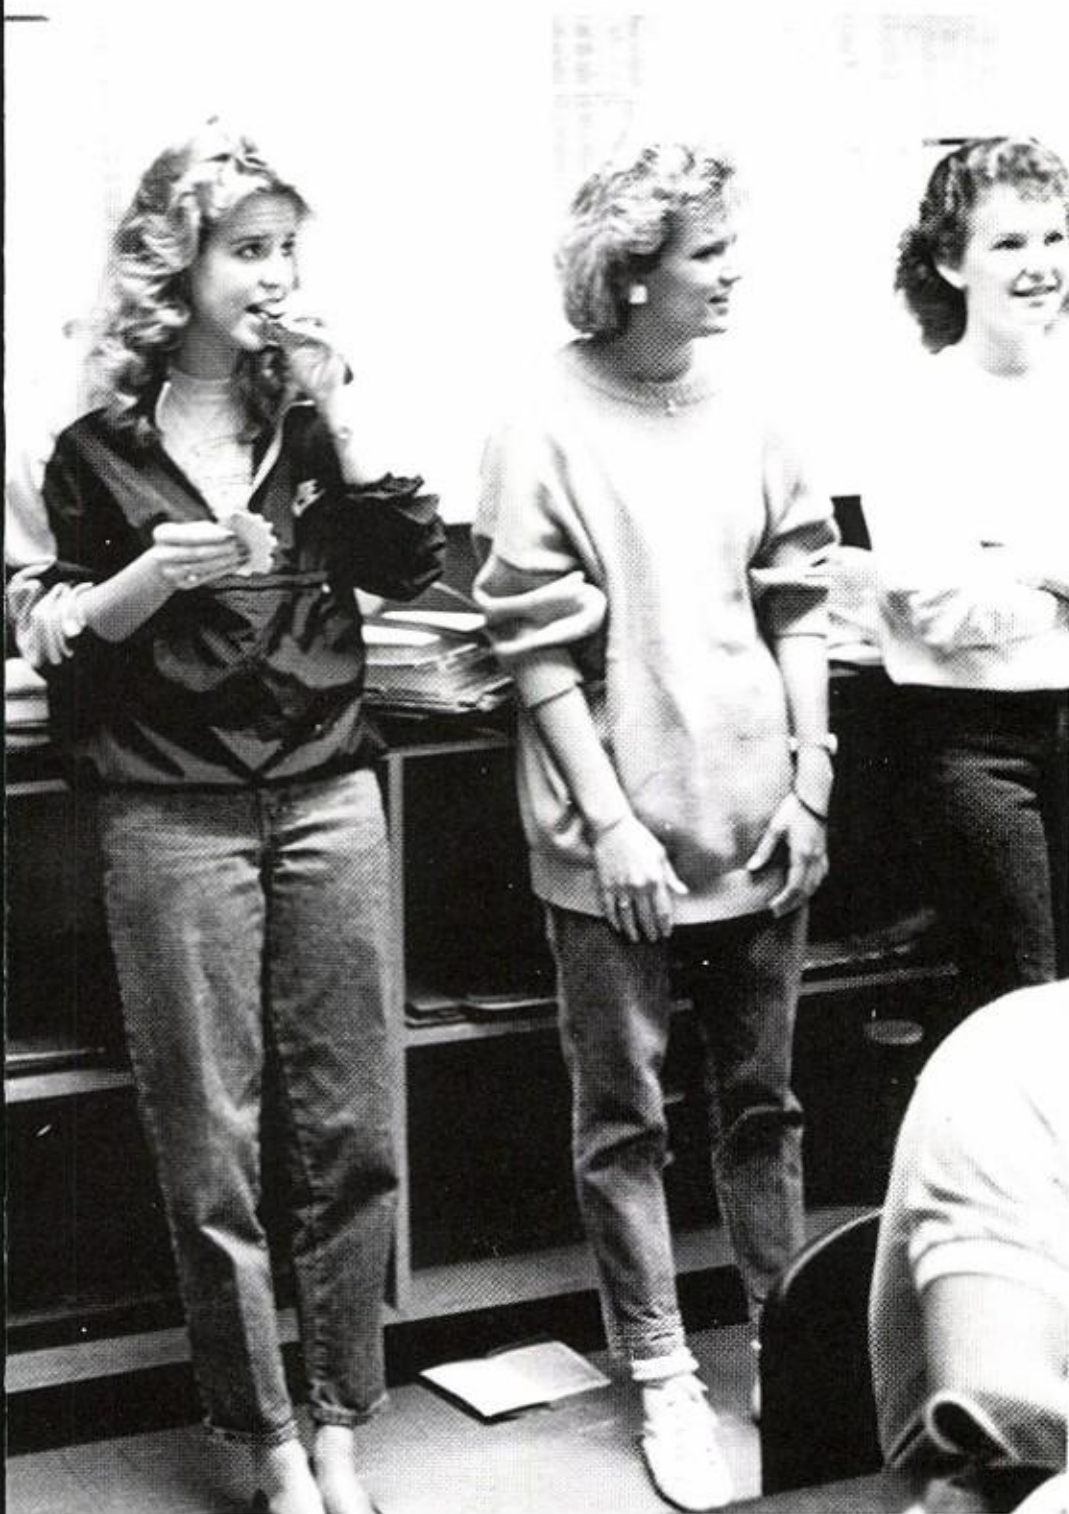

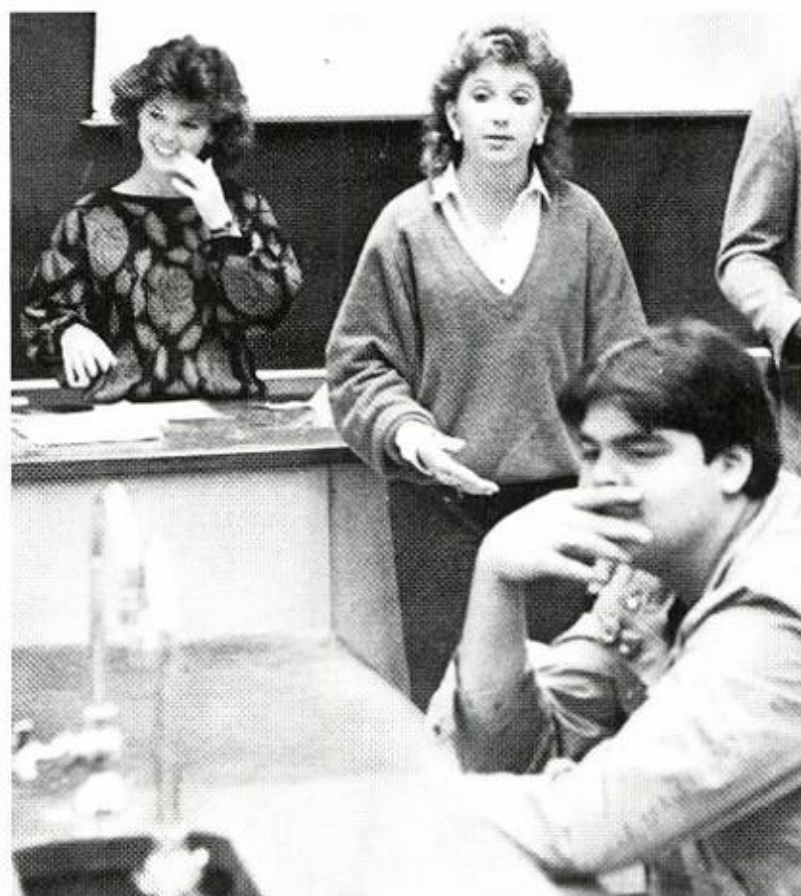

Seniors sponsor fund-raisers

The Senior Class Co-Workers have worked toward one basic goal during their time at Waltrip: making their prom a success. In order to raise the necessary money, they have sponsored school dances, car washes, and candy sales, along with the selling of stuffed rams and ram towels. The class of 1986, with its spirit and dedication, has accomplished many goals.

German Club

Students learn more about Germany

This proved to be another great year for the German Club. Students were able to learn more about the German language and German culture. Not only did students learn about the culture but they were also able to experience real German food and frolics when the club visited the Worstfest in New Braunfels. One of the fundraisers that aided the taking of the trip was the selling of candy. The German Club has no requirements so a person can be of any age or grade. They do not even have to be taking German as a class. Membership is open to anyone who is willing to have a lot of German fun. The German Club proved to be an enjoying and learning experience for everyone.

Spanish

Honor society helps in study

The Spanish National Honor Society at Waltrip is a chapter of a national organization that was designed to help promote the learning of the Spanish language and culture in high schools. Enrollment in third year Spanish and an overall B average in the two prior Spanish courses are the requirements to become a member of this club. The main goal of this year's group was to help tutor students having difficulty in this course. The Waltrip Chapter of the Spanish National Honor Society also worked to encourage the further

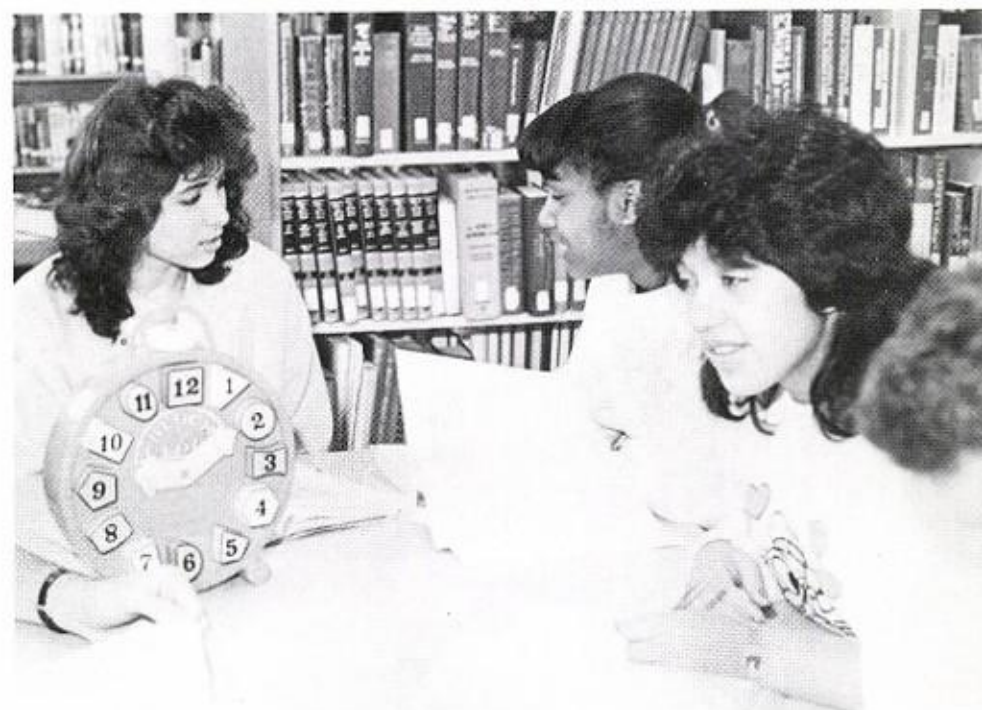

study of the Spanish language and the Hispanic culture.

Drama

Students learn other aspects of acting

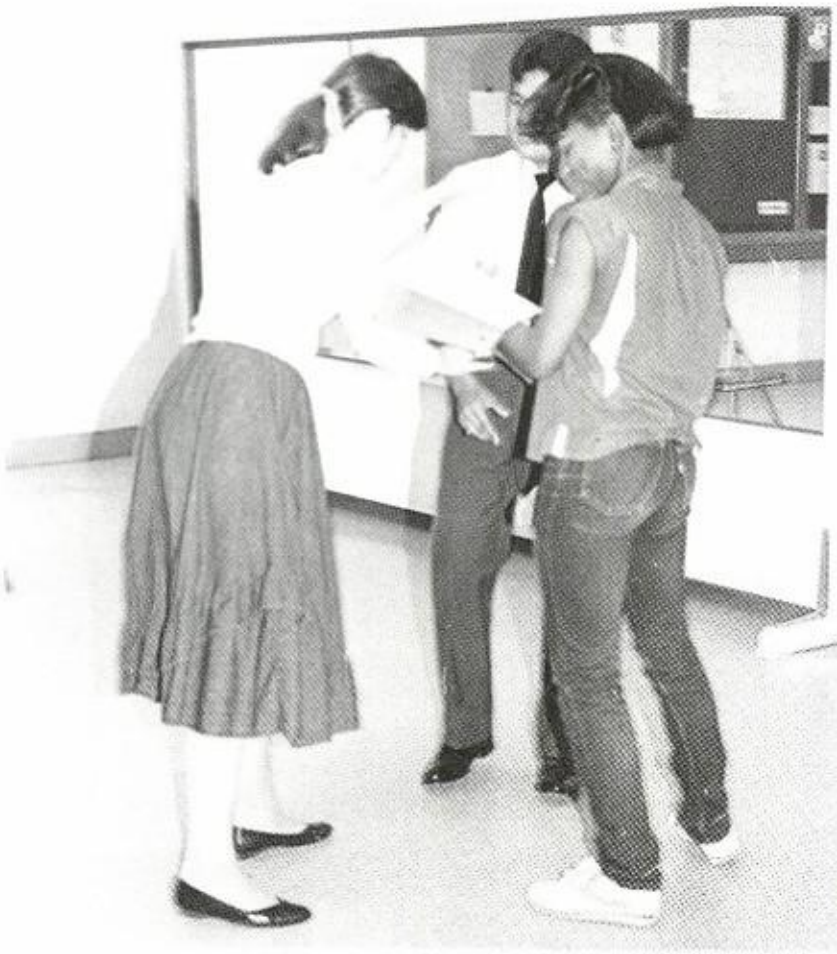

Ms. Harper has worked hard with the Drama students, in order to make this year a successful one. The club's major performance this year was "Luann Hampton Lavery Oberlander." In this play, different students portrayed the same characters during each act. Another major activity done this year was face painting. The students learned how to use stage makeup. By doing this they learned another aspect of the acting world.

Office Assistants

Helpers answer phones and run errands

The students in this organization help the Office Staff with errands and answering the phones. The students that are office assistants usually have a free hour somewhere during the day. They have to fill that hour somehow, so they chose office. They help the staff save time and enable them to get many more things done. Instead of having to stop working to answer a ringing phone, the office assistant can take care of it.

CSF

These students feel united

In Christian Student Fellowship, members of many different religious backgrounds gather to talk about God, and to clear up any confusions they may have about religion. The group also organizes charity projects, such as making fruit baskets and gathering canned goods for the needy during Thanksgiving and Christmas, and visiting nursing homes to add cheer to the lives of the elderly. Being in CSF gives students a feeling of union with one another and with God.

Media Club

Members learn film making skills

The Media Club is an organization with one main purpose: to give students a chance to achieve first-hand experience in film-making. The organization's members meet Monday thru Thursday mornings from 7:15-8:15. This year's members are working very diligently and making many improvements. Aiding in some of these is Mrs. Kencrabb, a Channel 8 Producer and member of SWAMP Productions. Mrs. Kencrabb has been directing the Media Club meetings and giving its members helpful hints in film production. This year the club created a film entitled "Essence of Pig." Their fundraisers include: a book fair, and a garage sale. The club encourages anyone who is interested in film production to contact Mrs. G. Montgomery.

WHS trains its own mechanics

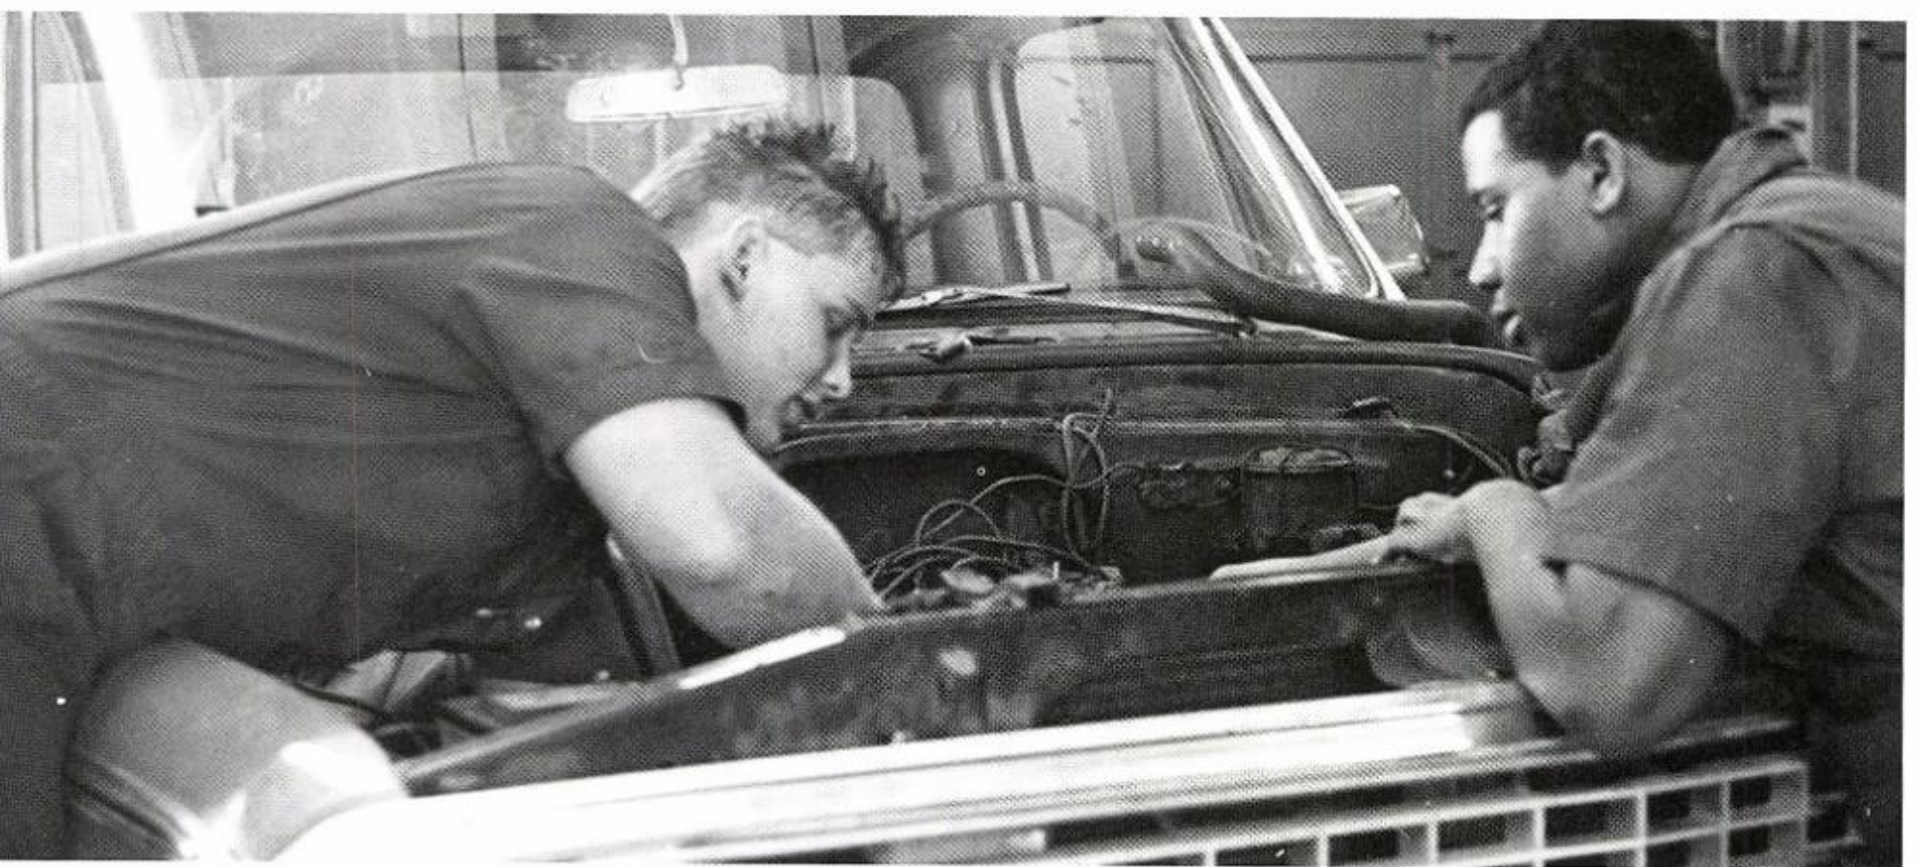

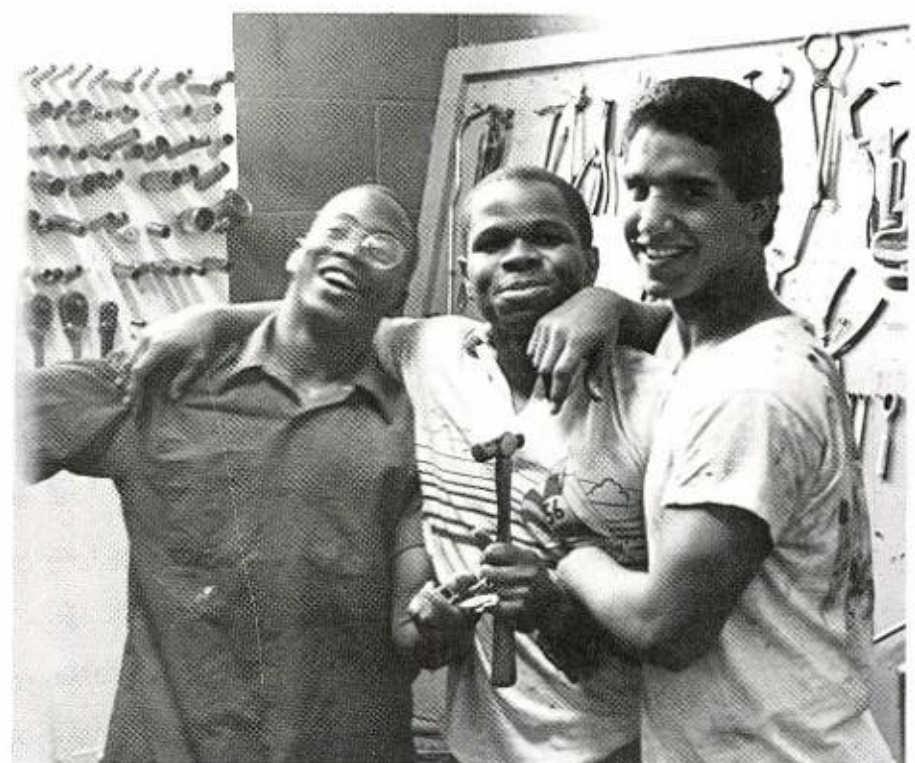

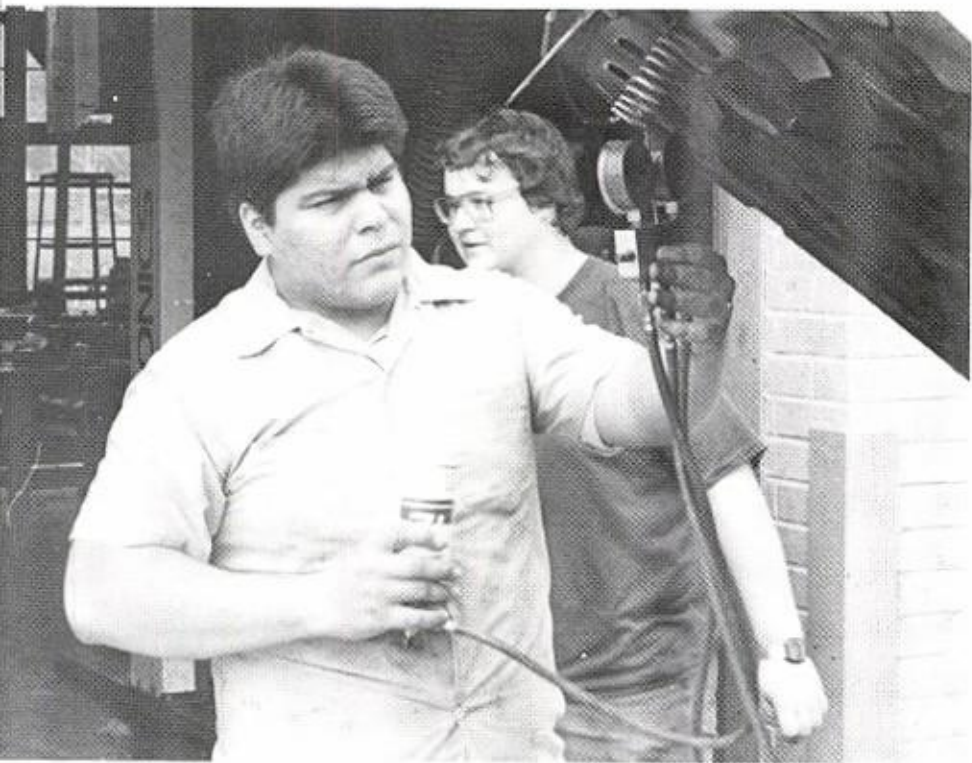

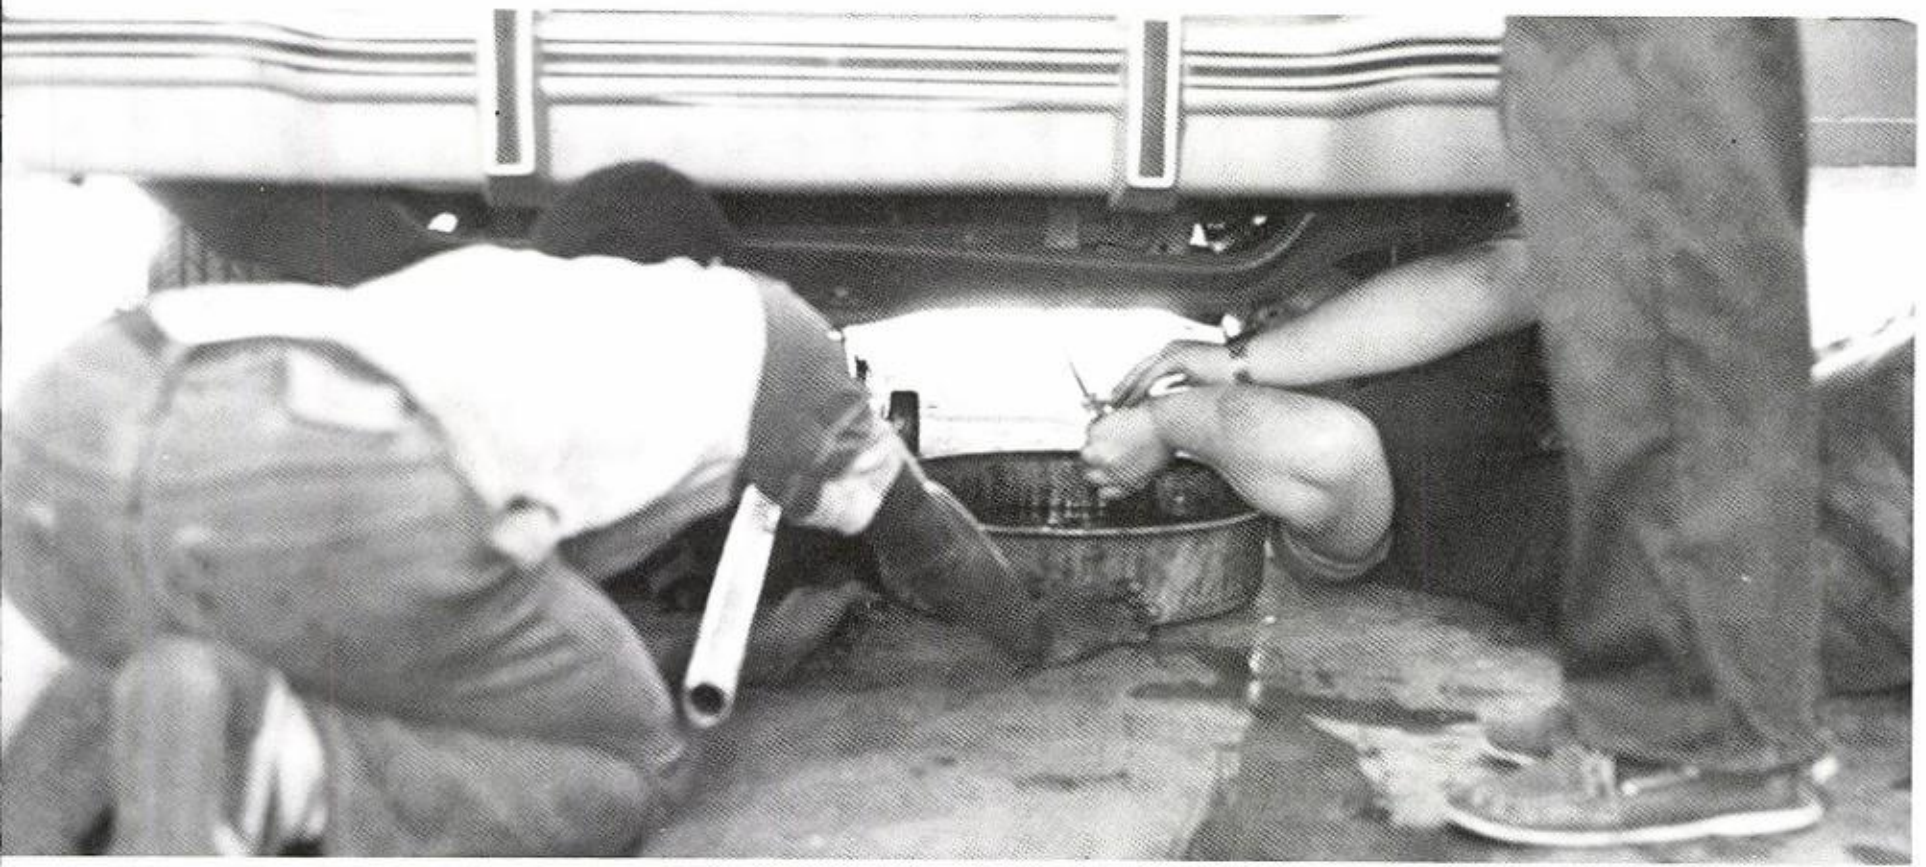

The Auto Mechanics Class (shop) teaches students how to work on cars. It gives students the chance to learn how to fix cars so that if their automobile ever breaks down or gives them problems, they won't have any trouble repairing it. Auto mechanics is not just learning how to work on cars, it is also taking on responsibility because teachers and

students at Waltrip pay the auto mechanics shop to repair their cars. The students enrolled in auto mechanics go to competition three times a year. This gives them a chance to show off their mechanic ability. Auto mechanics is an exciting learning experience that anyone, male or female, can enjoy.

Students enjoy electronics and computers

Vocational Industrial Electronics (VIE) is an organization which enables students to learn how to use AC/DC circuits and to gain other experience with electronic equipment.

In order to be in VIE, one needs a basic knowledge of math, science, and English; and also the desire to work in the electronic and computer fields. The program occupies two

class periods each day. The experience that the students gain in class prepares them for an interesting and successful career in the electronics field.

V.O.E.

Students learn office skills

Vocational Office Education gives students experience for working in an office. During the year in the program, which occupies one class period a day, students learn to use computers and dictaphones. This year, the students sold ribbons with wrapping paper, and stuffed animals, in order to raise money for their end-of-the-year banquet. In February, they participated in a contest, in which they competed for typing, accounting, shorthand and other office skills. They also held a banquet in honor of each member's employee. Being in VOE helps students develop a feeling for the real business world which they will eventually encounter.

Students prepare for office careers

Students in Word Processing learn office skills including typing, word processing, calculator transcribing, and filing in order to prepare them for a successful office career. Members meet once a month and attend daily classes. They also hold several fundraisers in order to raise money for an end-of-the-year banquet. Students are prepared for the job market when they finish a Word Processing course.

DECA

Students prepare for the future

DECA is a youth organization affiliated with the Marketing and Distributive Education classes. DECA is designed to teach students leadership and vocational skills as well as civic obligations. DECA members participate in many social activities as

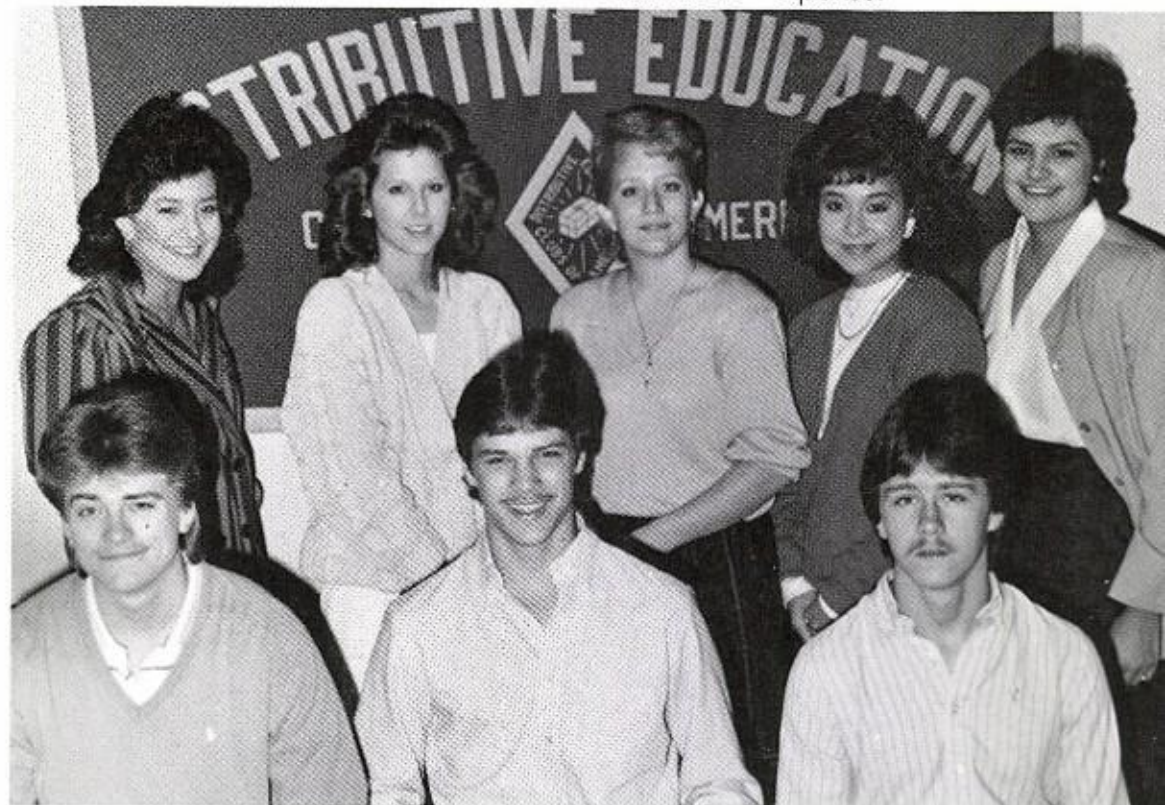

well as the area, state, and hopefully the national competition. The club gives the student who is interested in marketing a chance to get a well-rounded educational experience in this field in regard to what it takes to succeed in the business world.

OEA-TAS

Students are learning to assist teachers

OFFICERS — L to R: Heather Felty — Treasurer, Angela Spurlock — Secretary, Ramona Thompson — President, Theo Holt — V. President, Pricilla Rockett — Reporter, Christie Venarske — Parliamentarian, Maria Riley — Sgt.-at-Arms.

OEA-TAS is an organization which consists of students who are interested in the field of office education. Not like other classes, members of OEA-TAS spend 2 class periods learning office skills and techniques. At the end of the school year these students attend a different school for a week and assist teachers with their work. Some of the organization's seniors participate in Waltrip's co-op program and attend school only half a day. Others work at school with our special equipment.

I.C.T.

Classes train students for working world

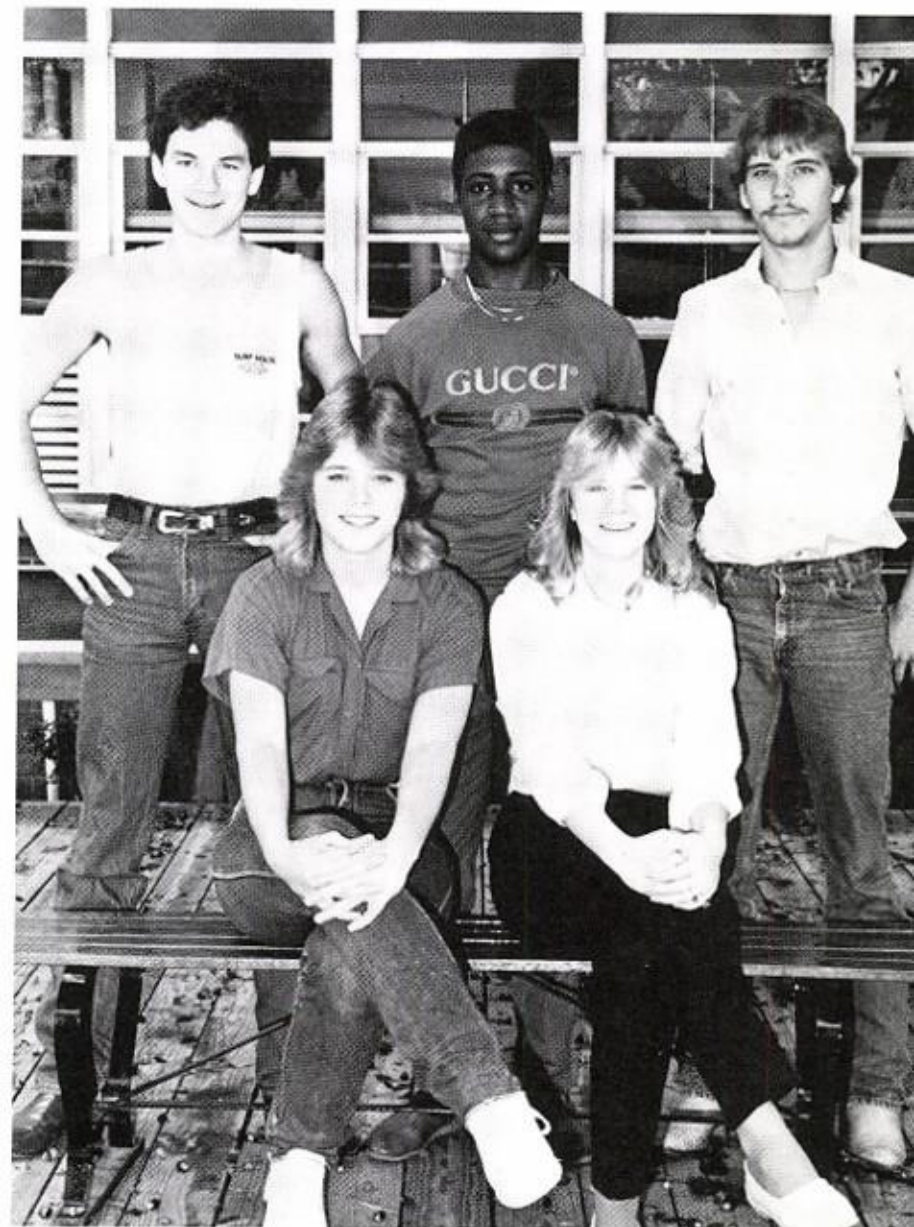

Industrial Cooperative Training helps to train students here at Waltrip for jobs for which they are suited. The students and the sponsor, Mr. Fussell, work together to find jobs that can help meet the various demands of each student. I.C.T. also enables each person to experience on-the-job training. This gives each student the chance to go through new kinds of employment as well as meet new people. I.C.T. has been proven to be a learning experience for students and for employers for it enables a person to work at a good job while still in high school and have a good chance of promotion after they graduate. I.C.T. is a worthwhile and learning experience for everyone involved.

Tribune

Interested students
learn about journalism

The Tribune Staff is a group of students that are very interested in journalism. These students are responsible for the Tribune and do a terrific job putting it together. They each have different stories to cover and various people to interview. Deadlines are very important to these students because this

is the time when their articles and pictures are submitted for publication. These students take great pride in each article that they have submitted to us each month. It is a great responsibility for one to take on. These students have truly proven their capability.

CLAS

SES

The Freshmen who are just starting their high school career have learned what it is like to roam the halls with hundreds of other people. Some have had a hard struggle getting through their first year here. However, they will see that everything was worth the trouble when they become seniors.

Seniors have realized this year that life is moving on for them. They no longer have the safety of the school yard, but now must face life in the "outside world" alone. Many seniors are frightened, but no matter what happens, they will always have the memories of Waltrip to hold on to and cherish.

FACU

LTY

The faculty at Waltrip is an outstanding group of individuals. Each teacher, though different in his or her teaching styles, cares for the students and attempts to teach them everything that will make life easier and more enjoyable. Waltrip High School is a great place to attend school, and our faculty plays an important role in making it an enjoyable place for students to come for an education.

Paul I. Ofield — Principal

Paul Ofield

Our principal is a great leader

In his seventh year here at Waltrip, Paul Ofield brings another successful year to an end. Throughout the year our principal takes on a very responsible position as the leader of the school. He is the director to the teachers in setting the pace and an advisor to the students. He demonstrates such leadership qualities as to give the entire student-body a feeling of courage and pride. By listening before making judgments Paul Ofield gives everyone a fair chance. He also is available to everyone at any time.

Being a role model leader Paul Ofield makes Waltrip a great place to be.

Standing: Louis Carothers — Assistant Principal, Margaret Scott — Dean of Instruction, W. O. Weygandt — Assistant Principal. **Seated:** Paul I. Ofield — Principal.

Assistant Principals

They lend a helping hand.

Margaret Scott — Dean of Instruction

The Assistant Principals at Waltrip are very friendly with the students. They give advice where advice is needed. If there is ever a disciplinary action which needs to be dealt with the Assistant Principals will do it. This year along with the Assistant Principals Waltrip has a Dean of Instruction, Margaret Scott. Her responsibility is to regulate and monitor class activity. These three people are very important to the school.

W. O. Weygandt — Assistant Principal

Lewis Carothers — Assistant Principal

Office Staff

They keep Waltrip running smoothly

The Office Staff this year at Waltrip is informative and alert. Information to all visitors, faculty, and students concerning any number of topics can be found here. The main office is the

heart of the school and the office staff keeps it running smoothly. Through the years, the office staff remains an important part of the faculty at Waltrip.

Ms. Bea Andrews — Secretary

John Abraham — Security

Bobbie Comer — Main Office Clerk

Juanita Gillingham — Computer Specialist

Carol Pickering — Financial Clerk

Judith Berger — Data Specialist

Wanda McNally — Attendance Clerk

Katherine Moore — Registrar

Maria Neri — Clerk; Registrar

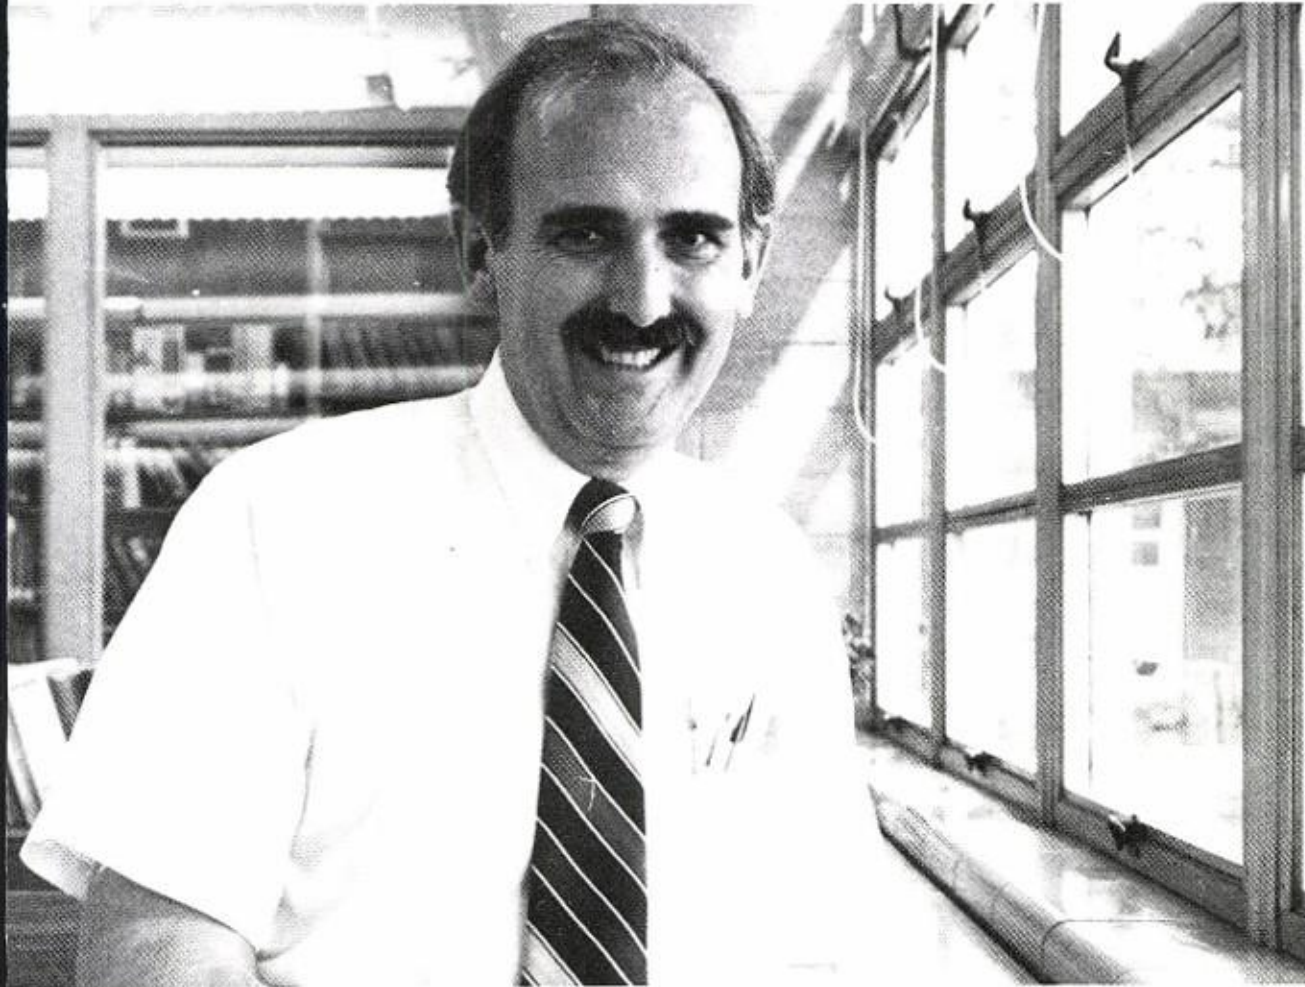

Vicki Smurs — Nurse; Science Club; Medical Careers Club

Library Staff

Everyone is friendly and helpful

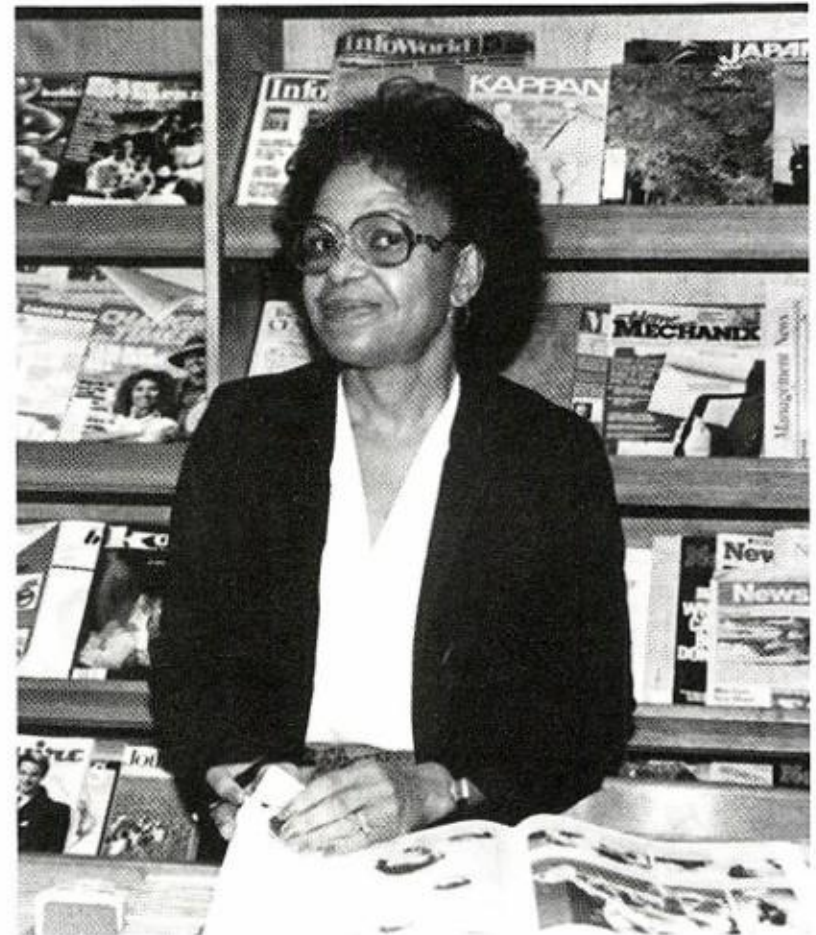

Tom McElroy — Assistant Librarian, Student Council

The library and its staff are very helpful to the students at Waltrip. They greet you at the door with a smile, a warm hello, and a friendly "May I help you?" The Librarians this year are informative and courteous. It is to anyone's advantage to use Waltrip's fine library. The library serves as a study hall for most students and a reference period for most classes. If one is ever confused about the library or any of its privileges he should ask the Library Staff. They are always glad to help.

LaFawn Gaddy — Library Clerk

Gwen Montgomery — Librarian

Counselors

Each one works long hours to aid each student

The counselors provide guidance for the students here at Waltrip. Alphabetically, each counselor takes a portion of the students enrolled and guides them through their four

years of high school. They not only assist students in choosing their courses but also help students with any other scholastic area. The counselors spend many long hours

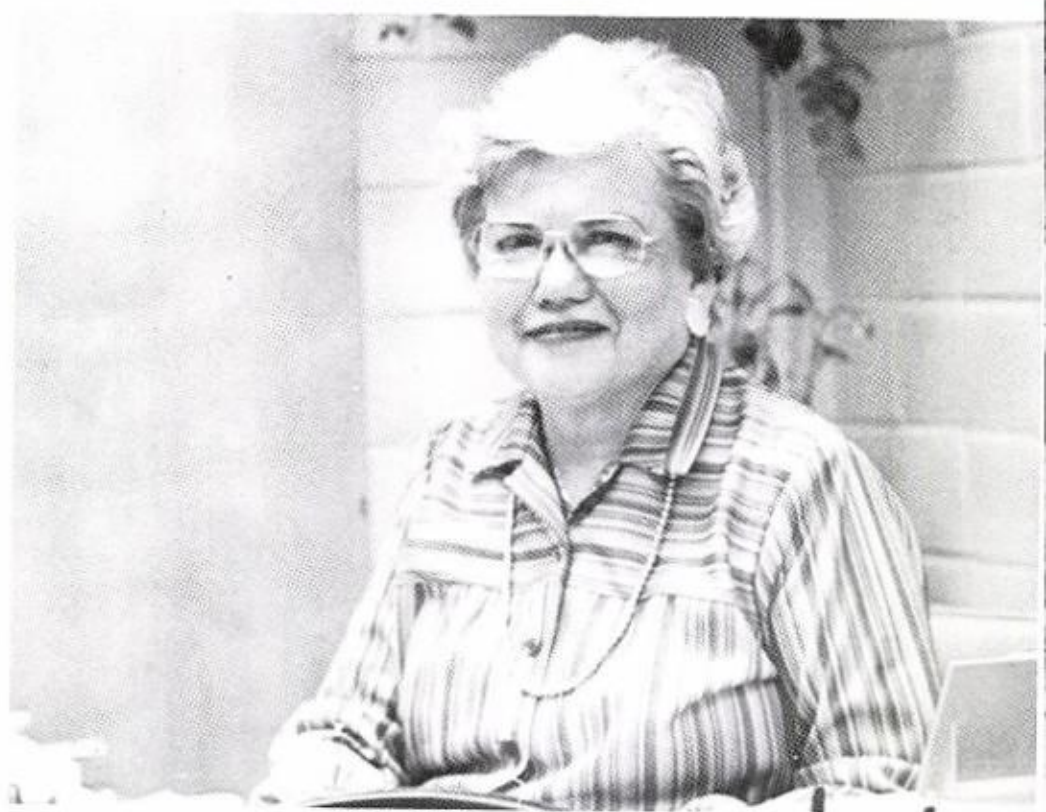

planning and organizing student schedules. At the beginning of each semester one can always find a counselor involved in an abundance of work.

Carolyn Allgood — Counselor

Shirley Jefferson — Counselor

Wynona Grant — Clerk (Counselor's office)

Waltrip offers
several choices

The English Department here at Waltrip offers several levels of English to choose from. These levels include regular classes, IB classes, major works classes, and for seniors a college preparatory class is offered. Such lessons are taught in grammar, literature, and vocabulary. In learning vocabulary words, some English classes take a quiz each week to help broaden the students' vocabulary.

Ann Jones — American History Ia; World History Ia

Science Department

Teachers help expand our knowledge

The Science Department at Waltrip is made up of four sections: Physics, Chemistry, Physical Science, and Biology. Physics is the advanced study of natural science. Chemistry is the science which investigates the composition of all substances. Physical Science is the science of

nature and natural processes. Biology is the study of life. Each of these sections is important to our daily life and its everyday happenings. Science expands the knowledge of the known and sparks the imagination of the unknown. This year the Science Department at Waltrip has

done a great job of expanding our knowledge and satisfying our curiosity.

Mary McDonald — Physical Science; Chemistry

Lillie Darke — Chess Club; Physical Science

Georgia Smith — First Ladies of Distinction; Physical Science

Deborah Campbell — Science Assistant

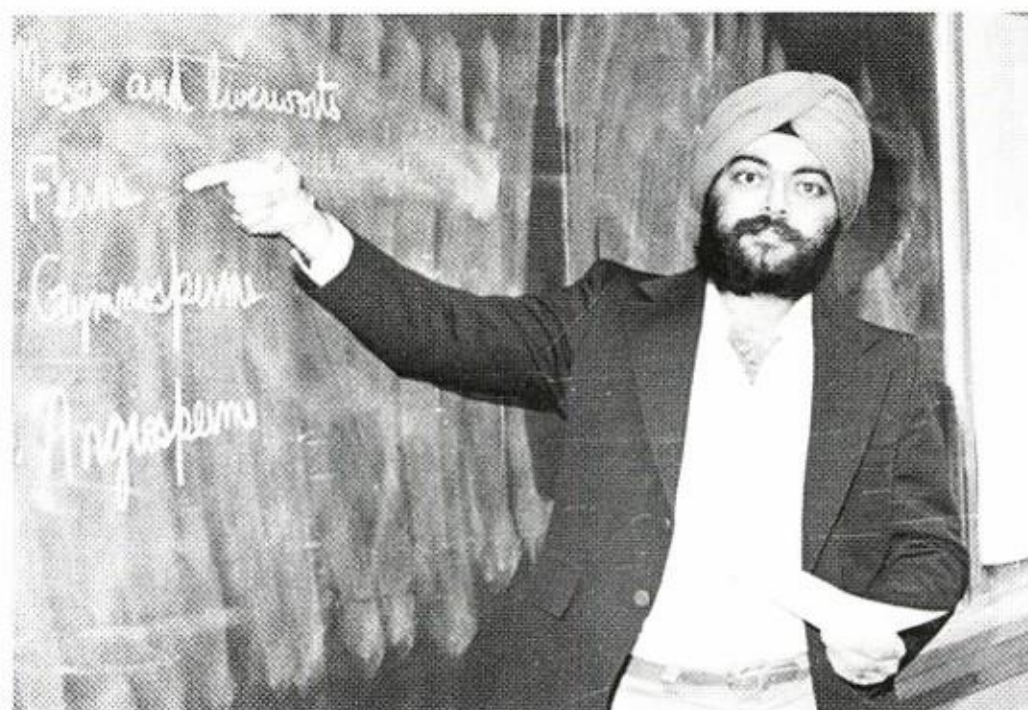

Mary Reescano — Physical Science, Pre IB Biology, Biology, '86 Co-workers, Department Chairman

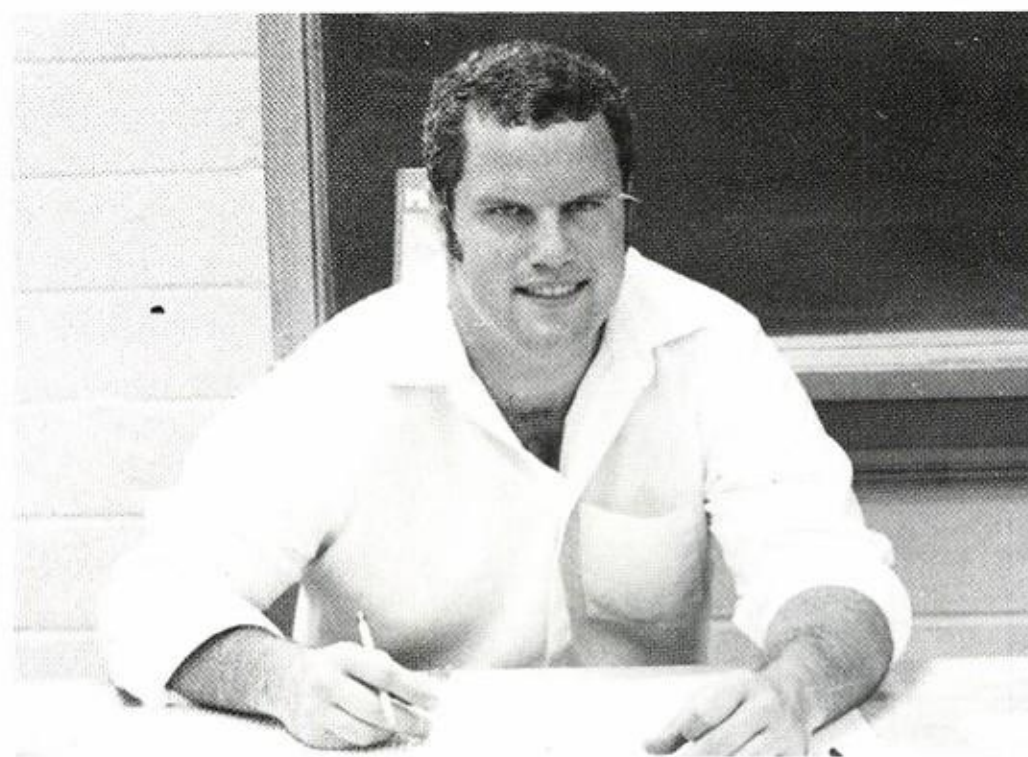

Shelly Haidari — Chemistry, Pre IB Chemistry, Physics, Science Club

Paul Singh — Biology, PSAT/SAT Enrichment

Patricia Pruneda — Physical Science, Biology

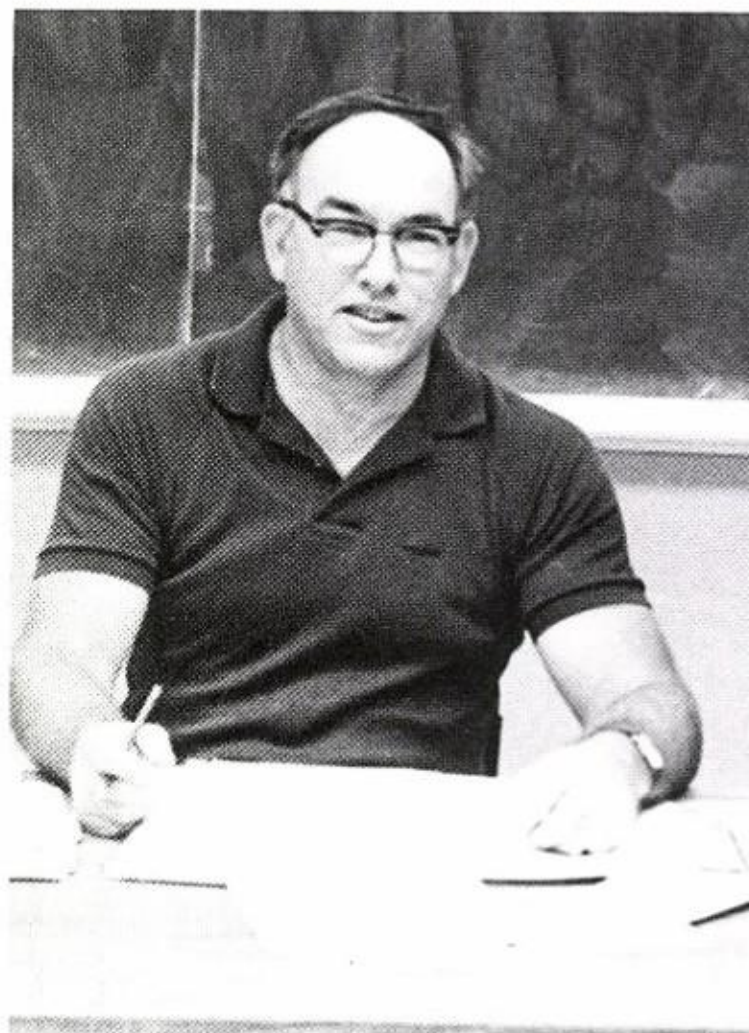

Skip Wilkerson — Physical Science, Freshman Football

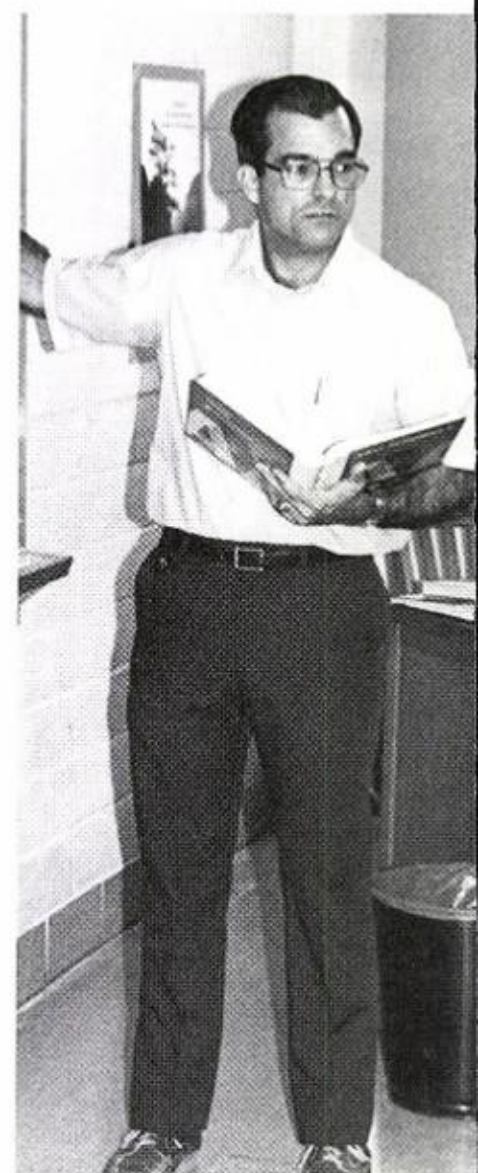

Mathematics

Program aids students

The Math Department at Waltrip has done a great job of educating our students. This section of our staff has programs which are very beneficial to everyday life. It offers Algebra 1 and 2, Geometry, Trigonometry, Calculus, Computer Math, MOCE, and FOM. It would be to everyone's advantage to take at least two of these fine math programs while he/she attends Waltrip.

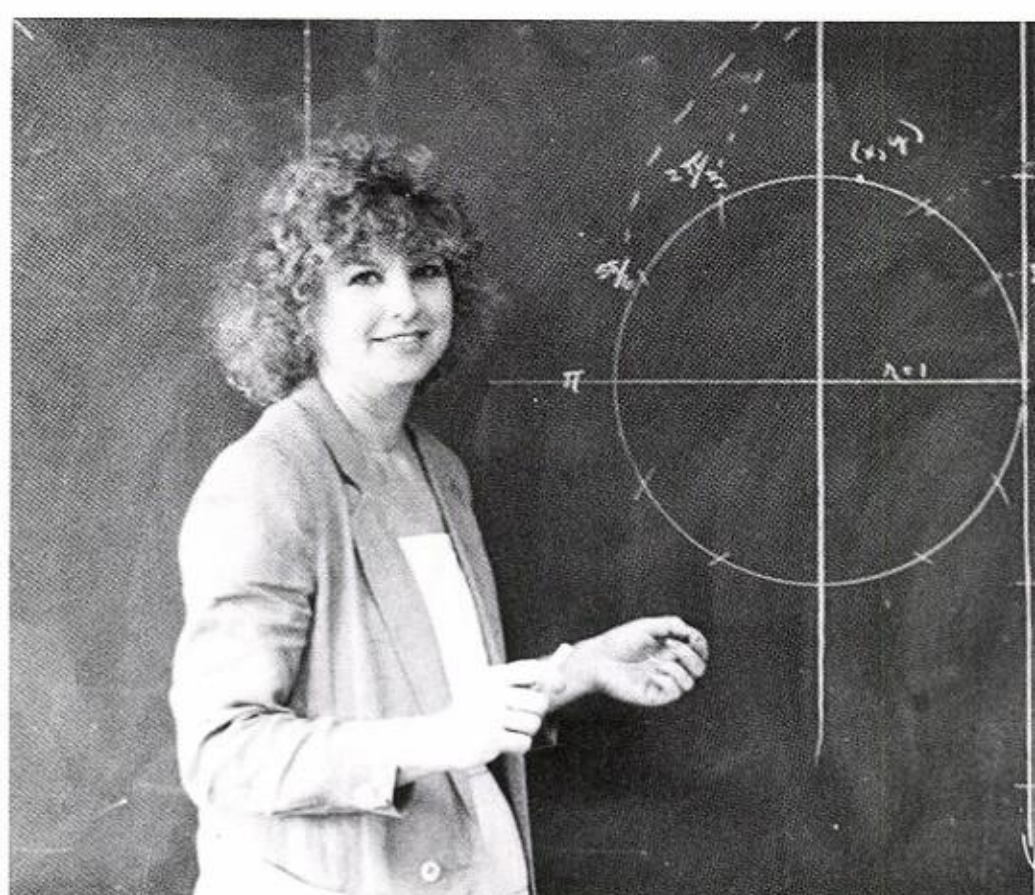

Charles Evers — Computer Math; Mu Alpha Theta; Number Sense

Charles Pehl — Algebra 1; Inf. Geometry, Number Sense

Margie Shirey — Pre-IB Geometry; Algebra

Ms. Andrews — Pre-IB Algebra 2; IB Pre-calculus; Aries; Cheerleaders; Ramhandlers; Quill and Scroll

Classes teach at slower pace

There are many unique students at Waltrip, including those involved in the Special Education program. Proper planning, adjustments, and equipment are given to meet these

students' needs. Although they perform at a slower rate, these pupils are accomplishing the same goals as others.

Bill Nunnelle — Special Education;
Occupational Adjustment Coordinator

Lanell Emenike — Special Education

Terena Honeycutt — Special
Education

Sue Davis — Special Education

Jackie Rogers — Special Education;
Department Chairman

Languages

Foreign culture acknowledged

The Foreign Language Department has done a fine job at bringing different cultures together. This department offers courses in Spanish, French, and German. The courses teach students to accept and acknowledge cultures which they have never personally experienced. A Foreign Language helps one appreciate other nationalities' culture.

Maxine Dorsey — Spanish 1, 2, 3; Spanish Club; Spanish National Honor Society; Department Chairperson

Gerri Manlove — French 1, 2, 3, 4; French Club; American Institute for Foreign Study

Brian Chance — French 1; German 1, 2, 3; German Club; Sophomore Co-Workers

Diane Henderson — World History; Spanish 1a

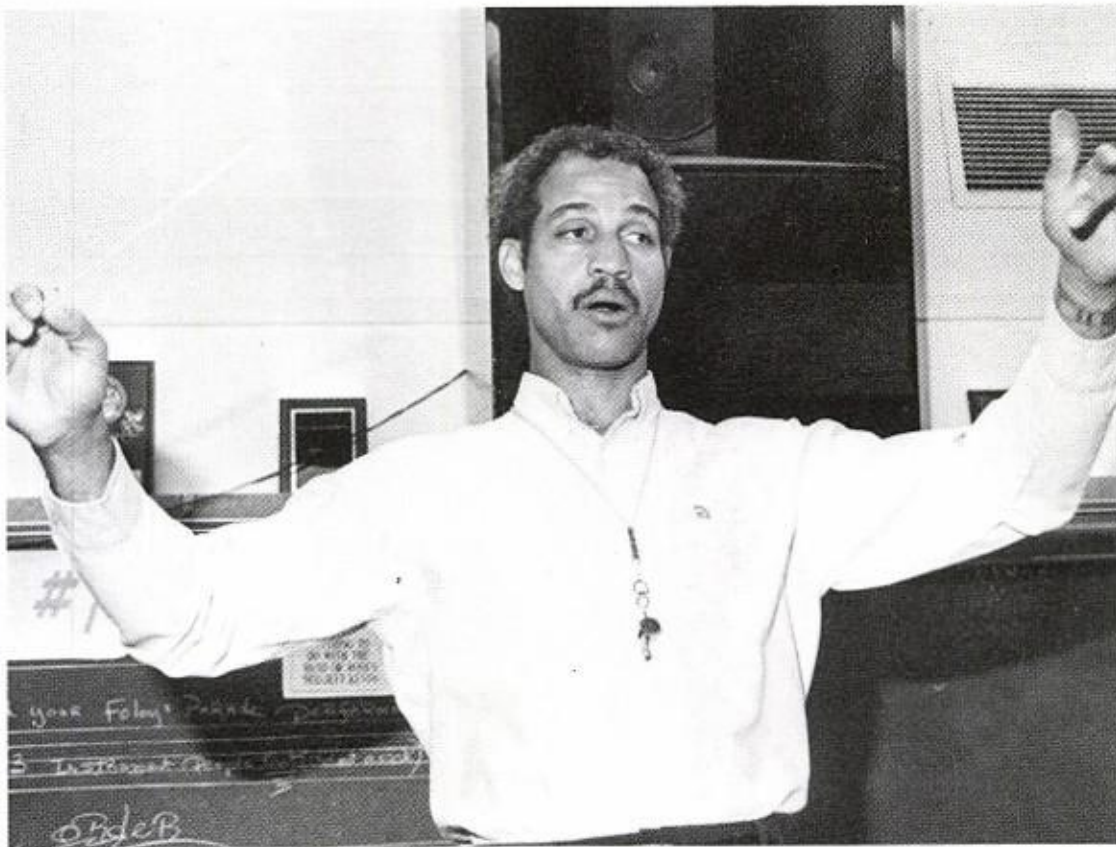

Fine Arts Dept.

These courses are for talented students

The Fine Arts Department consists of Marching Band, Stage Band, Concert Band, Girl's Choir, Mixed Choir, Art and Theatrical Arts. This department has done a fine job at entertaining Waltrip's student body. The

Band and Choir presented the school with a musical Christmas program and the Thespians presented the play *Louann Hampton Lavery Oberlander*. The Fine Arts Staff has

supplied students with all the support they could offer. If anyone has a talent which needs to be discovered then the Fine Arts is the course for them.

Charlie Srephens — Beginner Band; Stage Band; Flag Corps; Marching Band.

Leslie Cole — Music Appreciation; Mixed Choir, Girl's Choir.

Diana Harper — English 2a; Speech 1a; Theater Arts; Theater Arts.

Patricia Hill — Art

R.O.T.C.

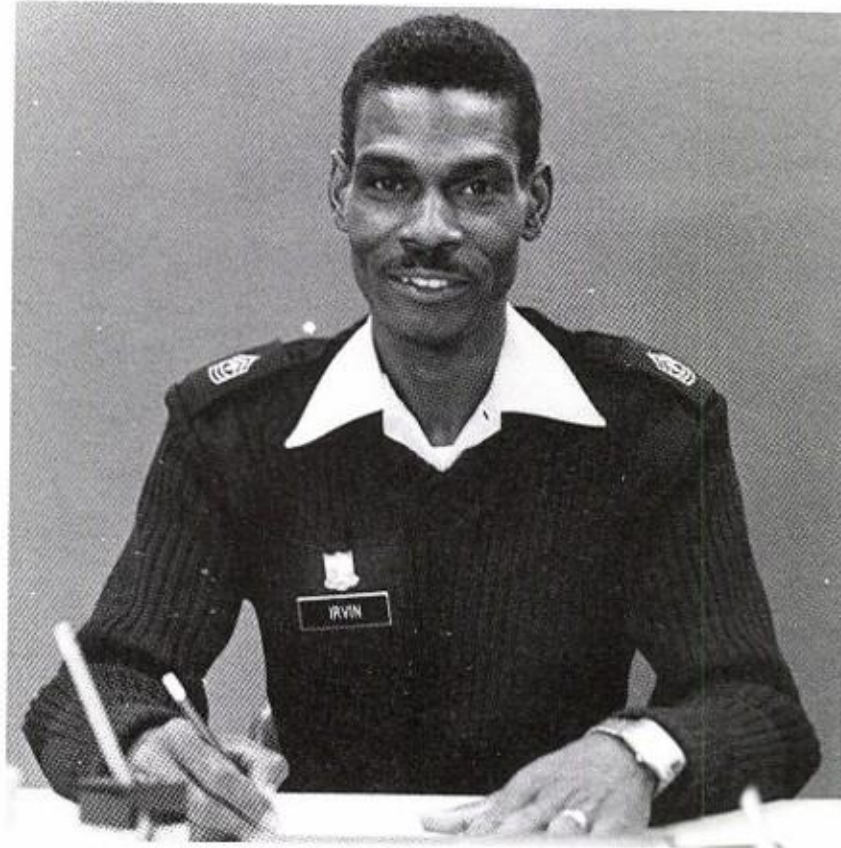

Classes train students in military

The Reserve Officer Training Corps classes here at Waltrip train students in military. Classes are taught on drill, commands, ceremonies, map

reading, and leadership. If a student is in an R.O.T.C. class he is also learning the act of responsibility.

Joe Putnam — ROTC

Roy Irvin — ROTC

Industrial Arts

Students master a variety of skills

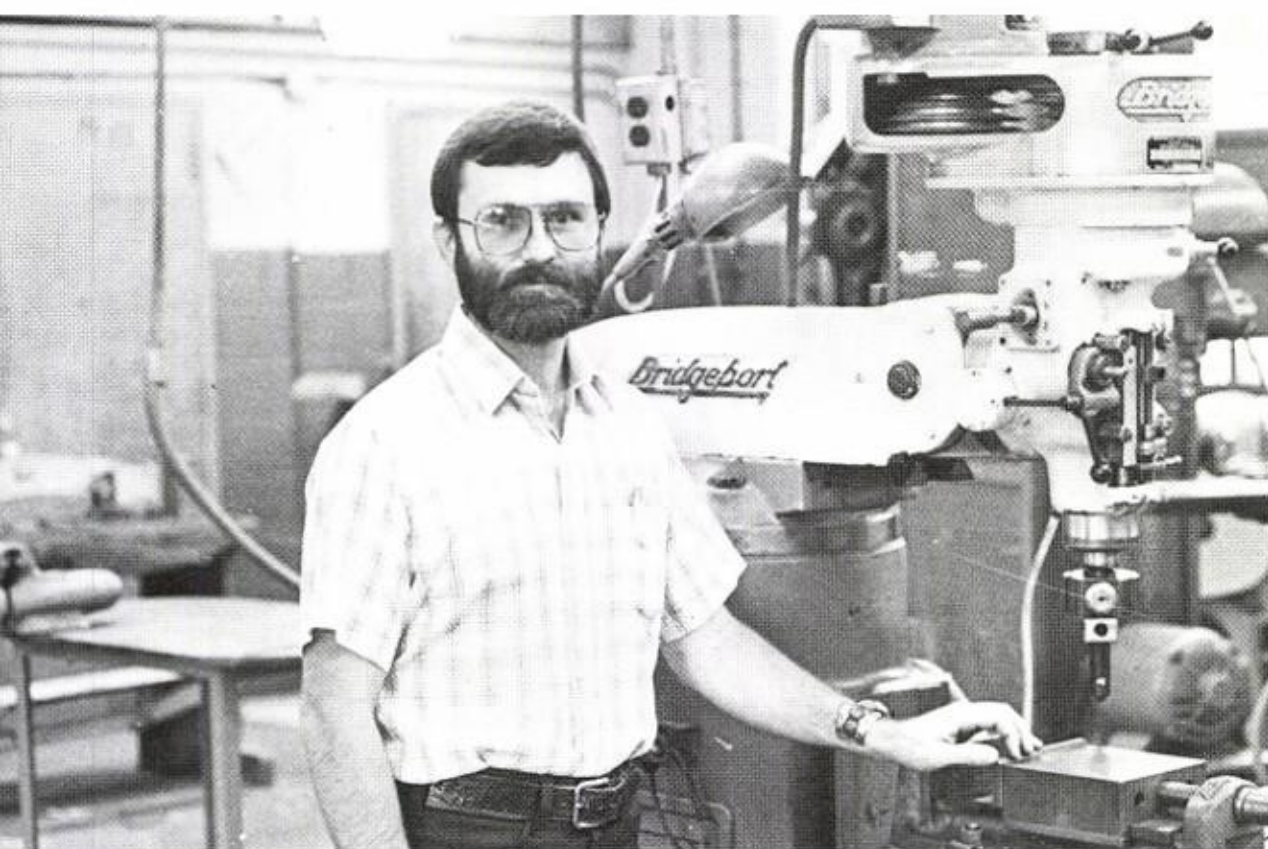

Melvin Oringderff — Drafting; Woodworking; Industrial Arts Club Sponsor

The Industrial Arts classes here at Waltrip consist of woodworking, metalworking, and drafting. A student taking one of these classes has a great advantage for the future. Taking an Industrial Arts class a student has the opportunity to master skills that will help them in their future jobs. Students familiarize themselves with working with their hands. Students are not only learning skills, but can take pride in a craft.

James Johnson — Industrial Arts; Woodworking

Richard Lipham — Industrial Arts; Metalworking; Industrial Arts Club Co-Sponsor

William Barron — Physical Education; Head Coach; Varsity Football

Foster Martin — Physical Education; Health; Boys' Basketball; Boys' Golf

Ron Barber — Football; Swimming; Personal Business Mgt.

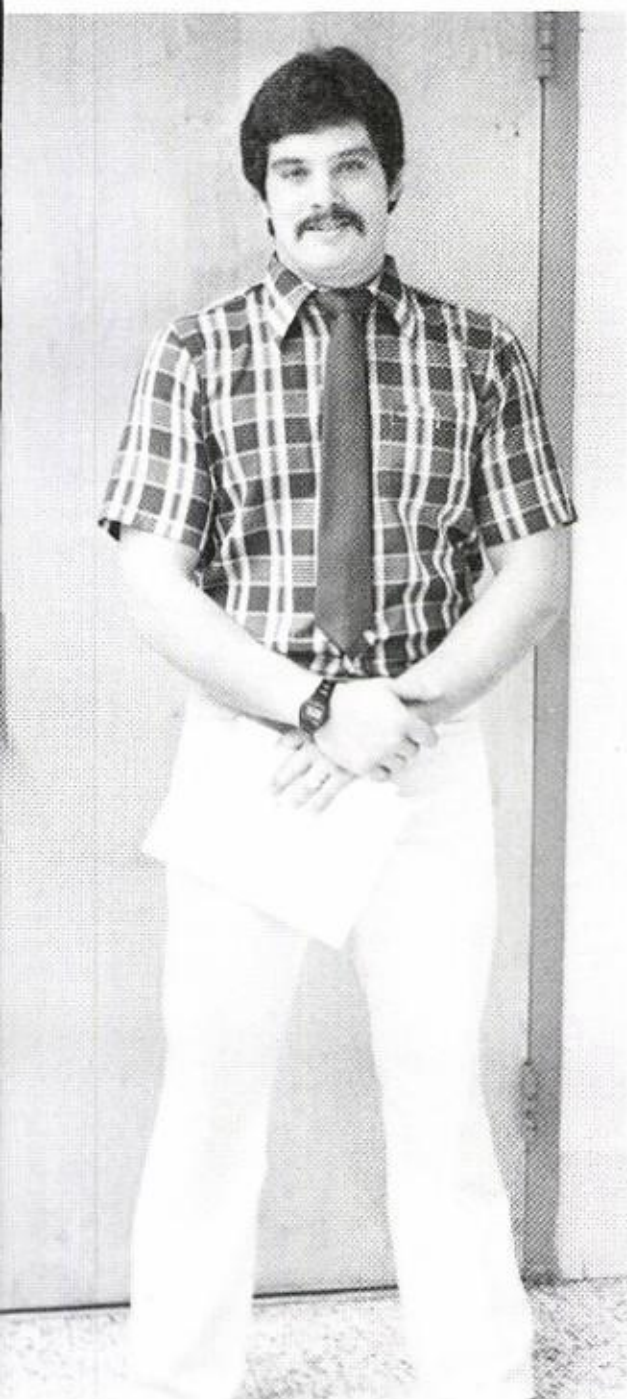

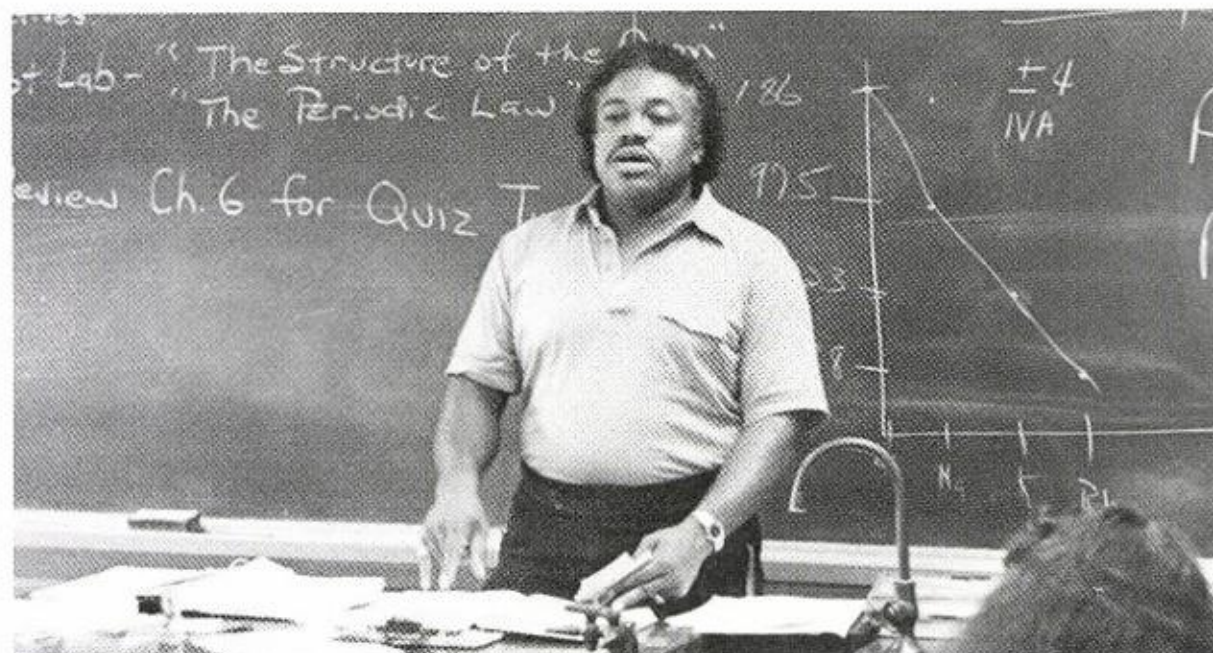

Patricia Tillman — Physical Education; Health

Waltrip's P.E. Department consists of physical education and health education. Physical education enables a student to learn sports such as volleyball, badminton, baseball, basketball and tennis. Health education teaches a student more about themselves. The student will learn the skeletal and muscular functions of the human body, first aid and nutrition.

The "No Pass No Play" rule has affected the athletes here at Waltrip. If a student does not pass a course and is involved in any kind of sport he is not able to participate for the next six week grading period. In addition this rule has encouraged students to strive harder for better grades.

Anthony Zuccarini — Health; Football; Basketball; Girls' Golf; Junior Class Sponsor

Donald Davis — Football; Girls' Basketball; Girls' Track; Physical Science

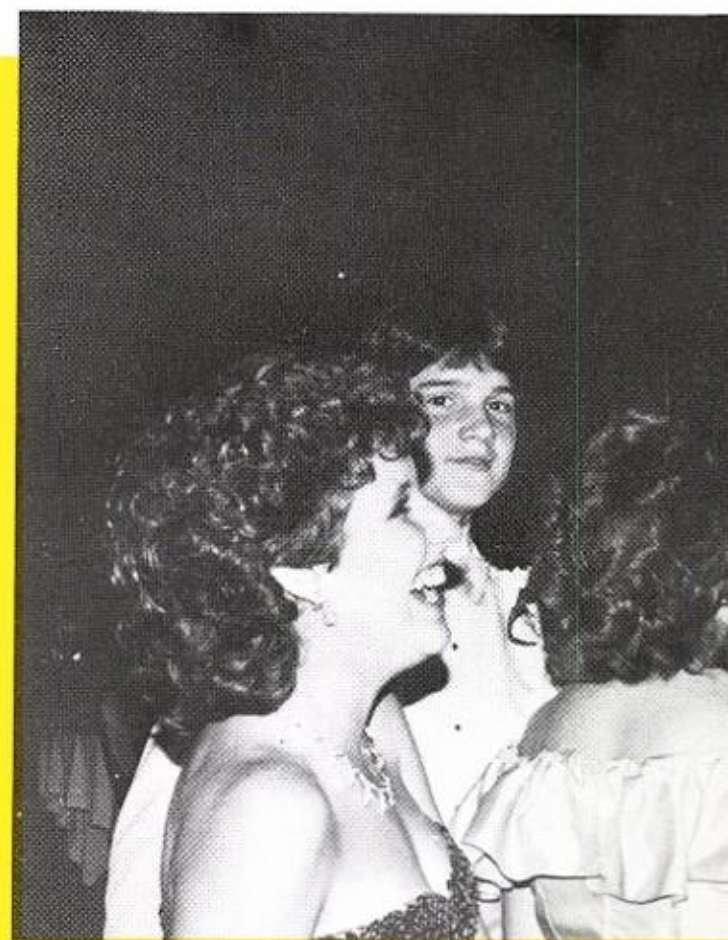

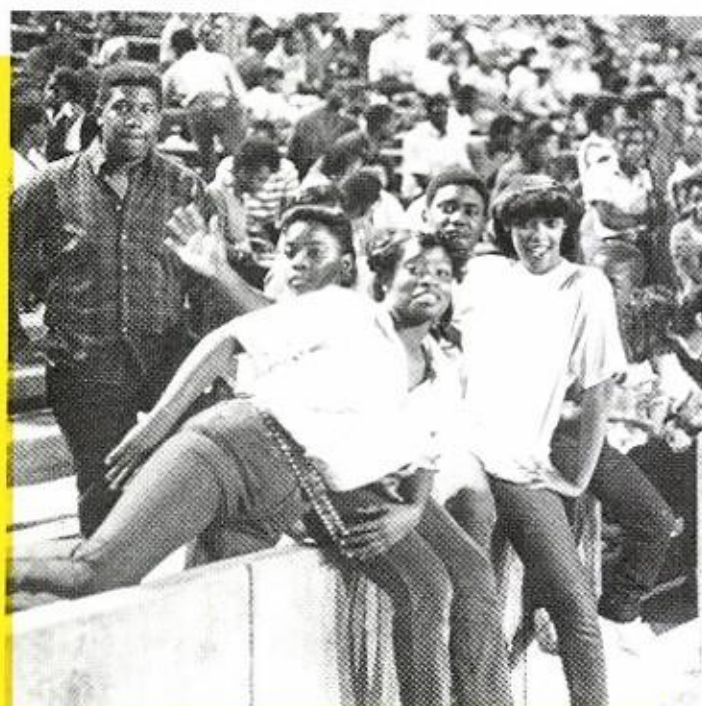

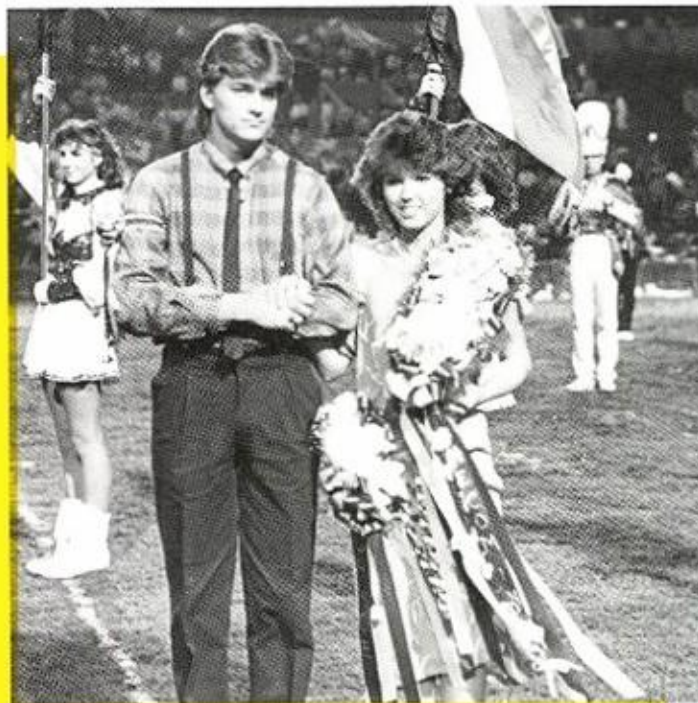

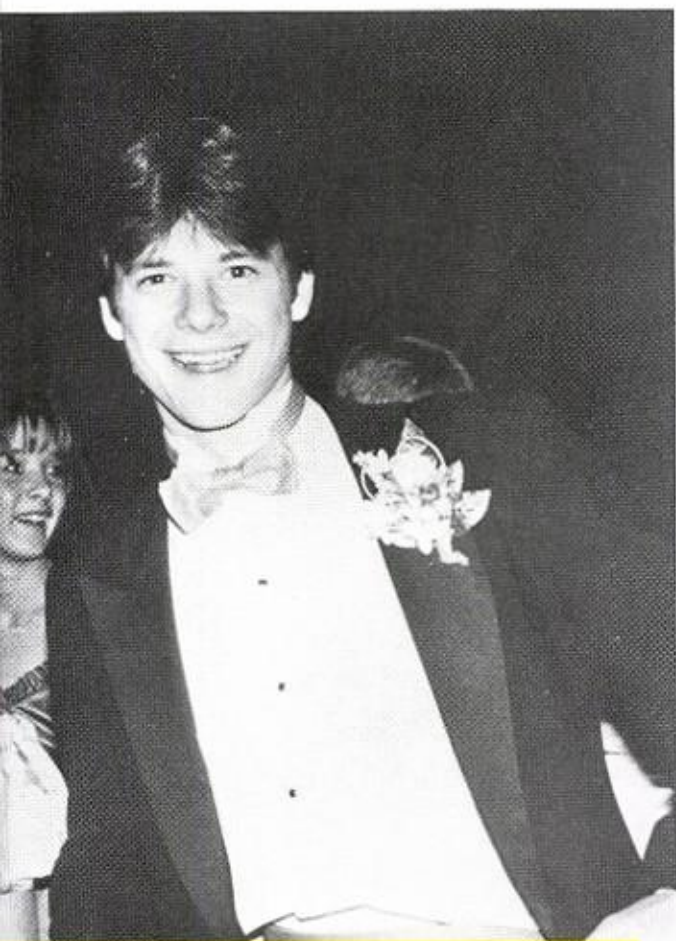

Toby Ingersoll — Physical Education; Health; Volleyball; Boys' and Girls' Tennis

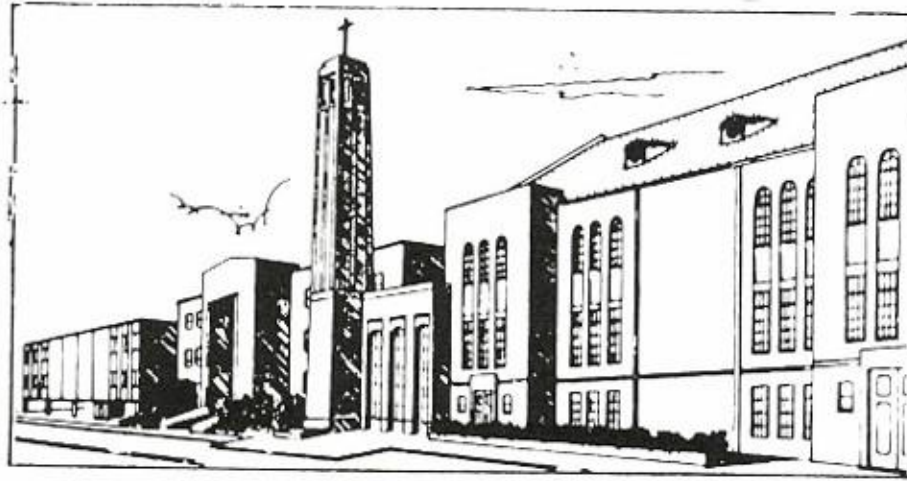

ADS/INDEX

Businesses in the Houston area help pay for the Waltrip yearbook each year, by purchasing ads. These advertisements save the students money by cutting down the expense of the Aries. However, students are not the only ones who benefit from this. By putting ads in the yearbook, a business has an advantage over other businesses because students can look for places to shop simply by turning to the back of the yearbook.

Nobody's memories are quite like yours. Nobody's class ring should be either.

When your class ring is from Balfour it can be as unique and special as you are. Because *you* choose the style, the stone, the decoration, the engraving—to express *your* interests, activities, feelings. Your own personal class ring from Balfour. No other can express who you are so exactly. Or help you recall those special times so clearly.

DeMolay

A fraternal organization for young men

WANTED

FOR

Introduction to the
greatest young
men's organization
in the world . . .

DeMolay!

*IT'S GREAT TO BE A
WALTRIP RAM!*

Reagan Chapter, Order of DeMolay

WHAT DeMOLAY IS...

It is a club, a fraternity, friends who like to do things together. For some it is the center of their activities. It is a service organization. It is an active social group.

DeMOLAY HISTORY ...

The Order of DeMolay was founded in 1919 in Kansas City, Missouri by Frank S. Land, a distinguished citizen of that community. It spread throughout the country and the world. The Order is named for Jacques DeMolay, the last Grand Master of the historic Order of the Temple, a military order devoted to conducting the Crusades of the 13th and 14th centuries. DeMolay came to Houston in 1921 ... and today Reagan Chapter is the oldest and largest DeMolay Chapter in this area ... with approximately 450 boys as members.

THE PURPOSE OF DeMOLAY...

The purpose of DeMolay is to take good young men and help make them better citizens. This is accomplished through leadership training involved with the Chapter officers and our Ritual work which teaches the seven cardinal virtues of DeMolay. The ceremonies of initiation ... two degrees ... are presented from memory by the Chapter members. These are serious ceremonies that teach lessons we can all use to live in our society. The ritual work centers around the virtues which are Love of Parents, Reverence for sacred things, courtesy to your fellow man, comradeship and friendship, fidelity and faithfulness to the obligations of your life, cleanness in thought and action and patriotic support of the democratic form of government and the freedoms that are ours. The ritual work also includes a dramatic presentation of the story of Jacques DeMolay acted out entirely by the Chapter members. We are very proud of the ritual work of DeMolay and we work hard to present it properly.

ANYTHING ELSE ...

In DeMolay you will find worthwhile associates and dedicated adult advisors to assist us. Our activities are first-class and fun. DeMolay maintains a good reputation because the members are first-class. In addition to the serious side of being a DeMolay, there is much more ... trips to Conclave and other State-wide meetings, various sports including baseball, softball, basketball, track, swimming, golf and bowling, tennis, Super-Stars, etc. There is something for everyone in DeMolay who is looking for a first-class, quality organization.

*IT'S GREAT TO BE A
REAGAN DeMOLAY!*
